Nihilist Girl:

Nihilist Girl Sof'ia Vasil'evna Kovalevskai[a], 2001 First published in 1892 this novel is the coming of age story of Vera Baranstova a young aristocrat who longs to devote her life to a cause

Nihilist Girl Sofia Kovalevskaya, 2025-02-25 Sofya Kovalevskaya 1850 1891 was a pioneering Russian mathematician and writer renowned as the first woman in modern Europe to earn a doctorate in mathematics and secure a full professorship Beyond her scientific achievements she was deeply engaged in the intellectual and social movements of her time particularly the Russian nihilist movement which advocated for social reform and gender equality Her novella *Nihilist Girl* first published in 1892 offers a semi autobiographical exploration of these themes The story centers on Vera Barantsova a young aristocrat disillusioned by the constraints of her privileged upbringing Yearning for a life of purpose Vera becomes enamored with the ideals of the nihilist movement seeking to challenge societal norms and contribute to meaningful change Set against the backdrop of 19th century Russia the narrative delves into Vera s internal struggles and the external challenges she faces as she confronts the rigid structures of her society Through Vera s journey Kovalevskaya provides a nuanced critique of the era s social and political dynamics shedding light on the personal costs of pursuing radical change *Nihilist Girl* stands as a testament to Kovalevskaya s literary talent and her commitment to social discourse The novella not only offers insight into the complexities of the Russian nihilist movement but also serves as a broader commentary on the universal quest for identity and purpose amidst societal constraints

The Women's Liberation Movement in Russia Richard Stites, 2021-07-13 Richard Stites views the struggle for liberation of Russian women in the context of both nineteenth century European feminism and twentieth century communism The central personalities their vigorous exchange of ideas the social and political events that marked the emerging ideal of emancipation all come to life in this absorbing and dramatic account The author s history begins with the feminist nihilist and populist impulses of the 1860s and 1870s and leads to the social mobilization campaigns of the early Soviet period

Remarkable Russian Women in Pictures, Prose and Poetry Marcelline Hutton, 2013 Many Russian women of the late 19th and early 20th centuries tried to find authentic religious marital professional and political experiences Some very remarkable ones found these things in varying degrees while others sought unsuccessfully but no less desperately to transcend the generations old restrictions imposed by church state village class and gender Like a Slavic Downton Abbey this book tells the stories not just of their outward lives but of their hearts and minds their voices and dreams their amazing accomplishments against overwhelming odds and their roles as feminists and avant gardists in shaping modern Russia and indeed the twentieth century in the West In their own words and images and each in their own unique way these remarkable Russian women construct a fascinating tapestry of a culture at the crossroads of modernity and on the brink of catastrophe

Kovalevskaya, 2013-12-11 In the year 1889 Sofya Vasilievna Kovalevskaya Professor of Mathematics at the University of Stockholm published her recollections of growing up in mid nineteenth century Russia Professor Kovalevskaya was already an international celebrity and partly for the wrong reasons less as the distinguished mathematician she actually was than as a mathematical lady A bizarre but fascinating phenomenon Her book was an immediate success She had written it in Russian but its first publication was a translation into Swedish the language of her adopted homeland where it appeared thinly disguised as a novel under the title *From Russian Life the Rajeviski Sisters* Sonja Kovalevsky *Ur ryska lifvet* Systrarna Rajeviski Heggstrom 1889 In the following year the book came out in Russia in two My gifted Mathematical Assistant Mr Hammond exclaimed Why this is the first handsome mathematical lady I have ever seen Letter to S V Kovalevskaya from Sylvester Professor of Mathematics New College Oxford Dec 25 1886 *The Parting of the Ways* Henry Bordeaux, 1911

Coming Out Swiss Anne Herrmann, 2014-04-15 Anne Herrmann a dual citizen born in New York to Swiss parents offers in *Coming Out Swiss* a witty profound and ultimately universal exploration of identity and community Swissness even on its native soil a loose confederacy divided by multiple languages nationalities religion and alpen geography becomes in the diaspora both nowhere except in the minds of immigrants and their children and everywhere reflected in pervasive clichés In a work that is part memoir part history and travelogue Herrmann explores all our Swiss clichés chocolate secret bank accounts Heidi Nazi gold neutrality mountains Swiss Family Robinson and also scrutinizes topics that may surprise the invention of the Alps the English Colony in Davos Switzerland's role during World War II women students at the University of Zurich in the 1870s She ponders as well marks of Swissness that have lost their identity in the diaspora Sutter Home Helvetica Dadaism and the enduring Swiss American community of New Glarus Wisconsin *Coming Out Swiss* will appeal not just to the Swiss diaspora but also to those drawn to multi genre writing that blurs boundaries between the personal and the historical **Arabia of the Wahhabis** Harry St. John Bridger Philby, 1928 **Stormlight, Or, The Nihilist's Doom** Joyce Emmerson Muddock, 1892 The Review, 1893 *Kropotkin* Ruth Kinna, 2016-01-18 This book provides a reassessment of Kropotkin's political thought and suggests that the classical tradition which has provided a lens for the discussion of his work

has had a distorting effect on the interpretation of his ideas By setting the analysis of his thought in a number of key historical contexts Ruth Kinna reveals the enduring significance of his political thought and questions the usefulness of those approaches to the history of ideas that map historical changes to philosophical and theoretical shifts One of the key arguments of the book is that Kropotkin contributed to the elaboration of an anarchist ideology which has been badly misunderstood and which today is too often dismissed as outdated This sympathetic but critical analysis corrects some popular myths about Kropotkin s thought highlights the important and unique contribution he made to the history of socialist ideas and sheds new light on the nature of anarchist ideology
