Activities & Ideas For Learning at Home

Reading at **Home**

Make reading a priority at home! Even reading a book each day will make a huge difference!

Before Reading

Allow your child to choose the book.
Do a "Story Walk": Look at the cover, look through the pages of the book. Make predictions about the story.

While Reading

Ask questions about the story.
Talk about new words.
Connect the story to real life.
Talk about the characters, places, the story, and events.
Act out the story using different "voices" for the characters.

After Reading

Talk about the beginning, middle, and end of the story.
Have your child make a drawing leading to the story.

Try This!

- Have your child hold the book and turn the pages.
- Point to the words as you read.
- Encourage your child to "read" the pictures.
- Notice the letters and sounds that they make.
- Have your child complete rhymes and repetitive sentences.

- Talk about how to follow directions.
- Give your child small jobs around the house, such as trying to sort laundry.
- Make your child responsible for cleaning up their own toys.
- Encourage problem solving.
- Allow your child to make choices.

Being A Part of Our World

- Talk about Community Helpers and their jobs.
- Get a map and look at it together pointing out different locations, such as where a relative lives.
- Describe where things are located, using right, left, and other directional words.
- Have your child learn their address and phone number.

Math at **Home**

With a little creativity, math can be a lot of fun. Show your child that math is in our everyday lives!

It's Not Just About Numbers

- Notice and talk about the time.
- Look at a calendar. Make it exciting by looking forward to special days and holidays.
- Provide your child with manipulatives (small objects or toys), such as blocks or pegs.
- Put together simple puzzles.
- Talk about shapes and their use in the environment.
- Allow your child to look at and handle coins and money (with supervision).

In the Kitchen!

- Ask your child to set the table.
- Follow a recipe while cooking.
- Think out loud and encourage problem solving.
- Practice sorting and classifying by doing household chores together, such as sorting silverware or matching socks.
- Allow your child to help with simple measuring tasks using a ruler or measuring cups.

Fine Motor at **Home**

Fine motor is the muscle control between fingers, hands, and eyes to complete a task. When your child uses their hands to learn, this strengthens fine motor skills.

Try This!

- Give your child fun toys to play with (clay, pipe cleaners, string, etc.).
- Allow your child to use scissors to cut paper (with supervision).
- Encourage your child to use a fork, spoon, and cup during meals.
- Be creative! Give your child a variety of art materials to explore.

Playdough
Stickers
Beads
Finger cleaners
Yarn or string
Pencils

Crayons
Markers
Chalk
Finger paints
Tissue paper
Glue sticks

Things to Remember

Be sure to watch that your child does not put any small objects in their mouth.
