**The Penthouse Erotic Video Guide** Penthouse International,2008-07-08 GET YOUR KICKS WITH THE BEST FLICKS Today in the privacy of our own living rooms and bedrooms we can thrill to countless titles in erotic video entertainment in a dazzling variety of formats VHS CD ROM DVD pay per view and satellite TV But amid this wealth of raunchy riches how do you tell the hot classic originals from the limp lukewarm bombs For almost two decades Penthouse Magazine has focused its keen critic s eye on the best and worst of carnal cinema Porn Robert J. Stoller,1991-01-01 Bill Merlin Happy and Kay are among the porn film performers and producers who tell their stories to Dr Robert J Stoller in this pschyodynamic ethnography of adult heterosexual pornography Their engrossing accounts reveal in rich detail not only the inner workings of the Industry and the fantasies and motivations of its participants but also the relation between this most denigrated of occupations and normal human erotic behavior and attitudes Consistently nonjudgmental about the material he presents Dr Stoller nevertheless draws provocative conclusions about porn its practitioners and its effects on society Everyone at work on a porn production he says uses it as a vehicle for unloading his or her rage against something mores institutions laws parents females or males According to Dr Stoller pornography does not exist only to degrade women there is no reliable evidence that it increases the frequency of rape and with the exception of child porn it does little harm Pornography says Dr Stoller seems more the result of our changing society than a cause of change it reflects more than influences our values and mores

Lynsey G is an intrepid explorer boldly going where few reporters have gone with such a critical eye deep inside the real world of commercial sex Tina Horn host of the Why Are People Into That podcast Lynsey G never imagined that she would ever work in porn but at twenty four years old with a degree in English literature and an empty bank account she found herself reviewing the film East Coast ASSault for an adult magazine in New York City One interview later and it was official she was a porn journalist The job was supposed to be temporary just a paycheck until she could spark her legitimate writing career but she loved it and spent nearly a decade describing the nuances of money shots and the effectiveness of sex toys As both a porn consumer and a porn critic she was not quite an insider not quite an outsider but came to know the industry intimately She found it so fascinating that she co founded WHACK Magazine Finally she had a platform to voice her thoughts and observations of the adult film world as well as educate the rest of us about what really goes on behind the scenes Eventually Lynsey was thrust back into the real world but not before realizing that one of the most diverse and nebulous and profitable industries on the planet isn t so quite as different from the rest of the world as she thought Tantalizing eye opening and witty *Watching Porn* is a provocative book about an average girl s foray into the porn industry and the people who make it what it is both in front of and behind the camera Marvelous The New York Times Book Review **Smutty Little Movies** Peter Alilunas,2016-08-23 *Smutty Little Movies* traces the adult film industry s transition from celluloid to home video beginning in the late 1970s alongside an examination of the cultural and legal efforts to regulate contain limit or eradicate

pornography Drawing on a wide variety of materials *Smutty Little Movies* de-centers the film text in favor of industrial histories and contexts In doing so the book argues that the struggles to contain and regulate pleasure represent a primary entry point for situating adult video's place in a larger history not just of pornography but media history as a whole Provided by publisher

**Porn Studies** Linda Williams, 2004 In her pioneering book *Hard Core* Linda Williams put moving image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres Now fifteen years later she showcases the next generation of critical thinking about pornography and signals new directions for study and teaching *Porn Studies* resists the tendency to situate pornography as the outer limit of what can be studied and discussed With revenues totaling between ten and fourteen billion dollars annually more than the combined revenues of professional football basketball and baseball visual hard core pornography is a central feature of American popular culture It is time Williams contends for scholars to recognize this and give pornography a serious and extended analysis The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core Contributors examine varieties of pornography from the tradition of the soft core pin up through the contemporary hard core tradition of straight gay and lesbian videos and DVDs to the burgeoning phenomenon of pornography on the Internet They explore as examples of the genre individual works as divergent as *The Starr Report* the pirated Tommy Lee Pamela Anderson honeymoon video and explicit Japanese ladies comics consumed by women They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant garde To take pornography seriously as an object of analysis also means teaching it *Porn Studies* thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form Contributors Heather Butler Rich Cante Jake Gerli Minette Hillyer Nguyen Tan Hoang Despina Kakoudaki Franklin Melendez Ara Osterweil Zabet Patterson Constance Penley Angelo Restivo Eric Schaefer Michael Sicinski Deborah Shamoan Maria St John Tom Waugh Linda Williams

*The Erotic Thriller in Contemporary Cinema* Linda Ruth Williams, 2005 This bold and original book examines in detail a relatively new genre of film the erotic thriller Linda Ruth Williams traces the genre's exploitation of pornography and noir discusses mainstream stars including Michael Douglas and Sharon Stone as well as genre branded direct to video stars charts the work of key producers and directors and considers home videos as a distinct form of viewing pleasure She maps the history of the genre analyzing hundreds of movies from blockbusters such as *Basic Instinct* *Fatal Attraction* and *In the Cut* to straight to video film titles such as *Carnal Crimes* *Sins of Desire* and *Night Eyes* Williams's witty and illuminating readings tell the story of this sensational genre and contribute to the analysis of mainstream screen sex and its censorship at the beginning of the 21st century She shows that as the erotic thriller plays out the sexual fantasies of contemporary America

it also provides a vehicle for marketing those fantasies globally
