sense of perpetual insecurity fearing that they could be attacked from all four sides in times of conflict That is why there has always been a tendency in our people to shrink within ourselves like a tortoise and proceed at a snail s pace Pawar eventually left Konkan for Mumbai where she fought for Dalit rights and became a major figure in the Dalit literary movement Though she writes in Marathi she has found fame in all of India In this frank and intimate memoir Pawar not only shares her tireless effort to surmount hideous personal tragedy but also conveys the excitement of an awakening consciousness during a time of profound political and social change
