Compendium & Correspondence Kristina Marie Darling, 2013 Kristina Marie Darling s Correspondence is a miniaturist s miniature a seeming erasure leaving behind only subplots and footnotes and glossaries secondary definitions nested beneath more primary meanings salutations but not letters Because perhaps where there is loss it is what remains after the story is told that is most beautiful or else what proceeds it not how we were together but how we say hello how we say goodbye Matt Bell author of How They Were Found

Poets & Writers, 2006-07 Praying Dangerously Regina Ryan, 2012-07-23 Praying Dangerously instructs us that we can grow up spiritually leaving behind a childish relationship to prayer as a superstitious ritual or mere plea for favors It encourages readers to recognize the difference between prayer that asks only for reassurance and prayer that asks for the Ultimate and stands for transformation We can cease being victims of God s Will while at the same time embracing genuine surrender and reliance on the irrefutable power of love says author and retreat leader Regina Sara Ryan Readers of the first edition published in 2001 were enthusiastic in their praise calling it a brave and useful book Prayer groups and church congregations around the U S have used it for study and it has been translated into Dutch German and French And the message of the book is more relevant now than it was 10 years ago The insecurities of our times draw us inward or back to our churches In prayer groups and retreats of all kinds we are looking for comfort and consolation for spiritual direction or for answers to the eternal questions that have always challenged humanity This book is a valued contribution in that search This 10th anniversary edition is fully revised with several completely new chapters including The High Cost of Forgiveness a subject that challenges everyone and Praying on the Subway about how our generally busy and often chaotic lives can provide us with a constant impetus for blessing others
