American composer and librettist Gian Carlo Menotti composed his first opera in English The Old Maid and the Thief in 1939
It was commissioned by NBC as a radio opera to be performed on air and was premiered by the NBC Symphony Orchestra
Years later Menotti adapted a theme from the opera's third scene transforming and expanding it into an advanced two
movement work for solo piano The first movement is a lyrical and emotive ricercare which contains contrapuntal writing
elaborate flourishes and flamboyant improvisatory gestures By contrast the second movement toccata unfolds in steady 16th
note perpetual motion with moments of musical humor combined with brilliant pianistic display The concise work
approximately seven minutes in length is often used in competitions and recitals This edition contains helpful fingering and
pedaling suggestions as well as a discussion of form and a brief synopsis of the original opera **Ravel's Jeux D'eau** Edwin

in F Minor, Op. 57, "Appassionata" Ludwig van Beethoven, Stewart Gordon, 2007-09-05 Sonata No 23 in F Minor Op 57 is
considered by many including Beethoven to be one of his greatest sonatas The nickname appassionata probably came from a
four hand version entitled Sonata appassionata published in Hamburg in 1838 The famous opening thematic statement
played two octaves apart and repeated immediately a half step higher sets a mood of tension and conflict in this majestic
sonata Dr Stewart Gordon's editions of Beethoven's most popular piano sonatas provide the key to a stylistic performance
Thorough research of the earliest available sources has enabled Dr Gordon to produce the most accurate reflection of the
composer's intent Each sonata contains helpful fingering suggestions and performance recommendations Sousa album
