We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

Tales, And, The Raven and Other Poems Edgar Allan Poe, 1969 *The Raven* Edgar Allan Poe, 1897 *The Raven* Edgar Allan Poe, Gustave Doré, 1996-04-01

In Gustave Doré, one of the most prolific and successful book illustrators of the late 19th century, Edgar Allan Poe's renowned poem *The Raven* found perhaps its most perfect artistic interpreter. Doré's dreamlike, otherworldly style tinged with melancholy seems ideally matched to the bleak despair of Poe's celebrated work among the most popular American poems ever written. This volume reprints all 26 of Doré's detailed masterly engravings from a rare 19th-century edition of the poem. Relevant lines from the poem are printed on facing pages and the complete text is also included. Admirers of Doré will find ample evidence here of his characteristic ability to capture the mood and meaning of a work of literature in striking imagery. Lovers of *The Raven* will delight in seeing its mournful musing on love and loss given dramatic pictorial form. A selection of the Common Core State Standards Initiative.

As recognized, adventure as skillfully as experience roughly lesson, amusement, as competently as covenant can be gotten by just checking out a books **Raven And Other Poems** furthermore it is not directly done, you could take even more in this area this life, vis--vis the world.
