The Sign of the Raven L.C. Sharp, 2021-08-17 From glittering ballrooms to London's dark underbelly Ash Juliana are back on the hunt for a murderer in the second installment of this thrilling historical mystery series from L C Sharp The London ton protect their own Even when it comes to murder There's been an incident In the finer circles of 1749 London incident is apparently the polite way to describe discovering a body with a gruesome wound and no sign of the killer But for newlyweds Lady Juliana and Sir Edmund Ash Ashendon it's a chance to track down the culprit and right a wrong something they are both intimately familiar with Indeed it is the only thing they are intimately familiar with For the moment Though their marriage may be one of convenience there's nothing convenient about learning the victim has ties to a name from their past the dreaded Raven And the Raven isn't the only danger they face The aristocracy protects its own and in London's darkest corners no one wants to be unmasked With Juliana's life on the line time is running out for Ash to find the killer before their marriage comes to an inconveniently bloody end Ash Juliana Book 1 The Wedding Night Affair Book 2 The Sign of the Raven

Raven's Revenge Roy French, 2005 Raven's Revenge In a sequel to his award winning Raven's Honor and Raven's Fury Roy French returns with another tale of the Raven aka Daniel Riordan once the most feared of all paramilitary enforcers in Ireland When Riordan joins the firm run by a security specialist named Brian Featherstone Feather to his friends his first assignment takes him across the ocean to France where he is to act as an intermediary for a ransom delivery Through no fault of his own the handover goes horribly wrong and Riordan is wounded However he recognizes the kidnapper as Sean Wallace a hard case from his previous life and vows to track him down To do so he must return to the hinterlands of Belfast and seek out connections that have long lain dormant Many surprises lie in store for him and he finds himself being played like a pawn in a chess game He tracks down his prey and exacts revenge but just as he thinks he has resolved the case an assault comes from an unexpected quarter leaving a friend dead in its wake Angered by the deceptions and misdirection he discovers that Major Skinner the head of covert operations was behind the entire operation and used him deliberately as bait to kill Wallace Knowing the truth now makes Riordan a liability and the Major will stop at nothing to ensure that it does not surface But Riordan has one last surprise for the Major Once again French takes us on an adrenaline pumping ride with former friends becoming fervent enemies There is barely time to catch a breath before the pace accelerates and our hero is thrown into situations where it seems almost impossible for him to survive The action as always never lets up and the plot has more twists and turns than an Irish laneway

Raven's Rise Elizabeth Cole, 2017-07-25 Claim your heart's desire Lady Angelet has spent her whole life as a pawn acquiescing to the wishes of others She's been a good daughter a good wife a good mother and a good widow The reward for her obedience is nothing more than a one way journey to a nunnery Outmaneuvered by her shrewd father in law Angelet is forced to accept her fate The knight who is hired to escort her has other plans Now known as the undefeated Knight of the Raven the low born but charming Sir Rafe has had to fight for

everything he's ever had. When he sees Angelet, he's more than willing to fight for her too. Rafe makes the soon-to-be cloistered lady a salacious offer for the duration of the journey: she can spend every night with him, and she doesn't have to be good at all. When a deadly pursuer threatens them, Rafe defends Angelet's life even though it means revealing his dark side. But Rafe isn't the only one with a secret, and now that she's sampled the life she's dreamed of, Angelet is done being a pawn. The third book in the *Swordsworn Knights* series of full-length historical romance novels set in the vivid and beguiling world of medieval Britannia during the period known as The Anarchy. Marion Lane and the Raven's Revenge T.A.

Willberg, 2023-06-06 This is what would happen if a trainee James Bond was asked to solve an Agatha Christie mystery, and it's brilliant. Stuart Turton, bestselling author of *The 7 Deaths of Evelyn Hardcastle*, the raven had struck. And the thing was, she knew exactly who was next. London, 1960. Marion Lane, a twenty-five-year-old apprentice detective at the elusive Miss Brickett's Investigations, inquiries are busier than ever, and determined to prove herself worthy of an official Inquirer badge. But when her close friend's girlfriend, Darcy, is targeted by a dangerous gang leader and seeks out the Inquirer's assistance, Marion cannot help but get involved. Just when Marion thinks she has the situation under control, Darcy disappears, and the agency receives a package containing a dead raven. Everyone is puzzled by what the threat could mean, except for Marion. She recognizes it as the same calling card left on her mother's doorstep just before she died. With harrowing twists and turns, *Marion Lane and the Raven's Revenge* follows Marion's most personal case to date. To uncover who is behind these ominous packages and find Darcy, she must piece together how they are related to her mother's mysterious death and secretive past.

Chasing Raven Jayne Fresina, 2015-12-16 Raven Deverell laughs her way through life and through men on a dare and a jest. She's having fun, never letting anybody too close and thumbing her nose at the strict rules of society. Why comply with standards set by the upper classes since she's been told she will never belong there? And she wouldn't want to anyway. As one of those scandalous rebellious Deverells, she does as she pleases, and nobody would dare get in her way. Until a stray wink from the back of a horse brings her mischief to the disdainful attention of Sebastian Hale. Born to duty and a title, Hale lives his life by those proper rules, and he will not let this wayward young woman in a most improper pair of men's riding breeches set his world asunder. She might think it amusing to masquerade as a male jockey and claim victory over his horse, but this is one wicked, reckless game she won't win. As the Earl of Southerton, he is a man above reproach, a man who can make or ruin a reputation. And he doesn't like to lose. The scandalous Miss Deverell has chosen the wrong opponent to wager against this time. Perhaps she has finally met her match.

Claws of the Raven Derek Hart, 2012-03-30 The central theme of *Claws of the Raven* hasn't varied much from the first book written by Derek Hart. Love is still a wonderful curse, and humans go out of their way to complicate every step along the way. When all is said and done, even the author can't manipulate the characters to do and react in ways that are out of character. No matter how hard one tries to make it happen, men and women don't just fall in love, and all is bliss. Whenever somebody is brave or foolish enough to say "I love you," then instantly the complications begin.
