Excerpt: Captain's Island is not far from civilization as one measures space. Dealing with the less tangible medium of custom, it is or was practically beyond perception. Secret Tycoon Victoria Pinder, 2024-09-27 I've spent weeks pounding the pavement desperate to land a deal that could finally take the weight off my shoulders. My parents need me to send money home and real estate in NYC is my ticket. I was so close to making it happen. Then I met Finn Morgan. He's the kind of man you can't look away from: billionaire, effortlessly sexy, and the last distraction I needed. Now instead of skyscrapers, I'm falling for him, pulled into his glittering world in Miami. His family, their lavish lifestyle, it's more than I ever bargained for. I came here to make deals, not lose myself in love. But now I'm torn. Do I risk everything for him? Or walk away before I lose myself completely.

Octopus Guy Lawson, 2012-07-10 Octopus is a real-life thriller that tells the inside story of an audacious hedge fund fraud and the wild search by a colorful cast of rogues and schemers for a secret market beneath the financial market we all know. Sam Israel was a man who seemed to have it all until the hedge fund he ran, Bayou, imploded and he became the target of a nationwide manhunt. Born into one of America's most illustrious trading families, Israel was determined to strike out on his own. So after apprenticing with one of the greatest hedge fund traders of the 1980s, Sam founded his own fund and promised his investors guaranteed profits. With the proprietary computer program he'd created, he claimed to be able to predict the future. But his future was already beginning to unravel. After suffering devastating losses and fabricating fake returns, Israel knew it was only a matter of time before his real performance would be discovered. So when a former black ops intelligence operative told him about a secret market run by the Fed, Israel bet his last 150 million on a chance to make billions. Thus began his year-long adventure in the Upperworld, a society populated by clandestine bankers, shady European nobility, and spooks issuing cryptic warnings about a mysterious cabal known as the Octopus. Whether the secret market was

real or a con Israel was all in and as the pressures mounted and increasingly sinister violence crept into his life he struggled to break free of the Octopus tentacles
