## **Raw The Autobiography:**

*Raw* Antony Worrall Thompson, 2004      **Raw My Autobiography** A. W. Thompson, 2009-04-13 Antony Worrall Thompson's passage to culinary stardom has not exactly been smooth. Abandoned by his father, a Shakespearean actor when he was just three, Antony was sexually abused and maltreated throughout his childhood. Antony's story very nearly came to an abrupt halt at sixteen when his face was crushed in a horrific rugby accident which left him badly disfigured and chronically insecure. But pioneering surgery saved the day, enabling him to pursue what was to become the enduring love of his life: cooking. After much hard graft and some close encounters of the violent gangster kind, AWT's flamboyant style as a restaurateur soon brought him to the attention of cookery's cognoscenti, and today Antony is in the culinary establishment. What a bull is to a china shop, his no-nonsense style in the kitchen is loathed by a few but loved by millions. Stuffed with hugely entertaining anecdotes and lightly sprinkled with AWT's no-holds-barred opinions, *RAW* is a heartrendingly honest story of triumph over adversity. Along the way, we go behind the scenes with the foodie mafia, and Antony lifts the lid on a few triple-Michelin-starred scandals. The knives and the forks are very definitely out.      **Looking Back: An Autobiography**

Merrick Abner Richardson, 2021-05-19 In *Looking Back: An Autobiography*, Merrick Abner Richardson crafts a reflective narrative that weaves together personal anecdotes, cultural commentary, and philosophical musings. The prose is both eloquent and accessible, capturing the reader's attention through vivid imagery and poignant reflections on life's multifaceted journey. Richardson's unique blend of lyrical storytelling and incisive observation situates the work within the broader context of contemporary autobiographical literature, echoing themes of identity, memory, and the passage of time. Merrick Abner Richardson, a distinguished figure in American literature, draws inspiration from his diverse background and experiences, which include academic pursuits, travels across various continents, and profound encounters with different cultures. These elements enrich his narrative, providing depth and authenticity to his exploration of self and society. His previous works have tackled various themes, from social justice to personal resilience, all culminating in the introspective depth found in this autobiography. This compelling read is recommended for anyone seeking insight into the human experience and the complexities of identity. *Looking Back* offers readers a chance to engage with Richardson's journey, allowing them to reflect on their own lives while navigating themes of nostalgia, belonging, and personal growth.      **The**

*Raw Material* Alan Sillitoe,2016-07-12 This fusion of novel and memoir from a bestselling British author chronicles the destructive effects of WWI on two working class families in Nottingham An advocate for ordinary people Alan Sillitoe combines family memoir with exhaustive research on military records and fuses them with artistic speculation in this inventive and political historical novel Central to the story are the author's grandfather the blacksmith Ernest Burton and his uncle Edgar a World War I deserter The launching point for this narrative family album is a legless match seller from Sillitoe's childhood who walked on the streets of Nottingham with his hands When the young Sillitoe asked his family about the reasons behind this man's deformity he heard a series of different accounts His mother said it was a train accident his father claimed it was an explosion during the Battle of the Somme his grandmother was convinced it was a birth defect and his grandfather declared it was a way of dodging work Thus Sillitoe sets the tone for a tale in which anything which is not scientific or mathematical thought is colored by the human imagination and feeble opinion In order to rediscover the fictional truth behind his own spirit Sillitoe then delves into his heritage He paints a telling portrait of his maternal grandfather a blacksmith who hated dogs despised the people who loved him and was blinded in one eye by a shred of steel Separated from society by his illiteracy and both feared and respected for his instinctual cunning Ernest was a tyrant to his wife and eight children a hardworking provider and a talented craftsman On his father's side of the family Sillitoe explores the life of his uncle Edgar the darling of the family who enlisted in the British army when the Great War began in 1914 However when the young man discovered that his service consisted of dysentery haircuts and taking orders he sensibly deserts To avoid the military police he leaves Nottingham and bicycles furiously on the back roads to his sister's house in Hinkley but is caught a few days later in a pub and sent back to his battalion A persistent man Edgar deserts a second time and hides out in the forest but again he is captured and sent just in time to join the Sherwood Foresters on the first day of the Battle of the Somme *Raw Material* spans a century of family history and legends interweaving personal memories with collected facts and hearsay The kitchen sink realism Sillitoe is known for takes on a more philosophical and transparent approach in this innovative self portrait that explores the base matter and inspirations of the esteemed British novelist's life work
