Raymond Carver An Oral Biography:

Raymond Carver Sam Halpert,1995-04-01 Raymond Carver has become a literary icon for our time When he died in 1988 at the age of fifty he was acclaimed as the greatest influence on the American short story since Hemingway Carver s friends were the stuff of legend as well In this rich collection greatly expanded from the earlier When We Talk about Raymond Carver of interviews with close companions acquaintances and family Sam Halpert has chronologically arranged the reminiscences of Carver s adult life recalling his difficult Bad Raymond days through his second life as a recovering alcoholic and triumphantly successful writer The result is a spirited Irish wake toasts anecdotes lies songs confessions laments all beautifully orchestrated by Halpert into a very readable and moving narrative These funny poignant intensely remembered interviews juxtapose personal anecdotes and enlightening criticism Memory mixes with analysis and a lively picture of Carver emerges as we hear different stories about him of the same story told from different viewpoints He is here presented as hero victim and even villain Carver s readers will recognize the woof and warp of his stories in these affectionate narratives

The Poetry of Raymond Carver Sandra Lee Kleppe,2016-02-24 Best known as one of the great short story writers of the twentieth century Raymond Carver also published several volumes of poetry and considered himself as much a poet as a fiction writer Sandra Lee Kleppe combines comparative analysis with an in depth examination of Carver s poems making a case for the quality of Carver s poetic output and showing the central role Carver s pursuit of poetry played in his career as a writer Carver constructed his own organic literary system of autopoetics a concept connected to a paradigm shift in our understanding of the inter relatedness of biological and cultural systems This idea is seen as informing Carver s entire production and a distinguishing feature of Kleppe s book is its contextualization of Carver s poetry within the complex literary and scientific systems that influenced his development as a writer Kleppe addresses the common themes and intertextual links between Carver s poetry and short story careers situates Carver s poetry within the love poem tradition explores the connections between neurology and poetic memories and examines Carver s use of the elegy genre within the context of his terminal illness Tellingly Carver s poetry which has aroused slight interest among literary scholars is frequently taught to medical students This testimony to the interdisciplinary implications of Carver s work suggests the appropriateness of Kleppe s culminating discussion of Carver s work as a bridge between the fields of literature and medicine

Raymond Carver's Short Fiction in the History of Black Humor Jingqiong Zhou,2006 This first book length study on the black humor in Raymond Carver s work includes valuable interpretations of Carver s aesthetics as well as the psycho social implications of his short fiction The presence of an indeterminate menace in the oppressive situations of black humor in Carver as compared to a European tradition of existentialist writing and his American predecessors including Twain Heller Barth and others is mitigated through humor so it is not dominant As a result a subtle promise emerges in the characters lives

Literary Afterlife of Raymond Carver *The Visual Poetics of Raymond Carver* Ayala Amir, 2010-07-17 The Visual Poetics of Raymond Carver draws on the study of visual arts to illuminate the short stories of noted author Raymond Carver in the broader context of vision and visualization in a literary text Ayala Amir examines Carver's use of the eye of the camera technique Amir uncovers the tensions that structure his visual aesthetics and examines assumptions that govern scholarly discussions of his work relating these matters to the complex nature of photography and to the current visual turn of cultural studies The research uses visual approaches to reflect upon traditional issues of narrative study duration dialogue narration description frame character and meaning Amir shows how Carver's visual aesthetics shapes the meaning of his stories while also challenging accepted notions of the boundaries of the literary Paradigms of Authority in the Carver Canon Péter Bocsor, 2015-04-16 Raymond Carver's personal story as a writer became publicly known through an unusually intense cooperation with his literary agent Gordon Lish Carver's career can be viewed as the story of a fight for the control of his writerly voice in which he is doomed to fail due to the heterogeneity characterizing the genesis of his works The parallel versions of the same stories in the Carver canon not only pose a threat to any attempt of a simplistic evaluation of his literary legacy but also raise questions about the authority of the writer The author of the present book considers the choices Carver Lish and other editors made part of the collective social act of manufacturing and attempts to carry out a neutral analysis of the various versions **Carver Across the Curriculum** Katherine Ashley, Paul Benedict Grant, 2020-05-15 Raymond Carver's canonical status is secure his short stories appear regularly in all of the major literary anthologies and his fiction and poetry are taught at universities around the world Despite this there are few instructional aids to teaching Carver's work at university level and none that take into account the interdisciplinary nature of many modern university courses Carver Across the Curriculum addresses these needs Drawing on the experiences and expertise of a group of international scholars it presents a variety of innovative interdisciplinary approaches to teaching Carver's work at the undergraduate and postgraduate levels The chapters cover a wide range of disciplines including music creative writing translation humor studies food studies the medical humanities and the visual and performing arts As such the collection serves as a guide and a source of inspiration to instructors and offers readers new insights into Carver's fiction and poetry **Joycean Legacies** Martha C. Carpentier, 2015-04-28 These twelve essays analyze the complex pleasures and problems of engaging with James Joyce for subsequent writers discussing Joyce's textual stylistic formal generic and biographical influence on an intriguing selection of Irish British American and postcolonial writers from the 1940s to the twenty-first century Not Far From Here Vasiliki Fachard, Robert Miltner, 2014-03-25 Hailed as the American Chekhov by the Times Literary Supplement Raymond Carver is the most popular and influential American short story writer since Ernest Hemingway His works have been adapted to film and translated into more than twenty languages Yet despite this international appeal the critical attention to his writing has originated mostly in the US In an attempt to expand the scope and range of Carver criticism Not Far From Here The Paris

Symposium on Raymond Carver based on papers delivered at the International Conference of the Raymond Carver Society at the University of Paris XII on the occasion of the twentieth anniversary of the author's death offers an engaging conversation by both emerging and established international scholars from France Italy Spain Norway Switzerland Canada and the US Literary studies biographical studies film theory textual editing intertextual analysis cultural studies feminism semiotics mythology existentialism metafictional analysis representationalism symbolism humanism and Lacanian criticism all have some presence in this collection of essays Not Far From Here provides readers and scholars alike with new and multinational insights into Carver's poetry and fiction

The Art of Editing Tim Groenland, 2019-02-21 The place of the editor in literary production is an ambiguous and often invisible one requiring close attention to publishing history and often inaccessible archival resources to bring it into focus In *The Art of Editing* Tim Groenland shows that the critical tendency to overlook the activities of editors and to focus on the solitary author figure neglects important elements of how literary works are acquired developed and disseminated Focusing on selected works of fiction by Raymond Carver and David Foster Wallace authors who represent stylistic touchstones for US fiction of recent decades Groenland presents two case studies of editorial collaboration Carver's early stories were integral to the emergence of the Minimalist movement in the 1980s while Wallace's novels marked a generational shift towards a more expansive maximal mode of narrative The role of their respective editors however is often overlooked Gordon Lish's part in shaping the form of Carver's early stories remains under explored analyses of Wallace's fiction meanwhile tend to minimise Michael Pietsch's role from the creation of *Infinite Jest* during the mid 1990s until the present day Drawing on extensive archival research as well as interviews with editors and collaborators Groenland illuminates the complex and often conflicting forms of agency involved in the genesis of these influential works The energies and tensions of the editing process emerge as essential factors in the creation of fictions more commonly understood within the paradigm of solitary authorship The mediating role of the editor is Groenland argues inseparable from the development form and reception of these works
