**Raymond Pettibon**, 2012 Raymond Pettibon Ralph Rugoff, 2016-11-22 The definitive collection of Raymond Pettibon's art spanning from his early flyers for the influential punk band Black Flag through his most recent political work including much unpublished material Perhaps unlike any artist of his generation Raymond Pettibon best captured the discontent and counterculture spirit of the late 1970s and early 80s in America Immersed in the punk scene in Southern California Pettibon devoted his earliest work to flyers for Black Flag and zines that he created and sold in local record stores His distinctive style took shape in those early days slyly sophisticated pen and ink drawings with cartoonlike flourishes With biting irony and a searing wit Pettibon let loose on the hypocrisies and greed of the capitalist political machine His work captured the attention of the L A art scene and eventually the larger art world This book produced in close collaboration with the artist is the most comprehensive volume on Pettibon's work to date It explores his art over the past thirty years including many previously unpublished works as well as works from zines and posters and excerpts from screenplays Also included is a collaboration between Jonathan Lethem and the artist commissioned specifically for the book This extraordinary package is fitting for an artist of his import and influence

Americanus presents over six hundred works from every part of the artist's career the majority of which have never been shown before Philosophically profound deeply literary and biting in his satire Raymond Pettibon is the foremost draftsman of his generation and one of America's most important contemporary artists Approaching high and low subject matter with equal appetite and comfort Pettibon plumbs the depths of American sexuality politics subcultures mores and intellectual histories through themes ranging from Shakespeare to Gumby surfers to the Bible baseball to German Romanticism Arranged thematically in thirty two chapters Raymond Pettibon Homo Americanus charts the appearance and development of the themes that have come to define Pettibon's expansive oeuvre Different sections are introduced with excerpts from interviews conducted with the artist and are further discussed in a detailed appendix by curator Ulrich Loock Beyond shedding valuable light on the genesis and cross pollination of Pettibon's thematic interests this catalogue is the first to tackle the artist's work as a whole as a kind of hive mind of American culture whose various branches constantly address and reinterpret one another Of particular interest are Pettibon's own readings of individual works in the book In excerpts paired with corresponding images Pettibon guides readers through his complex often meandering turns of thought never condescending they invite readers to enter more deeply into his thinking without sacrificing the intellectual rigor and sense of mystery that makes Pettibon's work so compelling and challenging The book includes a complete facsimile of his first artist's book Captive Chains almost entirely unavailable for decades in addition to numerous early drawings completed with his nephew record covers flyers and sections dedicated to collages and drawings from the 1980s to today Also featured are biographical notes compiled by Lucas Zwirner offering a nuanced insightful reading of Pettibon's history whose early life and work is often simplified and categorically tied to punk rock and instead underscores the complexities surrounding the artist's long standing relationship with art literature and American culture This unparalleled selection of Pettibon's work is the definitive single volume for novices and experts alike
