The Futures of the Present: New Directions in (American) Literature Danuta Fjellestad, David Watson, 2018-04-19 It has become a critical commonplace that postmodernism no longer serves as an adequate designation for contemporary literature But what comes after postmodernism What are the tendencies and directions within contemporary American literature that promise to shape its future The contributions to this book are written in the shadows of new media a turn towards the nonhuman in critical thinking and a surge in environmental and apocalyptic thought Engaging with such contemporary debates the authors map the rapidly changing ecosystem of contemporary literary genres

and forms and attend to transformations in the production reception and circulation of books This book takes for granted that American literature does have a future although whatever this future holds it is unlikely to be what we expect At this historical juncture the American novel seems to carve its future though an engagement with issues at the forefront of our present thereby ensuring its own ongoing contemporaneity This book was originally published as a special issue of *Studia Neophilologica* Reader's Guide to Literature in English Mark Hawkins-Dady,2012-12-06

Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **Author Fictions** Ingo

Berensmeyer,2023-10-04 Fictional novelists and other author characters have been a staple of novels and stories from the early nineteenth century onwards What is it that attracts authors to representing their own kind in fiction *Author Fictions* addresses this question from a theoretical and historical perspective Narrative representations of literary authorship not only reflect the aesthetic convictions and social conditions of their actual authors or their time they also take an active part in negotiating and shaping these conditions The book unfolds the history of such author fictions in European and North American texts since the early nineteenth century as a literary history of literary authorship ranging from the Victorian bildungsroman to contemporary autofiction It combines rhetorical and sociological approaches to answer the question how literature makes authors Identifying author fictions as narratives that address the fragile material conditions of literary creation in the actual and symbolic economies of production Ingo Berensmeyer explores how these texts elaborate and manipulate concepts and models of authorship This book will be relevant to English American and comparative literary studies and to anyone interested in the topic of literary authorship Winifred Holtby's Social Vision Lisa Regan,2015-10-06

Winifred Holtby 1898 1935 is best known today for her friendship with fellow feminist and pacifist Vera Brittain and for her last novel *South Riding* This is the first monograph to provide a literary criticism of Holtby's social philosophy and presents in depth readings of all her major works as well as some of her less well known writing A Fragile Inheritance Saloni Mathur,2019-10-22 Saloni Mathur investigates the radical work of two seminal figures New Delhi based critic and curator Geeta Kapur and her husband contemporary multimedia artist Vivan Sundaram to show how their approach to artistic practice and theory may inform subsequent generations and serve as a model for artistic politics in our time

*Contemporary Literary and Cultural Theory* Michael Groden,Martin Kreiswirth,Imre Szeman,2012-11-01 This helpful guide serves as an introduction to contemporary literary theory *Contemporary Literary and Cultural Theory* The Johns Hopkins Guide is a clear accessible and detailed overview of the most important thinkers and topics in the field Written by specialists from across disciplines its entries cover contemporary theory from Adorno to i ek providing an informative and reliable introduction to a vast challenging area of inquiry Materials include newly commissioned articles along with essays

drawn from The Johns Hopkins Guide to Literary Theory and Criticism known as the definitive resource for students and scholars of literary theory and for philosophical reflection on literature and culture *Victorian Transformations* Dr Bianca Tredennick, 2013-05-28 Proposing the concept of transformation as a key to understanding the Victorian period this collection explores the protean ways in which the nineteenth century conceived of responded to and created change The volume focuses on literature particularly issues related to genre nationalism and desire For example the essays suggest that changes in the novel's form correspond with shifting notions of human nature in Victor Hugo's *Notre Dame de Paris* technical forms such as the villanelle and chant royal are crucial bridges between Victorian and Modernist poetics Victorian theater moves from privileging the text to valuing the spectacles that characterized much of Victorian staging Carlyle's *Past and Present* is a rallying cry for replacing the static and fractured language of the past with a national language deep in shared meaning Dante Gabriel Rossetti posits unachieved desire as the means of rescuing the subject from the institutional forces that threaten to close down and subsume him and the return of Adelaide Anne Procter's fallen nun to the convent in *A Legend of Provençe* can be read as signaling a more modern definition of gender and sexuality that allows for the possibility of transgressive desire within society The collection concludes with an essay that shows neo-Victorian authors like John Fowles and A S Byatt contending with the Victorian preoccupations with gender and sexuality **Small Towns, Austere Times**

Steve Hanson, 2014-09-26 This book explores small town austere Britain The text argues for a return to both dialectical thinking and politicized community research in light of the current austere landscape in order to intellectually militate against centre right think tanks It also urges for a kind of epistemological anarchism which refuses to view the small towns which are the subject of the book through existing common sense paradigms particularly those of state and capital but also those of cosy localism *Hardy and His Readers* T. Wright, 2003-04-25 This study examines Hardy's prolonged struggle with his contemporary readers whose bourgeois values he despised Initially content to compromise to provide them with congenial entertainment Hardy resorted at first to strategies of subversion smuggling material past his editors and finally to outspoken attack Professor T R Wright attempts to balance historical research into the response of actual readers and the material conditions of publishing with literary critical analysis of the implied reader inscribed in the novels themselves

The Literary Theory Handbook Gregory Castle, 2013-05-21 The Literary Theory Handbook introduces students to the history and scope of literary theory showing them how to perform literary analysis and providing a greater understanding of the historical contexts for different theories A new edition of this highly successful text which includes updated and refined chapters and new sections on contemporary theories Far reaching in its inclusion of a detailed history of theory and in depth discussions of major theories and movements Four distinct perspectives on theory historical thematic biographical practical are carefully intertwined so that key concepts terms and ideas are developed in different contexts and cross referenced in the text and in the index Includes alphabetically arranged biographies designed for quick reference and sample readings to

illustrate the practical application of theory
