Re Imaging Japanese Women

Anne E. Imamura

Re Imaging Japanese Women:

Re-Imaging Japanese Women Anne E. Imamura, 1996-07-31 *Re Imaging Japanese Women* takes a revealing look at women whose voices have only recently begun to be heard in Japanese society politicians practitioners of traditional arts writers radicals wives mothers bar hostesses department store and blue collar workers This unique collection of essays gives a broad interdisciplinary view of contemporary Japanese women while challenging readers to see the development of Japanese women's lives against the backdrop of domestic and global change These essays provide a second generation analysis of roles issues and social change The collection brings up to date the work begun in Gail Lee Bernstein's *Recreating Japanese Women 1600-1945* California 1991 exploring disparities between the current range of images of Japanese women and the reality behind the choices women make

Reimagining Japanese Education David Blake Willis, Jeremy Rappleye, 2011-05-16 Sparked by the confluence of accelerating domestic transformation and increasingly explicit impacts from globalization the Japanese education system has undergone tremendous changes during the turbulence of the past decade This volume which brings together some of the foremost scholars in the field of Japanese education analyzes these recent changes in ways that help us reimagine Japan and Japanese educational change at this critical juncture Rather than simply updating well worn Western images of Japan and its educational system the aim of the book is a much deeper critical rethinking of the outmoded paradigms and perspectives that have rendered the massive shifts that have taken place in Japan largely invisible to or forgotten by the outside world This reimagining thus restores Japan to its place as a key comparative link in the global conversation on education and lays out new pathways for comparative research and reflection Ranging widely across domains of policy and practice and with a balance of Japanese and foreign scholars the volume is also indicative of new directions in educational scholarship worldwide approaches that center global interactions on domestic education and contribute to a far greater recognition of the polycentric polycontextual World unfolding today This book will be of keen interest to scholars of education worldwide as well as those working in and across anthropology sociology policy studies political science and area studies given that contemporary transformations in Japan at once reflect and approximate political social and educational shifts occurring throughout the World in the early decades of the 21st century

Japanese Women: Emerging from Subservience, 1868-1945, 2021-10-01 For the first time many of the world's leading scholars in the field of Japanese women's history met in Edinburgh in 2003 and presented papers addressing the themes of Pioneering Women in Japan and General Issues in Japanese Women's History This volume containing most of the papers which have been specially edited and revised for publication together with an in depth contextual Introduction by Dr Hiroko Tomida and Dr Gordon Daniels is the outcome By definition therefore the volume contains some of the most recent findings in this field in Japan Australia the United States and the UK and introduces new approaches to studying Japanese women's history In addition it contains a special contribution on Ichikawa Fusae by Professor Barbara Molony

Unmarried Women in Japan

Akiko Yoshida, 2016-11-10 Yoshida addresses the common misconceptions of single never married women and aims to uncover the major social and cultural factors contributing to this phenomenon in Japan Based on interviews with married and never married women aged 25-46 she argues that the increasing rate of female singlehood is largely due to structural barriers and a culture that has failed to keep up with economic changes Here is an academic book that is also reader friendly to the general audience it presents evidence from the interview transcripts in rich detail as well as insightful analysis Important sociological concepts and theories are also briefly explained to guide student readers in making connections Thus this book not only serves to enlighten readers on current issues in Japan it also provides sociological perspectives on contemporary gender inequality

Women's Employment in Japan Kaye Broadbent, 2012-11-12 The low status accorded to part time workers in Japan has resulted in huge inequalities in the workplace This book examines the problem in depth using case study investigations in Japanese workplaces and reveals the extent of the inequality It shows how many part time workers most of whom are women are concentrated in low paid low skilled poorly unionised service sector jobs Part time workers in Japan work hours equivalent to or greater than full time workers but receive lower financial and welfare benefits than their full time colleagues Overall the book demonstrates that the way part time work is constructed in Japan reinforces and institutionalises the sexual division of labour

The End of Transgression in Japanese Women's Writing David S. Holloway, 2024-12-31 This book argues for a new articulation of the ways in which transgression is theorized in contemporary literature by Japanese women Exploring the rhetorical and discursive mechanics of literary bad girls from fiction produced during the millennial turn 1990-2010 the book contends that women writers today deploy truant unruly restless and aggressive female protagonists not to challenge the status quo but rather to reaffirm it While Japanese women's fiction has long been invested in cultivating an uncomfortable politics of opposition through unladylike themes such as sex sexuality and violence the book argues that today authors turn to such acts of defiance to quietly advocate for the primacy of Japanese social order Showing how transgression has not only lost its political and disruptive valence in contemporary women's fiction this book further reveals how discourses of dissent can be retooled to promote a conservative worldview A fascinating literary analysis which reads Japanese literature in relation to the receding value of rebellion today this book will be of huge interest to students and scholars of Japanese literature gender and cultural studies

Japanese Language, Gender, and Ideology Shigeko Okamoto, Janet S. Shibamoto Smith, 2004-10-28 *Japanese Language Gender and Ideology* is a collection of previously unpublished articles by established as well as promising young scholars in Japanese language and gender studies The contributors to this edited volume argue that traditional views of language in Japan are cultural constructs created by policy makers and linguists and that Japanese society in general and language use in particular are much more diverse and heterogeneous than previously understood This volume brings together studies that substantially advance our understanding of the relationship between Japanese language and gender with particular focus on examining local linguistic practices in

relation to dominant ideologies Topics studies include gender and politeness the history of language policy language and Japanese romance novels and fashion magazines bar talk dictionary definitions and the use of first person pronouns The volume will substantially advance the agenda of this field and will be of interest to sociolinguists anthropologists sociologists and scholars of Japan and Japanese Bicycle Citizens Robin M. LeBlanc, 1999-03-05 A gem of a book LeBlanc brings the women she studies to life leading us down the side streets and back alleys of Tokyo suburbia trundling along on a clunker bicycle and exploring how homemakers get involved in the grassroots level of politics Glenda Roberts author of *Staying on the Line* *Modern Japanese society / edited by Josef Kreiner, Ulrich Hohwald and Hans Dieter Olschleger*. Josef Kreiner, Ulrich Mèohwald, Hans Dieter Ölschleger, 2004 Is Japanese society essentially different from other modern industrialized societies or not This survey work with contributions from the leading scholars in this complicated field presents a full overview of the most important aspects of Japanese society which may lead the reader to find an answer to these two often asked questions Japanese society defined as those institutions shaping the life of individuals and groups as well as being responsible for the dynamics of social development is shown to be as modern as any other industrialized society definitely distinct though are the ways in which institutions are defined and organised as a result of different social and historical roots of the process of modernization Women's Sexualities and Masculinities in a Globalizing Asia S. Wieringa, E. Blackwood, A. Bhaiya, 2007-04-30 Through detailed studies this collection of writings by academics and activists explores the emergence of contemporary lesbian and butch femme relationships and communities throughout Asia and their location within the context of nationalist struggles religious fundamentalism state gender regimes and global queer movements *Young Women in Japan* Kaori H. Okano, 2009-02-19 This book examines young women in Japan focusing in particular on their transitions to adulthood their conceptions of adulthood and relations with Japanese society more generally It considers important aspects of the transition to adulthood including employment marriage divorce childbirth and custody

The Other Women's Lib Julia C. Bullock, 2019-01-31 The Other Women s Lib provides the first systematic analysis of Japanese literary feminist discourse of the 1960s a full decade before the women s lib movement emerged in Japan It highlights the work of three well known female fiction writers of this generation Kono Taeko Takahashi Takako and Kurahashi Yumiko for their avant garde literary challenges to dominant models of femininity Focusing on four tropes persistently employed by these writers to protest oppressive gender stereotypes the disciplinary masculine gaze feminist misogyny odd bodies and female homoeroticism Julia Bullock brings to the fore their previously unrecognized theoretical contributions to second wave radical feminist discourse In all of these narrative strategies the female body is viewed as both the object and instrument of engendering Severing the discursive connection between bodily sex and gender is thus a primary objective of the narratives and a necessary first step toward a less restrictive vision of female subjectivity in modern Japan The Other Women s Lib further demonstrates that this gender trouble was historically embedded in the socioeconomic

circumstances of the high growth economy of the 1960s when prosperity was underwritten by an increasingly conservative gendered division of labor that sought to confine women within feminine roles Raised during the war to be good wives and wise mothers yet young enough to take advantage of the opportunities presented to them by Occupation era reforms the authors who fueled the 1960s boom in women's literary publication staunchly resisted normative constructions of gender crafting narratives that exposed or subverted hegemonic discourses of femininity that relegated women to the negative pole of a binary opposition to men Their fictional heroines are unapologetically bad wives and even worse mothers they are often wanton excessive or selfish and brazenly cynical with regard to traditional love marriage and motherhood The Other Women's Lib affords a cogent and incisive analysis of these texts as feminist philosophy in fictional form arguing persuasively for the inclusion of such literary feminist discourse in the broader history of Japanese feminist theoretical development It will be accessible to undergraduate audiences and deeply stimulating to scholars and others interested in gender and culture in postwar Japan Japanese women writers or Japanese feminism

Female Well-Being Janet Mancini Billson, 2005-09 This book provides case studies written by country teams of scholars educators and policy analysts from around the world which document key trends from 1900 to 2000 in infant mortality maternal mortality literacy life expectancy education work income family structure and political power The teams analyzed the trends in light of the century's major events legislative initiatives social policies and leadership

Technology, Communication, Disparities and Government Options in Health and Health Care Services Jennie Jacobs Kronenfeld, 2014-09-02 This volume includes papers related to issues of technology communication health disparities and government options in health and health care services It fills an existing gap by providing a clear sociological overview and focus on these topics

Sustainability, Diversity, and Equality: Key Challenges for Japan Kimiko Tanaka, Helaine Selin, 2023-07-28 This book enables readers to understand contemporary Japanese society and culture Since it is written by experts it allows readers to start with any chapters they are interested in It also provides a unique way to introduce Japanese society and culture to those who have never visited or studied Japanese society by reading articles from various authors on topics such as gender family economy natural disasters and politics and laws It provides scholars academics graduate students and the general educated audience all the information required to understand contemporary Japanese society and culture fully and see the diverse perspectives available

Extraordinary Anthropology Jean-Guy Goulet, Bruce Granville Miller, 2007-01-01 What happens when anthropologists lose themselves during fieldwork while attempting to understand divergent cultures When they stray from rigorous agendas and are forced to confront radically unexpected or unexplained experiences In Extraordinary Anthropology leading ethnographers from across the globe discuss the importance of the deeply personal and emotionally volatile ecstatic side of fieldwork Anthropologists who have worked in communities in Central America North America Australia Africa and Asia share their intimate experiences of transformations in the field through details of significant dreams haunting visions and their own conflicting emotional tensions

Their experiences demonstrate the necessary fluidity of research agendas the value of going beyond an accepted and safe cultural and academic vantage point and the inevitability of wrestling with tension and unhappiness when faced with irreconcilable cultural and psychological dichotomies The contributors explore ways in which conventional research methods can be adapted to creatively engage the intellectual ethical and practical dimensions of these dislocations and capitalize on them Unsettling and revealing Extraordinary Anthropology will spark debate and reflection among anthropologists for years to come

Feminist Movements in Contemporary Japan Laura Dales,2009-06-26 The book investigates the features and effects of feminism in contemporary Japan in non government NGO women s groups government run women s centres and the individual activities of feminists Based on two years of fieldwork conducted in Japan and drawing on extensive interviews and ethnographic data it argues that the work of individual activists and women s organisations in Japan promotes real and potential change to gender roles and expectations among Japanese women

Offender Care and Support by Families in Contemporary Japan Mari Kita,2023-09-01 Because people s contact with the criminal justice system comes in different shapes and forms scholars are now broadening their analytical scope and examining the overall repercussions of criminal justice contact on families of offenders Compared to Western societies Japan is known for its lower crime rates and more pronounced use of informal social control Thus it offers a useful research site for examining how families in a low crime society experience criminal justice contact and how they function as an integral part of the nation s crime control mechanism This book considers the role of the family in the lives of offenders and the criminal justice system in Japan Looking particularly at gender and patriarchal power relations it reveals how cultural notions of femininity prompt the criminal justice system to rely on women as its proxy This book explores how families of offenders often step in to fill the voids left by criminal justice institutions and social services to provide offenders with all inclusive care The burden of supervising and rehabilitating offenders on top of the expectation to atone for the crimes also renders families ambivalent and ashamed Whereas the state and criminal justice authorities tend to see offenders families as a crucial resource for prisoner reentry this book highlights the necessity for addressing families needs before automatically assuming their support It also pushes the boundaries of feminist criminology by showing how women can be affected by male criminality and male dominated criminal justice institutions other than as victims and offenders An accessible and compelling read this book will appeal to students and scholars of criminology sociology gender studies Japanese culture and all those interested in learning more about the criminal justice system in Japan

Rethinking Japanese Feminisms Julia C. Bullock,Ayako Kano,James Welker,2018-03-31 Rethinking Japanese Feminisms offers a broad overview of the great diversity of feminist thought and practice in Japan from the early twentieth century to the present Drawing on methodologies and approaches from anthropology cultural studies gender and sexuality studies history literature media studies and sociology each chapter presents the results of research based on some combination of original archival research careful textual analysis

ethnographic interviews and participant observation The volume is organized into sections focused on activism and activists employment and education literature and the arts and boundary crossing Some chapters shed light on ideas and practices that resonate with feminist thought but find expression through the work of writers artists activists and laborers who have not typically been considered feminist others revisit specific moments in the history of Japanese feminisms in order to complicate or challenge the dominant scholarly and popular understandings of specific activists practices and beliefs The chapters are contextualized by an introduction that offers historical background on feminisms in Japan and a forward looking conclusion that considers what it means to rethink Japanese feminism at this historical juncture Building on more than four decades of scholarship on feminisms in Japanese and English as well as decades more on women s history Rethinking Japanese Feminisms offers a diverse and multivocal approach to scholarship on Japanese feminisms unmatched by existing publications Written in language accessible to students and non experts it will be at home in the hands of students and scholars as well as activists and others interested in gender sexuality and feminist theory and activism in Japan and in Asia more broadly

Widows of Japan Debora Aoki, 2010 The author examines widowhood in Japanese society through an anthropological lens It discusses the history of the Japanese widow as compared her to her Chinese and Korean counterparts Gender roles the government s role particularly in respect to war widows religion and the changing face of widowhood today are also considered

Re Imaging Japanese Women Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Re Imaging Japanese Women PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Re Imaging Japanese Women PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Re Imaging Japanese Women free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Re Imaging Japanese Women Books

What is a Re Imaging Japanese Women PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Re Imaging Japanese Women PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Re Imaging Japanese Women PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Re Imaging Japanese Women PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Re Imaging Japanese Women PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator,

such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
