**A Gentle Path Through the 12 Steps and 12 Principles Bundle** Patrick J Carnes, 2012-07-17 Two book bundle Essential Twelve Step Recovery Guides from renown author Patrick Carnes Ph D It was out of his reverence and respect for the wisdom and therapeutic value of the Twelve Steps that author Patrick Carnes wrote A Gentle Path through the Twelve Steps now a recovery classic and self help staple for anyone looking for guidance for life s hardest challenges Hundreds of thousands of people have found in this book a personal portal to the wisdom of the Twelve Steps With updated and expanded concepts and a focus on the spiritual principles that lead to lifelong growth and fulfillment Carnes new edition invites a fresh generation of readers to the healing and rewarding experience of Twelve Step recovery A Gentle Path through the Twelve Principles outlines twelve guiding principles to help those in recovery These principles have existed among fellowships as a hidden curriculum of fundamental truths about recovery for decade but never before have them been distilled into a succinct set of values that when practiced help each of us to develop an essential skill set for life The principles such universal touchstones for human self realization as acceptance awareness responsibility openness and honesty are concepts that enable a deep inner study and focus to make a new life happen in recovery

**The Practice of Radiology Education** Teresa van Deven, Kathryn M. Hibbert, Rethy K. Chhem, 2009-10-13 The practice of radiology education challenges and trends will provide truly helpful guidance for those of you involved in teaching and training in radiology The goal of this book is ultimately to improve patient care As a companion piece to the first book radiology education the scholarship of teaching and learning this book focuses on applying the concepts at a practical level that can be applied flexibly within educational programs for radiology residents and fellows in any medical imaging learning environment This book focuses on the application of scholarship in terms of the dissemination of useful testable and reproducible information to others It links educational theory with practice and for those of you who

wish to explore educational practice further a number of chapters suggest additional readings and resources The publication is timely and congruent with one of the most important twenty first century trends in medical education the move from amateurism to professionalism in teaching In the past medical schools and other health professions training institutions have been criticized for their resistance to the adoption of the science of medical education Very few of us learned how to teach as medical students and most of us have our teaching responsibilities thrust on us with little preparation The award of a basic medical degree was assumed to carry with it basic teaching expertise unfortunately an unwarranted assumption in some cases

**Re-visioning Science Education from Feminist Perspectives**, 2010-01-01 Women in science education are placed in a juxtaposition of gender roles and gendered career roles Using autobiography and auto ethnography this book examines the challenges and choices of academic women in science education and how those challenges have changed or remained consistent since women have become a presence in science education The book's contributors span a temporal and spatial continuum and focus on how a variety of issues relate to the paradoxes for academic women in science education Science is characterized as a masculine endeavor while teaching is described as women's true profession Thus female academics involved in science education are positioned in two paradoxes First as teachers they are involved in a feminized profession However within that profession women faculty in science education work in a discipline viewed as a masculine enterprise Further these women work in educational institutions that have higher status and prestige than their sisters in elementary middle or high schools Second female professors are bearded mothers Women who have engaged in science education value rationality and logic and assume authority as participants in academe The use of logic the acceptance of authority and the assumption of power are masculine gender stereotyped characteristics This situation places women in a paradox because others including peers and students expect them to display stereotypic female gender dispositions such as mothering nurturing sacrificing their needs for others and a commitment to the institution The topics include discussing how their engagement with science impacted their career trajectories and redirection from science to science education the relationships of cultural and racial factors on career trajectories and the dialectical relationship between women's private public lives and their agency collective and individual in the academy and its enactment within academic fields The book documents the lives and careers of academic women in science education from the United States Australia the Caribbean United Kingdom and Europe

*Museums and Source Communities* Alison K. Brown, Laura Peers, 2005-06-28 This volume combines some of the most influential published research in this emerging field with newly commissioned essays on the issues problems and lessons involved in collaborating museums and source communities Focusing on museums in the UK North America and the Pacific the book highlights three areas which demonstrate the new developments most clearly the museum as field site or contact zone a place which source community members enter for purposes of consultation and collaboration visual repatriation the use of photography to return images of ancestors historical moments and material

heritage to source communities exhibition case studies these are discussed to reveal the implications of cross cultural and collaborative research for museums and how such projects have challenged established attitudes and practices As the first overview of its kind this collection will be essential reading for museum staff working with source communities for community members involved with museum programmes and for students and academics in museum studies and social anthropology

**Re-Visioning African Pentecostal-Charismatic Ecclesiology in the Public Sphere** Christian Tsekpoe, Lord Elorm Donkor, 2024-09-05 Despite the current impressive numerical growth of Pentecostal Charismatic Christianity in Africa there remain some concerns about the extent to which the church is making the desired impact in the public space As the church grows numerically the African continent is ironically plagued with many regrettable stories of corruption bad governance sexual abuse gender discrimination and perversion environmental degradation robbery economic crisis leading to poverty and hunger wars and other social vices This paradoxical increase in vices alongside the demographic growth of the Christian population on the continent has caused many to question the social impact of African Christianity *Re-Visioning African Pentecostal Charismatic Ecclesiology in the Public Sphere* is a response to these observations The contributors to this volume who are made up of seasoned academics theological educators and missiologists and mission practitioners have engaged the subject from multidisciplinary perspectives highlighting significant contributions of African Pentecostalism while pointing out critical areas for urgent attention The volume is intended to stimulate conversations around the church's mandate of influencing the public sphere as an agent of social transformation

**Re-Visioning Lear's Daughters** L. Kordecki, K. Koskinen, 2010-08-16 King Lear is believed by many feminists to be irretrievably sexist Through detailed line readings supported by a wealth of critical commentary *Re-Visioning Lear's Daughters* reconceives Goneril Regan and Cordelia as full characters not stereotypes of good and evil These new feminist interpretations are tested with specific renderings placing the reader in precise theatrical moments Through multiple representations this unique approach demonstrates the elasticity of Shakespeare's text
