Sapphire,2003 An endeavor of love is the only way to aptly depict the motivation and deep love flowing from her heart into this poetry compilation from the outside to the inside Beyond My Reach is unique in that it was written from the free world to an incarcerated lover With much love more than 200 poems were written to express the intense love thriving within this lonely sweetheart during the last four years the length of their heated romance from a distance Ms Sapphire s amorous declarations of devotion were the only inspiration needed to profess her passion and write the first poem I Close My Eyes She never imagined then the poetry would someday amass into a quantity great enough to fill a book Written solely to verbalize new emotions of love each poem in this book was inspired by one young man confined behind tall concrete walls and razor wire of the penal system BEYOND THE WALLS Each day you face a dismal existence Wondering what s beyond that prison wall So many youthful years you ve wasted What made you err you barely recall Double locked doors quarantine your life In triple layered concrete cages Tall dual fences loops of razor wire Stand sentinel over inmates of all ages Incarceration has taken a deadly toll on you Never trusting dreading each new dawn Privacy embezzled by constant vigilance Leaves you silent fearful and withdrawn The world is soon forgotten behind the walls As you obey endless ever changing rules Constantly watching your back danger lurks Fearing brawls protecting your family jewels Being an inmate with untainted record Double locked doors will surely open for you Living on the outside can soon resume You ve learned your lesson freedom is overdue Your true love awaits you beyond those walls When you re thrust from that dismal womb Born again to embark on a new journey You ll emerge from your dungeon of doom March 12 2001 For more information please go to the [www.mesapphire.com](http://www.mesapphire.com) *Liahona* ,1917 **The Reach of the**

**Art, Passion, Poetry** Barbara Sher Tinsley,2015-11-22 Says the author Art Passion Poetry was inspired largely by

the fact that with teaching research writing and painting I have had less time for playing the piano which I dearly love and have played since age five I have transmuted the musical urge into a different kind of music poetry where I think my musical instincts are more developed than at the keyboard However the words of poems are as notes to me and each line a chord or arpeggio or trill that when the poem ends has given me a distinct piece of music with reflections of lived experience memory creativity analysis passion My poems are musical pieces When I finished selecting the right poems for my title I realized that I had written a musical or poetic memoir of my life one that has adhered from a love of linguistic and historical analysis together with Art Passion Poetry Art Passion Poetry all play a part in each poem of this collection in a particular way and usually in more than one way often quite unanticipated The poem s title may or may not reveal the major theme or themes of that poem There are often choices of ethics aesthetics sensuality and even cultural and political values that readers may be obliged to make to arrive at a conclusion near or far from the poet s This is because Barbara Sher Tinsley believes that poetry places at least as much responsibility on the reader as on her own shoulders while recognizing in a profound way that the transmission of any poem is a shared task one of decoding the artistry and passion of each offering She also engages her readers in conversations as significant to our human experience whether creative or procreative or merely sensuous as others that contribute to our economic educational professional or mental well being Readers will discover that art poetry and passion are really one
