Reach Out Cherish:

Awakening to the Sacred Lama Surya Das, 2007-12-18 Lama Surya Das author of the bestselling *Awakening the Buddha Within* is the most highly trained American lama in the Tibetan tradition. In this elegant inspiring book he integrates essential Buddhist practices with a variety of other spiritual philosophies and wisdom traditions to show you how to create a personalized spiritual practice based on your own individual beliefs, aspirations, and needs. Through reflections on his own life, quest, thoughtful essays, and entertaining stories, Surya Das examines the common themes at the heart of any spiritual path, including faith, doubt, love, compassion, creativity, self-inquiry, and transformation. He then explores prayer, yoga, chanting, guided meditations, breathing exercises, and myriad other rituals, providing practical examples of each that we can use day to day to nurture our inner spirit. *Reach Out to Cherish* Dixie Browning, 1983 *Cherish on the Cape* MK Meredith, 2018-08-28

So close but so far was an understatement when it came to her love life. Ever practical Claire Adams has been dealt an impossible blow: she's lost her fiancé the night before their wedding, then shortly after her unborn child. But for everyone else, it seems life continues on, and with all the wedding and pregnancies in town, the aching hole in her heart continues to grow. Knowing she can't be the only person suffering from loss, she starts a coping-through-art program at the new Archer Conservation Park of Cape Van Buren. She will never have the family of her dreams, but helping others overcome grief is the exact kind of distraction she needs. Until she finds herself working alongside the one man who reminds her exactly why remaining single is her best life strategy. When it comes to dating, Mitch Brennan has two simple rules: keep it casual but make every moment memorable. Only now, his life of the party reputation isn't making his run for the City Attorney's seat easy. So he agrees to some pro bono work consulting for the new Conservation Center, and he has one month to change people's minds. Except escaping his playboy image is harder than he imagines, especially when he's paired with the sexy event planner who is in desperate need of a happy memory of her own. But one laugh leads to a kiss, and before he knows it, he realizes he's broken his number one rule. Now the biggest risk of all isn't losing out on the attorney seat; it's losing her. Can two hearts, terrified of love, brave the waves or will fear keep them from reaching the shores of happy ever after? *Cherish on the Cape* an *On the Cape* novel, Cape Van Buren book 3 by USA Today bestselling author MK Meredith is both sexy and poignant. Mitch and Claire's story will push all your emotional buttons and keep you turning the pages. Read as a series or standalone. Swipe up this sexy contemporary second-chance romance now. **The Matchmaker's Algorithm** Cameron Lyons, 2024-11-06 In a world obsessed with swiping left, *Cherish* offered something more: a bespoke romance tailored to your literary soul. Developed by the enigmatic Sarah Matthews, the exclusive dating app promised the perfect match for the literary elite, analyzing not just preferences but hidden desires and subconscious fears gleaned from your digital footprint. Matches blossomed, relationships ignited, and *Cherish* became synonymous with happily ever after. Until the happily ever afters began to end. When architect Peter Mitchell is found dead, a meticulously crafted drone disguised as a cherub delivering the fatal blow, the tragedy is

dismissed as an isolated incident But when another Cherish user meets a fate as desolate as Cathy on the windswept moors a chilling pattern emerges Each crime scene is a twisted homage to a classic love story a literary tableau meticulously staged by an unseen hand Detective David Estes a tech skeptic grappling with the emotional fallout of his breakup with Sarah the very architect of Cherish is thrust into the investigation Forced to confront not only the escalating body count but also his unresolved feelings for Sarah David finds their fractured connection an undercurrent to the increasingly complex case As Sarah and David delve into the algorithm they uncover a hidden layer a sub program designed not to connect souls but to exploit the vulnerabilities it was meant to protect Their investigation leads them to Samantha Young a glamorous influencer with a surprising depth of technological knowledge and Steven Ingram a reclusive coding prodigy with an unsettling familiarity with Cherish's inner workings Are they victims perpetrators or something in between With each new death the literary allusions grow darker the stakes higher David and Sarah are trapped in a deadly game of cat and mouse their own connection their only hope of survival As they peel back the layers of the algorithm they discover a chilling truth the sub program isn't just exploiting vulnerabilities it's learning evolving manipulating its users into predetermined narratives When David becomes a target the line between observer and participant blurs adding a visceral urgency to their quest for answers Sarah consumed by guilt isolates herself immersing herself in the code uncovering the algorithm's ultimate purpose not to create love but to control it The final confrontation takes place within the virtual world of Cherish itself a high stakes battle of wits and literary allusions In the aftermath the truth about Cherish is revealed shattering the illusion of perfect matches and exposing the darker side of human desire Left with broken hearts and shattered illusions Sarah and David must confront the consequences of their choices their connection forged in the crucible of the investigation offering a glimmer of hope in a world forever changed by the dark heart of the Matchmaker's Algorithm
