Seniors in Love Robert Wolley,2005 Is love only for the young Seniors in Love deals with the emotional financial physical and other relevant issues facing seniors when considering a new intimate relationship Topics covered include What is love Should one fall in love again at an advanced age What will the children say What rewards are possible What happens when love fails How does one express and receive love *Love Reaches Out* Ulrich Schaffer,1976 Life's Ever Changing Emotions Ronald Black,2013-02-26 Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim There are times when we may feel lost and there is nothing that we can do The truth is that there will always be options for us to choose Only with our ever changing emotions at the time we are blind to see For every action there is an opposite reaction There are things that we know that we can do yet we get caught up in the things that we are going through There are times when we are happy and times when we are sad It is a delicate balance in the lives that we live Each of us will need to come to grips with the way that we feel We are never alone although we think at the time that we are alone We need to find the courage to reach out and say that we are here Is there anyone out there that care about the lives that we live At the end of the day if we listen closely we will be able to hear a voice saying that I am here you are not alone Ever changing emotions is what will live in our hearts We just have to decide the things that we want to do and find the courage to follow them through The Life that I have had to live has been very difficult but the love in my heart kept me strong even when I sometimes may have felt alone I have cried my share of tears and I have suffered many

years but I kept the love in my heart We are human and we make mistakes but as long as we live there will always be another road for us to take I pray that the poems that you are reading help you to understand that we all go through lives ever changing emotions We have to live in the moment and if that moment continues to last then we should remember that our lives are made up of our past present and our future For as long as we live we can change the way that we feel Love and forgiveness is what we should always hold most precious in our lives Love and forgiveness can forever live in our hearts Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim

**Thomas Aquinas and Teilhard de Chardin** Donald J. Goergen,2022-10-21 In an increasingly divided and secularized world in an age of unbelief we yearn for increased unity for a sense of the transcendent for a humanism that does not force one to choose between God and the world This humanism requires an integration of ancient wisdom with modern learning or one might say faith and reason religion and science Christology and cosmology As the Gospel of Matthew puts it the sage goes into the storehouse to bring out both something old and something new To this Christian humanism both Thomas Aquinas and Pierre Teilhard de Chardin have significant contributions to make One is not forced to choose between them but rather to see in these two visionaries one medieval one modern complementary insights One philosophically precise the other scientifically trained they challenge us to look again at our search for wholeness for holiness Can we see something of what they saw Can we seek something of what they sought Love, Love, Love Stephen Turoff,2019-12-11 How can we become aware of pure unconditional love With simple yet shattering words Stephen Turoff seeks to awaken us to knowledge that already resides deep in our hearts that God is love and love is God Love is the power that created the universe and permeates all Creation When we realize this we are led to a recognition of our true nature as human beings Stephen s astonishing message presented here as transcripts from a series of six seminars can rouse us to reassess our lives and the way we think and act We are perfect beings who have forgotten our divine nature Our true self wants to awaken to the divine presence within With guidance we can teach ourselves to listen to the voice of our heart in order really to know and experience truth Stephen leads us to a deeper understanding of our connection with God and the purpose of our lives on earth The knowledge he shares is based on profound life experience and a singular understanding of God and universal laws Stephen Turoff is a psychic surgeon with a world wide following and a history of miraculous healings as long as an NHS waiting list even some mainstream doctors reluctantly acknowledge the evidence of his success More to Life magazine Stephen Turoff has been a spiritual healer for over 40 years During that time he s achieved near legendary status in his field attracting the attention of both international media and a string of distinguished clients He s also been the subject of numerous television programmes
