 Thurlow,2005-06-08 I found this book well organized and very user friendly It outlines from beginning to end a process for  
 taking on the issue of school dropout Geralynn Olvey Program Specialist Mountain Plains Regional Resource Center CO The  
 authors supply insight into areas of early intervention truancy indicators and the importance of students feeling that they  
 belong to their school and of their own engagement whether it is by academics the arts or extracurricular activities Nancy  
 Avolesse State Coordinator of Alternative Education Pennsylvania Department of Education Effective dropout prevention  
 strategies for educators How can teachers and administrators steer students toward graduation and away from dropping out  
 What determining factors contribute to a student s choice to drop out Why is high school graduation such an important issue  
 in society today Effective prevention and intervention programs for the most vulnerable students are key to improving  
 graduation rates This practitioner friendly resource offers guidelines for implementing dropout prevention strategies in the  
 classroom throughout the school and at the district level Graduation for All melds research and practical tools to include both  
 evidence based intervention models and real world examples With the goal of producing an educated citizenry that  
 contributes to the world in positive ways the authors present tools and a plan for Increasing graduation rates while  
 decreasing dropout rates Meeting the standards set by the No Child Left Behind Act Pinpointing the most critical years for  
 establishing a solid educational foundation Connecting with other groups to share ideas and prepare for change The impact  
 of increased graduation rates reaches beyond statistics more graduates mean more individuals who are better prepared to  
 meet the challenges of life after school and better outcomes for youth schools and society in general      *Public Elementary*
