Literacy and Popular Culture Jackie Marsh, Elaine Millard, 2000 Most children engage with a range of popular cultural forms outside of school Their experiences with film television computer games and other cultural texts are very motivating but often find no place within the official curriculum where children are usually restricted to conventional forms of literacy This book demonstrates how to use children's interests in popular culture to develop literacy in the primary classroom The authors provide a theoretical basis for such work through an exploration of related theory and research drawing from the fields of education sociology and cultural studies Teachers are often concerned about issues of sexism racism violence and commercialism within the disco

Raising Boys' Achievement In Primary Schools Warrington, Molly, Younger, Mike, 2006-06-01 Within the context of empirical research undertaken by the authors during the course of a 4 year research and intervention project on Raising Boys Achievement the book will focus on approaches that are successful in raising achievement for boys and the reasons for that success It will explore the whole aspect of boys achievement and look at how primary schools are addressing the issue and the processes involved in schools working collaboratively and voluntarily to share good practice Case study material will be used to illustrate the different contexts in which the strategies have been studied and of great importance is the incorporation of boys and girls own perspectives on their educational experiences

The Literate Classroom Prue Goodwin, 2017-08-01 Now in its fourth edition *The Literate Classroom* combines a range of refreshing and challenging viewpoints from

experienced classroom practitioners in order to offer practical and effective approaches to teaching reading and writing to primary students Over the last few years how teachers talk with children about their learning has been missing from much of the documentation going into school but with essential information and advice this book highlights the importance of speaking and listening in literacy learning and recognises the powerful links between reading writing and dialogic talk This fully updated edition includes shared and guided reading and writing comprehension through response to children s literature guidance on literacy teaching with ELL pupils new chapters on digital literacy drama for literacy talk for spelling and poetry The Literate Classroom describes how the theory behind key areas of literacy teaching can be transformed into realistic learning experiences within the classroom An accessible and informative collection this book is a must have for any teachers of literacy in the primary sector

Teaching English, Language and Literacy Dominic Wyse, Russell

Jones, Helen Bradford, 2008 This is a text for students on initial teacher training courses which covers the theory and practice of teaching English language and literacy The book is closely related to the new National Literacy Strategy Becoming a Teacher of Reading Margaret Perkins, 2015-03-10 Learning to read is one of the most important life skills teachers can help a child develop Teaching reading is a vital part of a career in the classroom and engaging with the range of different learning styles children have is a real challenge Trainee teachers need to learn how to address this variety of learning needs and also meet the wider demands of the curriculum Margaret Perkins helps students meet these challenges to become a confident reflective teacher of reading by providing An in depth explanation of phonics teaching alongside other teaching approaches empowering trainees to choose the right approach for each individual child Key research findings so students can apply the latest thinking to their teaching practice School based activities and independent learning tasks to help apply theory to practice and develop teaching skills through self reflection Classroom scenarios of teacher child interactions that demonstrate how children learn and respond to different teaching strategies

Improving Literacy at KS2 and KS3

Andrew Goodwyn, 2002-09-17 This book will to help student and practicing teachers to understand the issues surrounding literacy the place of transition in pupils lives and to feel confident in handling the National Literacy Strategy **Portraits of Everyday Literacy for Social Justice** Susan Jones, 2018-05-07 Based on an ethnographic study involving three families who live on a Midlands council housing estate this book presents portraits of everyday lives and the literacy practices that are part of them as a way to explore the complex relationship between literacy and social justice Each portrait focuses on a different aspect of literacy in everyday life drawing on perspectives offered by the long and diverse tradition of literacy studies each is followed by discussion of a different way of looking at literacy and what this means for social justice The lens of literacy allows us to see the challenges faced by many families and communities as a result of social policy and how a narrow view of literacy is often implicated within these challenges It also illustrates the ways in which literacy practices are powerful resources in the creative and collaborative navigation of everyday lives Arguing for the importance of looking

carefully at everyday literacy in order to understand the intertwining factors that threaten justice this book positions literary research and education as central to the struggle for wider social change It will be of interest and value to researchers educators and students of literacy for social justice Perspectives on Early Childhood Education Katherine M. Hirst, Kath Hirst, Cathy Nutbrown, 2005 Focusing on early childhood experiences and the factors at work this title examines the expanding field of early childhood education and care highlighting the critical issues to be aware of and how this can affect the child in later life Researching and Teaching Reading Gabrielle Cliff Hodges, 2015-08-20 Many agree that engaging in research is what makes a teacher's professional development sustainable and *Researching and Teaching Reading* studies the ways in which research and teaching are entwined both within and beyond the classroom Gabrielle Cliff Hodges encourages readers to deepen their understanding of reading through high quality teaching and research activities designed to engage young learners and generate rich research data in the expectation that teachers will wish to adapt or develop them further within their own contexts The author explores how teachers research and critical reading can further develop their understanding of their students reading practices and argues that innovative approaches to teaching integrated with research enable English teachers to re-construct ideas and change how reading is taught Key issues considered in this book include Studying reading in terms of extending young people's ability to interpret and enjoy texts The idea of reading as a social practice The concept of culture in relation to reading Why historical and spatial theoretical perspectives matter when researching and teaching reading This book is a valuable resource for any student teachers or practising English teachers wishing to learn more about the connection between researching and teaching reading how to combine them in the classroom and the positive effect bringing the two together can have on their own professional development *The Reading for Real Handbook* Martin Coles, Colin Harrison, 2002-08-27 The *Reading for Real Handbook* was very well received by both teachers and literacy specialists when it was published in 1992 Since its first publication there have been significant changes in the field of reading not least of which has been governmental demands for higher standards in reading and the resultant National Literacy Strategy NLS As well as providing invaluable help for teachers struggling with the National Literacy Strategy and the Literacy Hour several other new topics of interest are also addressed including teaching fiction non-fiction inside and outside the Literacy Hour integrating reading writing and spelling work involving parents assessment and working with slower readers *The Primary English Encyclopedia* Margaret Mallett, 2008-03-25 A comprehensive user friendly and interesting reference book that explains key concepts ideas and current requirements in primary English Includes over 600 entries short definitions of key concepts e.g. parts of speech succinct explanations of current UK requirements extended entries on major topics such as speaking and listening reading writing drama bilingualism and children's literature up to date information and discussion of important issues key references and accounts of recent research findings a Who's Who of Primary English *Primary English: Teaching Theory and Practice* Dr Jane A Medwell, Professor David Wray, Mrs Elizabeth

Rhymes and Stories Sarah Cousins, Hilary Minns, 2023-12-04 This book shows how adults can bring rhymes and stories to life with young children and support children's early steps in communication and literacy. Focusing on the use of rhythm, rhyme and repetition in nursery rhymes and traditional tales from around the world, it provides a wealth of practical ideas for using rhymes and stories one on one in small groups or with whole classes. Drawing from the culmination of their many years of combined experience, the two authors link the theoretical understanding of language and communication with the practical use of rhymes and oral storytelling in the classroom, nursery and at home. Early chapters or Part I provide a rationale for using rhyme, rhythm and repetition to inspire children to play with words and develop a love of language, building a foundation for literacy learning. Part II consists of ten lively chapters featuring original and reimagined traditional fairy tales containing accompanying rhymes to use with children. Key themes include friendship, kindness, compassion and generosity. Follow-up activities for extending children's vocabulary, building their confidence and developing critical thinking. Suggestions of using voices, facial expressions, gestures, props and puppets to enrich children's emotional, imaginative and intellectual experience. This delightful and practical book will be valuable reading for all adults wanting to support young children's creative learning through enjoyable and valuable experiences. **Early Years Non-fiction** Margaret Mallett, 2003 How do we make sure children's first introduction to the world of non-fiction is enjoyable and life-enhancing? What criteria do we use to ensure a collection of quality books for pleasure? Mallett sets out to answer these questions in this book.

Literacy Goes to School Jo Weinberger, 1996-02-28 Very accessible, not too technical or jargon-ridden. The practical suggestions were useful too if professionals feel inspired to promote change in their practice and policy. It is helpful to have suggestions on where to start and what to do. *Management in Education* Few primary teachers have a chance to find out in

detail what children have already learnt and continue to learn about literacy at home with their parents This book gives a clear demonstration of literacy learning that takes place at home and how it differs from as well as relates to literacy at school It will help teachers to increase their understanding of this process and to build on their relationship with parents Such understanding the book shows can directly enhance children s literacy performance in school

Making Progress in English Eve Bearne, 2006-09-07 This manual is designed to help teachers establish a principled framework for developing English at Key Stages 1 and 2 Covering all aspects of English it will help teachers raise standards of achievement in pupils at all levels of fluency and confidence The author uses case study material to relate theory to practice covering issues such as classroom organization and management She also provides guidance for planning and developing ideas with colleagues and with children and offers suggestions for teaching strategies with photocopiable sheets and formats and ways to evaluate teaching Separate sections deal with reading writing speaking and listening and these different threads are drawn together in sections on knowledge about language including spelling grammar and punctuation and study of texts including media poetry drama response to literature and the use of non fiction texts The final section deals with policy and schemes of work Each chapter also offers information on assessment recording and reporting linked to scales of progression frameworks for screening and supporting children who have difficulties with English gender working with parents linguistic and cultural diversity Eve Bearne teaches at Homerton College Cambridge
