**OF DOGS AND MEN - A myth therapy** Marc Asanov Archibald,2016-08-03 A group of pseudo scientists assemble to devise a revolutionary experiment that could change the concept of creation and evolution of species The experiment would create the bases of a sudden transformation of a dog into a man The scientists discuss issues that may concern such transformation from a dog into a man such as feeding sex habits and bathroom routines Freud Darwin and God are cited copiously to support such a sudden metamorphosis At the end of the convention the scientists are preparing manuals to be used by people that would like to transform their dog into a man Bruce and Estelle the owners of a German shepherd dog named Rex are some of the dog masters that receive those manuals by mail They find out that Rex s dream is in fact to become a superman Bruce and Estelle transform their backyard into a classroom the table is full of books ready for reading and two posters depicting a dog male and a dog female anatomy on the back wall They begin teaching Rex elementary things such as vocabulary numbers sexual behavior and manly attitude towards women Estelle especially spends time showing Rex her body letting him touch her breasts and all Bruce and Estelle also discuss other topics such as the history of humanity time religion sins and facts of life What started as a routine class following the scientific manuals becomes slowly a hodge podge of useful teaching coupled with information waste Estelle talks of a possibility to see one day her mom pass by and find out that Rex is not anymore a dog At that stage Rex has enough knowledge to stop listening to his two tutors and become involved in expressing original ideas and also declare openly his love for Estelle which infuriates Bruce During the lessons Rex s appearance changes slowly into a man Almost at the end of this transformation process a woman wearing circus like huge prosthetic legs approaches the three protagonists She tells them that their attempt to transform a dog into a man is illegal and threatens to report them to the police Bruce and Estelle ignore her Only Rex becomes apprehensive that police may end his dream to become a full fledged man As physical transformation of Rex into a man becomes obvious Estelle asks him to change his fur coat with a cardigan she knitted meanwhile As expected Estelle s mom comes by one day and is pleasantly surprised by Rex s transformation into a gentleman though she finds Rex s declared passion for Estelle very disturbing She runs out of the courtyard into the house with the pretext of taking a nap Not long after that a group made out of four policemen and a priest and exhibiting a Sturm und Drang behavior push through the door and demand explanations about the metamorphosis situation The priest is the one that reads the bible paragraphs that describe the human dog coitus as being a forbidden sin A Scientific policeman inquires about Bruce s qualification to transform dogs into men

**The Deviant's Advantage** Ryan Mathews, Watts Wacker, 2002-09-10 Don't consider yourself deviant Well that just may be a career breaker Odds are the idea or product that will transform your business or industry tomorrow is out there right now hiding in the shadows of the Fringe raw messy untamed and just waiting to be exploited Trapping taming and marketing it is the key to burying your competition and staying ahead of your market Deviance is nothing more than a marked separation from the norm and is the source of innovation the kind of breakthrough thinking that creates new markets and tumbles traditional ones Positive deviation is an inexhaustible font of new ideas products and services It's the source of all creative thinking and dynamic new market development and ultimately the basis of all incremental profit The Deviant's Advantage describes how deviance proceeds along a traceable trajectory from the Fringe where it originates but has zero commercial potential to the Edge where word of mouth creates a limited audience to the Realm of the Cool where the buzz and market momentum really start to build to the Next Big Thing where demand is honed and intensifies finally landing at Social Convention the heart of the mass market Ryan Mathews and Watts Wacker two of America's most respected futurists trace the Path of the Devox the voice spirit or incarnation of deviant ideas products and individuals using it as a way to explain how and why Christian fundamentalism morphed from college Bible studies to Republican party king making Reebok cares more about what's on the feet of kids in Detroit and Philadelphia than what the so hip it hurts set is wearing in New York or on Rodeo Drive Napster exploded from an idea germinating inside a sixteen year old to a movement with 60 million subscribers that very nearly destroyed the music industry Hugh Hefner went from America's most public pornographer to a cultural icon with decidedly Puritan sensibilities Mathews and Wacker also look at what happens to formerly deviant products and ideas after they are replaced by the next wave from the Fringe how they morph into Cliché where their commercial potential may actually increase become Icons or even Archetypes or fade into Oblivion and how you can profitably manage even a fading concept Looking for the next big idea for your business Then it's past time to quit staring at the Social Convention for inspiration and start scouring the Fringes of society Tomorrow's breakthrough concept is lurking out there right now in the mind of a deviant individual Your choice is simple find it and exploit it or be buried by those who do From the Hardcover edition
