Small, 2010-10 This book Destiny by Design begins with the portrait of a world as seen by a curious three year old African American boy This boy was born at a very difficult time in history grew up in a toxic world of challenging variables Yet he clung tenaciously to the belief that life s episodes can be meaningful when clearly interpreted for the inquisitive mind King David wrote I have been young and now am old yet have I not seen the righteous forsaken nor his seed begging bread Psalms 37 25 KJV The author presents living proof that principles practices promises and plans as exercised herein will work miraculously for you as it has for him Your destiny is by design I urge you Cooperate with the designer Contrary to some belief systems no one was predestined to be a failure Success is The progressive realization of personal pre determined worthwhile goals Once a noble goal has been set any progress toward that goal is measurable success Our creator declares I know the thoughts I think toward you saith the Lord thoughts of peace and not evil to give you an expected end Jer 29 11 Before I formed you in the belly I knew you Jer 1 5a But my God shall supply all your need according to His riches in glory by Christ Jesus Phil 4 19 KJV We are not cosmic errors We are gifted anointed commissioned and Sent to earth to carry out a divine plan Your Destiny is by Design Destiny by Design does clearly illustrate how purpose is found and how plans for our mission and ministry on earth are joyously carried out You can t lose with the stuff God use **Ghosts Along the Texas Coast** Docia Schultz Williams, 1998-04-30 Take a spine tingling journey with author Docia Williams as she introduces you to the ghosts that roam the warm beaches of Port Aransas and South Padre Island You may want to keep the night light on as she investigates the mysterious hauntings of La Bahia at Goliad the Golden Triangle and the presidios of far South Texas Using tangible evidence and first hand testimony Williams attempts to validate some of the bizarre and disturbing accounts of ghosts along the Texas coast Broken Seed, Broken Child Shiloh, 2001-09-25 God knew we were going to start having problems from the first bite of that bad apple He loves us enough to widen his arms large enough so that He could embrace all your problems and still have room left to love you Your children are tomorrows future Talk them into being the kind of world you want to live in and remember there will come a time when they decide your future All we have to do is look around and see our children behaviors and attitudes to know our future is in jeopardy We need to begin taking positive action in order to change the progression we have allowed to take place Parents we need to change in order to bring change to our children Children are great learners by example Each

life has its skeletons and hidden emotional motivations behind its actions We need to take charge of not passing on our Broken Seeds to our children Take part in your family s life Its your life too and if you have given it over to work or friends only you can take it back **Illustrated Dictionary of Essential Knowledge** ,1995 **Spirit Tutor** R.
