Reading Dancing Bodies Subjects In Contemporary American Dance:

Reading Dancing Susan Leigh Foster, 1986 Winner of the Dance Perspectives Foundation de la Torre Bueno Prize Recent approaches to dance composition seen in the works of Merce Cunningham and the Judson Church performances of the early 1960s suggest the possibility for a new theory of choreographic meaning Borrowing from contemporary semiotics and post structuralist criticism Reading Dancing outlines four distinct models for representation in dance which are illustrated first through an analysis of the works of contemporary choreographers Deborah Hay George Balanchine Martha Graham and Merce Cunningham and then through reference to historical examples beginning with court ballets of the Renaissance The comparison of these four approaches to representation affirms the unparalleled diversity of choreographic methods in American dance and also suggests a critical perspective from which to reflect on dance making and viewing

The Oxford Handbook of Improvisation in Dance Vida L. Midgelow, 2019-02-21 From the dance floor of a tango club to group therapy classes from ballet to community theatre improvised dance is everywhere For some dance artists improvisation is one of many approaches within the choreographic process For others it is a performance form in its own right And while it has long been practiced it is only within the last twenty years that dance improvisation has become a topic of critical inquiry With *The Oxford Handbook of Improvisation in Dance* dancer teacher and editor Vida L Midgelow provides a cutting edge volume on dance improvisation in all its facets Expanding beyond conventional dance frameworks this handbook looks at the ways that dance improvisation practices reflect our ability to adapt communicate and respond to our environment Throughout the handbook case studies from a variety of disciplines showcase the role of individual agency and collective relationships in improvisation not just to dancers but to people of all backgrounds and abilities In doing so chapters celebrate all forms of improvisation and unravel the ways that this kind of movement informs understandings of history socio

cultural conditions lived experience cognition and technologies **Intercultural Communication and Creative Practice** Laura Lengel, 2004-09-30 Lengel takes the reader on a journey from India and Romania where women preserve cultural rituals through mourning songs to South Africa where the body is a site of struggle for meaning and power in contemporary dance This volume examines the interrelationship of cultural and national identity ethnicity gender performance and lived experience It offers an understanding of how music and dance function within the lives of its performers and audiences and how they embody meaning carry social value and act as a vehicle for intercultural communication This book analyzes the communicative impact of women s cultural products and creative practice and creates links across disciplines such as communication cultural studies and performance studies Contributors have lived researched and performed in the United States Australia Belize Barbados Canada China England India the Pacific Romania and Yemen Their chapters address women s creative performance as a means of political and ideological expression *Tracing the Landscape of Dance in Greece* Katia Savrami, 2019-11-12 This volume critically discusses dance s role as an art form in modern Greek society exploring both ethnographic and cross cultural issues The contents of the book unfold in parallel and intertwining dialogues and discourses incorporating reflections on philosophical and scientific subjects and experiences relating to dance The investigation places ballet modern and contemporary dance within the Greek context and juxtaposes these genres with international dance making It also uncovers the factors that have affected the development of dance practices in Greece during the twentieth and twenty first centuries and considers the reasons why until now dance as an embodied art form has not been established in Greece as an autonomous academic discipline with its own sustainable educational structures It paints a picture of the past and the present while also serving to inspire future artist practitioners and scholars to advocate and support the discipline of dance in Greece **Dance and the Quality of Life** Karen Bond, 2019-03-05 This is the first volume devoted to the topic of dance and quality of life Thirty one chapters illuminate dance in relation to singular and overlapping themes of nature philosophy spirituality religion life span learning love family teaching creativity ability socio cultural identity politics and change sex and gender wellbeing and more With contributions from a multi generational group of artists community workers educators philosophers researchers students and health professionals this volume presents a thoughtful expansive yet focused and nuanced discussion of dance s contribution to human life The volume will interest dance specialists quality of life researchers and anyone interested in exploring dance s contribution to quality of living and being **The Oxford Handbook of Dance and Theater** Nadine George-Graves, 2015-06-15 The Oxford Handbook of Dance and Theater collects a critical mass of border crossing scholarship on the intersections of dance and theatre Taking corporeality as an idea that unites the work of dance and theater scholars and artists and embodiment as a negotiation of power dynamics with important stakes these essays focus on the politics and poetics of the moving body in performance both on and off stage Contemporary stage performances have sparked global interest in new experiments between dance and theater and this volume situates

this interest in its historical context by extensively investigating other such moments from pagan mimes of late antiquity to early modern archives to Bolshevik Russia to post Sandinista Nicaragua to Chinese opera on the international stage to contemporary flash mobs and television dance contests Ideologically the essays investigate critical race theory affect theory cognitive science historiography dance dramaturgy spatiality gender somatics ritual and biopolitics among other modes of inquiry In terms of aesthetics they examine many genres such as musical theater contemporary dance improvisation experimental theater television African total theater modern dance new Indian dance theater aesthetics philanthroproductions Butoh carnival equestrian performance tanztheater Korean Talchum Nazi Movement Choirs Lindy Hop Bomba Caroline Masques political demonstrations and Hip Hop The volume includes innovative essays from both young and seasoned scholars and scholar practitioners who are working at the cutting edges of their fields The handbook brings together essays that offer new insight into well studied areas challenge current knowledge attend to neglected practices or moments in time and that identify emergent themes The overall result is a better understanding of the roles of dance and theater in the performative production of meaning **How To Do Things with Dance** Rebekah J. Kowal,2010-10-01 Winner of the CORD Outstanding Publication Award 2012 In postwar America any assertion of difference from the mainstream anticommunist culture carried professional and personal risks For this reason modern dance artists left much of what they thought unsaid Instead they expressed themselves in movement How To Do Things with Dance positions modern dance as a vital critical discourse and suggests that dances of the late 1940s and the 1950s can be seen as compelling agents of social change Concentrating on choreographers whose artistic work conceived dance in terms of action Rebekah J Kowal shows how specific choreographic projects demonstrated increasing awareness of the stage as a penetrable space one on which socially suspect or marginalized modes of being could be performed with relative impunity and exerted in the real world Artists covered include Martha Graham Jos Lim n Anna Sokolow Katherine Dunham Pearl Primus Merce Cunningham Paul Taylor Donald McKayle Talley Beatty and Anna Halprin Ebook Edition Note All images have been redacted

Choreography and Corporeality Thomas F. DeFrantz,Philipa Rothfield,2016-09-14 This book renews thinking about the moving body by drawing on dance practice and performance from across the world Eighteen internationally recognised scholars show how dance can challenge our thoughts and feelings about our own and other cultures our emotions and prejudices and our sense of public and private space In so doing they offer a multi layered response to ideas of affect and emotion culture and politics and ultimately the place of dance and art itself within society The chapters in this collection arise from a number of different political and historical contexts By teasing out their detail and situating dance within them art is given a political charge That charge is informed by the work of Michel Foucault Stuart Hall Gilles Deleuze Jacques Derrida Ranci re and Luce Irigaray as well as their forebears such as Spinoza Plato and Freud Taken together Choreography and Corporeality RELAY in Motion puts thought into motion without forgetting its origins in the social world **Spinning**

Mambo Into Salsa Juliet E. McMains, 2015 Arguably the world's most popular partnered social dance form salsa's significance extends well beyond the Latino communities which gave birth to it The growing international and cross cultural appeal of this Latin dance form which celebrates its mixed origins in the Caribbean and in Spanish Harlem offers a rich site for examining issues of cultural hybridity and commodification in the context of global migration Salsa consists of countless dance dialects enjoyed by varied communities in different locales In short there is not one dance called salsa but many Spinning Mambo into Salsa a history of salsa dance focuses on its evolution in three major hubs for international commercial export New York Los Angeles and Miami The book examines how commercialized salsa dance in the 1990s departed from earlier practices of Latin dance especially 1950s mambo Topics covered include generational differences between Palladium Era mambo and modern salsa mid century antecedents to modern salsa in Cuba and Puerto Rico tension between salsa as commercial vs cultural practice regional differences in New York Los Angeles and Miami the role of the Web in salsa commerce and adaptations of social Latin dance for stage performance Throughout the book salsa dance history is linked to histories of salsa music exposing how increased separation of the dance from its musical inspiration has precipitated major shifts in Latin dance practice As a whole the book dispels the belief that one version is more authentic than another by showing how competing styles came into existence and contention Based on over 100 oral history interviews archival research ethnographic participant observation and analysis of Web content and commerce the book is rich with quotes from practitioners and detailed movement description
