Recollections Of My Life:

Recollections of My Life as a Woman Diane di Prima, 2002-03-26 In *Recollections of My Life as a Woman* Diane di Prima explores the first three decades of her extraordinary life Born into a conservative Italian American family di Prima grew up in Brooklyn but broke away from her roots to follow through on a lifelong commitment to become a poet first made when she was in high school Immersing herself in Manhattan s early 1950s Bohemia di Prima quickly emerged as a renowned poet an influential editor and a single mother at a time when this was unheard of Vividly chronicling the intense creative cauldron of those years she recounts her revolutionary relationships and sexuality and how her experimentation led her to define herself as a woman What emerges is a fascinating narrative about the courage and triumph of the imagination and how one woman discovered her role in the world *Recollections of My Life and Times. y Cajal,1937 **Recollections of My Life (Classic Reprint)** Hermann Krusi,2015-07-11 Excerpt from Recollections of My
Life While Professor Krusi in writing his autobiography Recollections of My Life aimed to make a concise sketch of his
educational career avoiding all but necessary details his Record books to which he did not have access while writing the
autobiography contain many passages that serve to fill out and enliven the sketch in a way that does not interfere with its
directness and will make it acceptable to a wider range of readers Moreover the incidents of his life following the close of the
educational period will be of great interest not only to his friends but for ethical reasons to the general reader also These
incidents are abundantly supplied by the Record Therefore it has been thought that Professor Krusi s aim will not be defeated
by combining passages from the Record with the Recollections following a plan which needs no explanation and by
supplementing the account of his educational experiences with further extracts completing the picture of his life Longer
passages have also been selected as deserving of publication and have been assigned to a separate part of this volume under
the head of Essays All these productions except certain lectures were originally written either in the Record books or in his
Miscellany as intellectual studies or pastimes by Professor Krusi solely for his own personal profit or enjoyment But so many
hours of his life were occupied with the above writings that his friends felt it would be neglecting a duty did they not take
steps to make them available to others About the Publisher Forgotten Books publishes hundreds of thousands of rare and

liberal and enlightened policy to develop the wonderful resources of a great empire and to advance the cause of civilisation over the world This was not to be betrayed by his trusted officer into the hands of his ruthless enemies nothing but his blood would satisfy them and Mexico will probably again fall into the same anarchy from which she might have been rescued by Maximilian The public will feel an additional interest from his sad fate in the following graphic account of the voyages and travels of this estimable prince About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
