Resistance In Europe 1939 45 Pelican S:

Federalism and European Union Michael Burgess, 2006-04-10 One of the most frequent criticisms levelled at the European Community is the discrepancy between federalist rhetoric and the intergovernmental response between its ideological aspirations and contemporary political reality The federalist heritage of the European Community has become discredited by contemporary political thinkers and yet it still forms an important part of the community's ideological foundations Within this book the contrasting theories of Spinelli and Monnet are subjected to rigorous criticism examining the benefits and pitfalls of their proposals for a unified Europe and the probability of the gap between theory and actuality ever being bridged in the future

British Policy and Strategy towards Norway, 1941-45 C. Mann, 2012-11-19 After the German occupation of 1940 Britain was forced to reassess its relationship with Norway a country largely on the periphery of the main theatres of the Second World War Christopher Mann examines British military policy towards Norway concentrating on the commando raids deception planning and naval operations

Themes in Modern European History 1890-1945 Paul Hayes, 2002-09-11 Themes in European History treats in thematic fashion a period of great change and upheaval in Europe A collection of twelve essays by five leading historians this textbook highlights important developments and changes that occurred sets these changes in their social and cultural context as well as in the political framework concentrates on the most important powers in Europe completes each essay with suggestions for further reading to guide your students into continuing their research Whereas other textbooks of this period focus on the political events Themes in Modern European History uses a comparative history of institutions and societies with emphasis on the cultural changes as well Students are provided with the whole picture of events and are made aware of the wider consequences of the changes taking place enabling them to understand all aspects of the dramatic transformation of Europe from 1890 1945

Where Did the Forties Go? Andrew Davies, 1984 *Kleio*, 1976 Bibliography of Intelligence Literature Walter Lionel Pforzheimer, 1985 **Bibliography of Intelligence Literature**, 1981 British Books in Print, 1980 **British Book News** British Council, 1983 Includes no 53a British wartime books for young people *La resistenza in Europa* Roberto Guerri, 2005

The Rise of Germany, 1939-1941 James Holland, 2015-10-14 An account of the early years of World War II based on extensive new research A genuinely fresh approach exceptional The Wall Street Journal James Holland one of the leading young historians of World War II has spent over a decade conducting new research interviewing survivors and exploring archives that have never before been so accessible to unearth forgotten memoirs letters and official records In The Rise of Germany 1938 1941 Holland draws on this research to reconsider the strategy tactics and economic political and social aspects of the war The Rise of Germany is a masterful book that redefines our understanding of the opening years of World War II Beginning with the lead up to the outbreak of war in 1939 and ending in the middle of 1941 on the eve of Operation Barbarossa the Nazi invasion of Russia this book is a landmark history of the war on land in the air and at sea
