**Seven Keys to Unlock Autism** Elaine Hall, Diane Isaacs, 2011-11-01 The acclaimed approach to helping children with autism profiled in the award winning documentary *Autism The Musical*. This groundbreaking book outlines seven integrated keys for educators and parents to make meaningful connections with children on the autism spectrum. The book is based on the unique approach used by Elaine Hall and Diane Isaacs of The Miracle Project, a musical theater program for children with autism and their peers and siblings. The Miracle Project integrates traditional and creative therapies in an interactive social dynamic. Dewey, 2002-05-09 Material presented here is replete with concrete new ideas not only for collaboration but also for funding training, personal involvement, Web-based instruction, and other concepts too numerous to mention. And the best thing about these ideas is that they are not the usual endlessly discussed theories; these are ideas that have worked and some

which have failed in the real world Despite the myriad new works available today related to library instruction in general and information literacy in particular none is devoted solely to collaborative efforts between teaching faculty and librarians This is where Library User Education Powerful Learning Powerful Partnerships shines just as in the real world it s all about collaboration Angela Weiler Portal
