Composition is still inflected by the epistemic turn taken in the 1980s convincing me that we need to remember what we've forgotten namely how impassioned resolves and thrilling discoveries were abandoned and why I'd like to retrace the road not taken in Composition Studies to salvage what can still be recovered I want to inspect the wreckage in order to show what was the promise of the Happenings for Composition as well as the huge gray *longueur* of its pale replacement Eighties Composition In so doing I hope to begin a reconfiguration of our field's pre and after history What happened to the bold kicky promise of writing instruction in the 1960s The current conservative trend in composition is analyzed allegorically by Geoffrey Sirc in this book length homage to Charles Deemer's 1967 article in which the theories and practices of Happenings artists multi disciplinary performance pioneers were used to invigorate college writing Sirc takes up Deemer's inquiry moving through the material and theoretical concerns of such pre and post Happenings influences as Duchamp and Pollock situationists and punks as well as many of the Happenings artists proper

Composition as a Cultural Practice Alan W. France, 1994-08-30 France presents a comprehensive critique of composition theory and pedagogy from a leftist perspective He contests the notion that composition courses have no content and are only skills courses devoid of intellectual suppositions and cultural premises Writing instructors should therefore focus on teaching students how to retextualize contemporary cultural practices and become proficient in dissenting from as well as affirming the status quo Each chapter extends the argument for a critical composition practice from theory into explicit detailed narratives of composition techniques and analysis Issues covered are the implicit ideology and curricular function of composition the definition of a materialist rhetoric the place of feminism in the writing classroom the interrogation of dominant ideology in business and professional writing courses the critique of knowledge making in the context of social epistemic pedagogy and the historical and rhetorical relations of religion to persuasion **WPA, Writing Program Administration** ,1991
