Responding To The Oppression Of Addiction Canadian Social Work Perspectives:

Responding to the Oppression of Addiction, Fourth Edition Rick Csiernik, William Rowe, Gabriela Novotna, 2023-02-07

Responding to the Oppression of Addiction brings together the voices of over 40 academics and social work practitioners from across Canada to provide a diverse and multidimensional perspective to the study of addiction. This thoroughly updated edition features eight new chapters and streamlines the content of the previous editions with chapters condensed and combined to create a more accessible text. The fourth edition features new content on themes such as residential schools, prevention initiatives, special needs of different populations, policy perspectives framed within an anti-oppression standpoint, cognitive behavioral therapy, and the emerging topic of problem gambling. Returning chapters have been updated with contributors providing more in-depth examinations of trauma-informed approaches. The entire volume has a strengthened anti-oppressive framework on both an overarching and by chapter level. This celebrated and varied collection is an indispensable resource for upper-level students, graduate students, and practitioners working in the fields of social work, addictions studies, and the helping professions. **FEATURES** Thoroughly updated chapter-by-chapter content grounded in an anti-oppressive framework with deeper exploration of trauma-informed approaches. Provides an authoritative analysis of the practices and policies that contribute to the construction of the meaning of addiction through a Canadian lens.

Social work in XXI Century St. Challenges for academic and professional training. Concepción Nieto-Morales, 2018-08-03 The book that you hold in your hands or on the screen of any technological device is the result of the effort made by a group of professors with the collaboration of professionals in different universities and study centres in twenty five countries Its title is already revealing Social Work in the 21st Century It is remarkable the coordination of professors Concepción Nieto Morales and Monica Solange De Martino Bermdez for readers to know not only the curriculum of Social Work in each of the countries that appear but also the profile of the student body and the identification and reflection on the challenges that the 21st century poses to the teaching of the profession among other elements Being a social worker in these times requires a previous awareness before starting the long road that begins with academic training and ends with the daily work linked to people who need help they need us to help them to conquer their rights There is something else Social problems over the years seem not to change their name homeless drug addicts minors but we must know that the internal dynamics of these marginalized groups evolve over time We must act according to today's situation with today's schemes otherwise the essence of social work will disappear

The Language of the Soul in Narrative Therapy Laura Béres, 2022-07-08 The Language of the Soul in Narrative Therapy uniquely bridges the gap between narrative therapy and spirituality to describe how the theory and practice of narrative therapy may be expanded and enriched by incorporating the language of the soul Divided into three parts the book begins by contextualizing the approach of narrative therapy and spirituality Chapters then debate the complexity of the soul as a term drawing on the work of Christian mystics and philosophers such as Teresa of Avila Edith Stein Merleau Ponty and Bakhtin to show how their theoretical ideas can be incorporated in counseling practice and spiritual direction The book concludes by discussing how the language of the soul can be integrated and applied in postmodern practice With case examples from faith belief systems such as Christianity Buddhism Paganism Wicca and Yazidism throughout this book is essential reading for therapists clinical social workers and counsellors in practice and graduate training as well as spiritual directors and pastoral counselors interested in the ideas and practices of narrative therapy

Social Work Treatment Francis J. Turner, 2017-03-23 First published in 1974 Social Work Treatment remains the most popular and trusted compendium of theories available to social work students and practitioners It explores the full range of theoretical approaches that drive social work treatment and knowledge development from psychoanalysis to crisis intervention A treasure trove of practice knowledge the text equips professionals with a broad array of theoretical approaches each of which shine a spotlight on a different aspect of the human condition Emphasizing the

importance of a broad based theoretical approach to practice it helps readers avoid the pitfalls of becoming overly identified with a narrow focus that limits their understanding of clients and their contexts This sweeping overview of the field untangles the increasingly complex problems ideologies and value sets that define contemporary social work practice The result is an essential A to Z reference that charts the full range of theoretical approaches available to social workers regardless of their setting or specialty
