

Stewardship: GOD GIVES

**God's Grace –
Receive it, Live it.
... is a way of life. It is a
comprehensive concept –
recognizing that we respond
to God's generosity, not
because we have to, but
because
God's own goodness
draws us to respond.**

Stewardship is a lifestyle God has called us to.

Finding Freedom in God's Promises Beth Gable Hicks,2016-06-03 After I wrote my last book The Importance of Christian Friendships In Good Times and in Bad I began to think about how many of the attributes of Christian friendships are grounded in faith This is the same faith that leads us to believe in God s promises I don t know if you have ever tried to count how many promises there are in the Bible they are almost impossible to numerate Yet that did not dissuade me I began to turn to the Bible and meditate on some of the more significant promises Then I began to ask myself how my life would be different if I truly believed God s promises What if we all believed God s promises and acted accordingly I am convinced that if we have faith and believe in God s holy nature we

can then accept that He is who He says He is It is then just a short step to knowing that He will do what He says He will do and we can trust in His promises God's promises are very precious Not only do they remind us of His personal interest in our lives but they provide us with hope and encouragement I would also contend that accepting His promises turns religion from something that seems restrictive to something that is truly liberating As you will read in the book we can find freedom in God's promises We can find freedom from condemnation freedom from want freedom from fear freedom from hopelessness freedom from grief and freedom from worry just to name a few I hope the reader will find renewed encouragement from this book and new faith in a faithful God Growing in the Grace of Giving Larry D. Allen, 2005-11 The Stewardship Companion: Lectionary Resources for Preaching William H. Willimon, David N. Mosser, 2007 The Steward Leader R. Scott Rodin, 2013-11-14 In this book R Scott Rodin offers a unique and profoundly theologically informed model of leadership forged out of his extensive experience and theological studies This model is personal dynamic and transformative for the leaders themselves for the people they work with and for the institution or organizations in which they serve *Church Management in the Indian Context* , **Redeeming the Time** Leland Ryken, 1995-10 A fully developed biblical perspective of work and leisure finds the holistic balance missing from today in Puritan enjoyment of both as important to life

Kingdom Stewardship Tony Evans, 2020-01-07 In Kingdom Stewardship Dr Tony Evans inspires you to broaden your perspective of Christian stewardship In this encouraging and challenging book you will learn that stewardship includes how you manage all that God has given you your time your talents and your treasures to advance God's kingdom and bring Him glory While many stewardship books focus on managing financial resources Tony Evans says that your finances are one small part of a much bigger calling He teaches that God owns all things and you are the manager of His assets When you bring your entire life into alignment under God you will be blessed with purpose and the abundant life that comes from living by God's eternal principles *Proven Resources for Stewardship Promotion* , 2001 It's no secret that because stewardship is often viewed as little more than a euphemism for discussing money and budget matters it's an uncomfortable topic for many in the ministry But Allan Weenink makes no apology for his zealous approach to stewardship he believes that the spiritual dimension is just as important as the financial and that cultivating the grace of generosity is vital for Christian ministry Drawn from countless workshops and seminars conducted during Weenink's years as a stewardship consultant this book provides a wealth of proven hands on material that will help you develop an effective stewardship model It's a practical ministry resource that will yield bountiful dividends As a pastor consultant and member of national church committees Al Weenink has learned what the church needs to know about stewardship From biblical understandings to practical suggestions what Weenink shares is well worth reading Enjoy the gift and the challenge from one who loves Jesus Christ and cares deeply about the future church David Wasserman General Presbyter Grace Presbytery Presbyterian Church U S A *Proven Resources For Stewardship Promotion* is a rich collection of information from Al Weenink's many years of experience

in helping the Presbyterian Church U S A remain fiscally faithful to its call for mission and ministry in a troubled world Weenink challenges us to a holistic approach as we struggle to make every congregation a living model of sacrificial stewardship His command of theological understanding deep faith and practical application is priceless This volume belongs in every church in the hands and hearts of pastors officers and lay leaders who will use it as a precious guide Patricia F Karns Former Associate for Stewardship Synod of the Covenant Presbyterian Church U S A Allan J Weenink has had a long and distinguished career in the ministry highlighted by 24 years as senior pastor of First Presbyterian Church in Battle Creek Michigan and 16 years as a consultant on stewardship and mission for the Presbytery of Lake Michigan He has traveled extensively throughout the world visiting and speaking at various mission projects and served on five occasions as a Volunteer in Mission in the Philippines His sermons and articles have appeared in such publications as The Clergy Journal Pulpit Digest and The Minister s Manual
