Responses Magnetic Hajime Kijima, Arthur Binard, 1996 詩の磁石, 1996 The Poetry and Poetics of Ancient Japan Makoto Ōoka, 1997 It was the noblewomen of the Xth and XIth centuries who freed Japanese literature from the domination of formal Chinese writing to create a poetry shaped by spoken Japanese. Many centuries later it was again women, this time courtesans and prostitutes who through popular song liberated a poetry more and more restricted by increasingly rarified conventions. In this remarkable book the poet Ōoka Makoto, who is also in Donald Keene's words a major critic perhaps the finest in Japan today, opens the great library of poetry anthologies compiled by Imperial order. He also recreates in detail the social, political, and cultural realities surrounding the development of Japanese poetry from ancient until modern times.

The Naif 素朴, 2004 Beginning with his father's death in 1989 and continuing through 1993, Shuntaro Tanikawa began to make a sustained, sober poetic assessment of his personal experience and became, in the process, more personal but never maudlin. In *The Naif* we are made privy to details in the career of a human being as he moves from one stage of maturity to another.

Giving People Poems 人に与ふ詩, 2005 Poetry Asian American Studies. Translated from the Japanese by William I. Elliott and Kawamura Kazuo. In Japan, where even the imperial couple are required to turn off poems as part of their official functions, it is not surprising that there is a long tradition of purely perfunctory poetry. Nonetheless, Japan's most popular living poet, Tanikawa Shuntaro, has always been known for upsetting the apple carts of Japan's formulaic society. Here he does it again, sacralizing poetry in its purely perfunctory forms as a gift that may be appropriate for any occasion. Lifting occasional poetry to a higher plane, here are poems about hunger and books, the recently constructed longest bridge in Japan, cherry blossoms, two dead friends, Mozart, and weeds making love to various women, various observations on cats, and diving into a swimming pool to wash off the lies of the world.

The Singing Heart Kenkichi Yamamoto, William I. Elliott, Katsumasa Nishihara, 2001 Poetry Anthology Asian Studies. Translated by William I. Elliott and Nishihara Katsumasa. Originally compiled in 1967 by one of Japan's major literary critics, this anthology was considered highly innovative for its time as it somewhat like *THE POEM ITSELF* from the same period appends generous commentary to each poet, setting it clearly in its cultural and historical context. The poets include Shimazaki Toson, Kitahara Hakushu, Sato Haruo, Ishikawa Takuboku, Saito Mokichi, Takamura Kotaro, Miyoshi Tatsuji, Miyazawa Kenji, Hagiwara Sakutarō, Nakahara Chuya, and many others.

A Chagall and a Tree Leaf Shuntarō Tanikawa, 2008 Poetry. Translated from the Japanese by William I. Elliott and Kazuo Kawamura. Poet, dramatist, and translator, Tanikawa Shuntaro's more than sixty volumes of poetry have brought him the major Japanese literary prizes, and in translation by Elliott and Kawamura, the American Book Award. He has read his work in Moscow, Leningrad, Berlin, Frankfurt, Rotterdam, London, the Academy of American Poets, and the Library of Congress. Other Tanikawa titles available from SPD include 62 SONNETS, DEFINITIONS, GIVING PEOPLE POEMS.

Medusan mesmerism in the poetry of Mary Robinson Samuel Taylor Coleridge Percy Bysshe Shelley and Letitia Elizabeth Landon L E L and the prose of Mary Shelley reveals that these Romantic era writers equate the enraptured state that produces spontaneous literary creation with the mesmeric trance These writers employ Medusan imagery to portray both the mesmerist and the mesmerized subject a conflation of subject object positions that complicates issues of agency subjectivity and gender Images of Medusan mesmerism ultimately work to deconstruct Romantic ideological dichotomies of self other female male muse artist and sublime beautiful In contrast to a traditional masculinized Romantic discourse that emphasizes self possession this study uncovers a feminized improvisational Romantic discourse characterized Other possession an assumption of the mesmerized subject position that enhances subjective fluidity This study interrogates the Romantic discourse of spontaneous literary creativity through an examination of Romantic poetry prose and theory that utilizes mesmeric and Medusan metaphors to suggest creative inspiration Building on recent scholarship about improvisational poetics the subversive potential of mesmerism and Medusa as a feminist icon this work suggests that the mesmeric Medusan muse not only enables creativity for women writers but also provides a mirror in which they view and through which they give voice to their own societal oppression The mesmeric Medusan muse in Romantic era literature from the Ancient Mariner and the Frankenstein monster to the tragic abandoned Sapphic poetess often represents the face of oppression an unwelcome and monstrous truth in nineteenth century British society For women writers in particular braving the stare of the Medusan muse enhances empathy and therefore inspiration and literary productivity

Poetic Inquiry as Social Justice and Political Response Abigail Cloud, Sandra L. Faulkner, 2019-12-02

This volume speaks to the use of poetry in critical qualitative research and practice focused on social justice. In this collection, poetry is a response, a call to action, agitation, and a frame for future social justice work. The authors engage with poetry's potential for connectivity, political power, and evocation through methodological, theoretical, performative, and empirical work. The poet-researchers consider questions of how poetry and Poetic Inquiry can be a response to political and social events, be used as a pedagogical tool to critique inequitable social structures, and how Poetic Inquiry speaks to our local identities and politics. The authors answer the question: What spaces can poetry create for dialogue about critical awareness, social justice, and re-visioning of social, cultural, and political worlds? This volume adds to the growing body of Poetic Inquiry through the demonstration of poetry as political action, response, and reflective practice. We hope this collection inspires you to write and engage with political poetry to realize the power of poetry as political action, response, and reflective practice.
