most common types of paranormal experiences including apparitions poltergeists and haunted places Whether you are a skeptic or a believer Beyond Belief Unraveling the Psychology of Ghosts and Hauntings offers a fascinating and thought provoking look at one of the most enduring mysteries of the human experience **Ancestral Whispers** Ben Stimpson, 2025-08-05 An Invaluable Resource for Connecting to Your Ancestors Presenting historical and cultural examples of ancestral veneration from around the world Ben Stimpson shows you how to build a strong healthy relationship with your ancestors He teaches the concepts and considerations of this important practice walks you through the ins and outs of ritual and shares profound insight on building community Ancestral Whispers provides exercises and journal prompts specially designed to help you develop an authentic living practice Stimpson reveals the various types of ancestors and discusses the physical elements of practice including sacred space objects of power and offerings He also encourages you to explore the elements of pilgrimage and reflect deeply on your own beliefs With this book you can create a legacy for current and future generations Final Judgement and the Dead in Medieval Jewish Thought Susan Weissman, 2020-07-23 Through a detailed analysis of ghost tales in the Ashkenazi pietistic work Sefer asidim Susan Weissman documents a major transformation in Jewish attitudes and practices regarding the dead and the afterlife that took place between the rabbinic period and medieval times She reveals that a huge influx of Germano Christian beliefs customs and fears relating to the dead and the afterlife seeped into medieval Ashkenazi society among both elite and popular groups In matters of sin penance and posthumous punishment the infiltration of Christian notions was so strong as to effect a radical departure in Pietist thinking from rabbinic thought and to spur outright contradiction of talmudic principles regarding the realm of the hereafter Although it is primarily a study of the culture of a medieval Jewish enclave this book demonstrates how seminal beliefs of medieval Christendom and monastic ideals could take root in a society with contrary religious values even in the realm of doctrinal Theology and Horror Brandon R. Grafius, John W. Morehead, 2021-03-02 Scholars of religion have begun to belief explore horror and the monstrous not only within the confines of the biblical text or the traditions of religion but also as they proliferate into popular culture This exploration emerges from what has long been present in horror an engagement with the same guestions that animate religious thought guestions about the nature of the divine humanity s place in the universe the distribution of justice and what it means to live a good life among many others Such exploration often involves a theological conversation Theology and Horror Explorations of the Dark Religious Imagination pursues questions regarding non physical realities spaces where both divinity and horror dwell Through an exploration of theology and horror the contributors explore how guestions of spirituality divinity and religious structures are raised complicated and even sometimes answered at least partially by works of horror The Rise and Fall of the Afterlife Jan N. Bremmer, 2002 In this perceptive and intriguing book Bremmer takes a fresh look at the major developments in the Western imagination of the afterlife from the ancient Greeks to the modern near death experience Ghosts (Bookburners Season 2 Episode 4) Margaret Dunlap, Andrea

Phillips, Mur Lafferty, Max Gladstone, 2017-08-09 Frustrated at the still broken Orb Liam does some old school web fishing and gets a nibble from Turkey When Team Three travels to investigate they stumble upon a strange and ghostly crossroads where Liam is shocked to see someone he knows or who at least knows him This episode is brought to you by Margaret Dunlap who cautions you to be careful where you wander on the world wide web Magic is real and hungry trapped in ancient texts and artifacts only a few who discover it survive to fight back Detective Sal Brooks is a survivor Freshly awake to just what dangers are lurking she joins a Vatican backed black ops anti magic squad Team Three of the Societas Librorum Occultorum Together they stand between humanity and magical apocalypse Some call them the Bookburners They don t like the label Ghosts is the fourth episode of Bookburners Season 2 presented by Serial Box Publishing This serial will unfold in Strange Histories Darren Oldridge, 2017-09-22 Strange Histories is an exploration of some of the most 13 episodes extraordinary beliefs that existed in the late Middle Ages through to the end of the seventeenth century Presenting serious accounts of the appearance of angels and demons sea monsters and dragons within European and North American history this book moves away from present centred thinking and instead places such events firmly within their social and cultural context By doing so it offers a new way of understanding the world in which dragons and witches were fact rather than fiction and presents these riveting phenomena as part of an entirely rational thought process for the time in which they existed This new edition has been fully updated in light of recent research It contains a new guide to further reading as well as a selection of pictures that bring its themes to life From ghosts to witches to pigs on trial for murder the book uses a range of different case studies to provide fascinating insights into the world view of a vanished age It is essential reading for all students of early modern history The Wisdom of Thoth Grazyna Bakowska-Czerner, Alessandro Roccati, Agata Świerzowska, 2016-01-22 This volume represents a selection of contributions on Mediterranean themes from a wider international interdisciplinary conference on Magical Texts in Ancient Civilizations organised by the Centre for Comparative Studies of Civilizations at Jagiellonian University in Krak w in Poland between 27 28 June 2013 The Publishers Weekly **Encyclopedia of the Undead** Dr. Bob Curran, 2009-03-19 What lurks out there in the fog What was that eerie ,1911 sound in the dead of night What flitted by at the end of the street just beyond the farthest street lamp From earliest times tales of the restless dead and their fellow travelers have terrified mankind Whether around a remote campfire or in the middle of a bustling city the unquiet spirits and attendant creatures that have tormented humanity since the prehistoric darkness haven t gone away they still have the power to strike fear in our hearts Encyclopedia of the Undead traces those shadowy entities vampires werewolves ghouls and monsters that lurk just outside the range of human vision and inhabit our most frightening tales Drawing on a wide range of beliefs and literature it traces these horrors from their earliest recorded inceptions and charts their impact upon the human psyche In this book history and terror mix to create the things that lurk in the darkest corners of our minds You ll find detailed descriptions of terrors from all over the world from the mist shrouded

mountains of Eastern Europe to the sweltering jungles of the Caribbean islands from the dark stone lined tombs of the uncoffined dead beneath the remote New England hills to the dark magics that lurk beneath the thriving colorful surface of a city like New Orleans In addition to the more conventional creatures Encyclopedia of the Undead also details some of the more obscure Things that gnaw at the edges of men's minds Incubi and Succubi the Mara and the dark legends that have influenced writers from Sheridan Le Fanu to H P Lovecraft This is a book for all those who are interested in the darker side of the human mind the side that examines and even embraces those beliefs and imaginings that form the basis of our most archetypical fears This is the book for those brave enough to plumb the depths of our worst nightmares Robert P. Vasques, Myths of the Underworld Journey Radcliffe G. Edmonds, III,2004-09-20 This book was first published in 2004 Plato Aristophanes and the creators of the Orphic gold tablets employ the traditional tale of a journey to the realm of the dead to redefine within the mythic narrative the boundaries of their societies Rather than being the relics of a faded ritual tradition or the products of Orphic influence these myths can only reveal their meanings through a close analysis of the specific ways in which each author makes use of the tradition For these authors myth is an agonistic discourse neither a kind of sacred dogma nor a mere literary diversion but rather a flexible tool that serves the wide variety of uses to which it is put The traditional tale of the journey to the Underworld in Greek mythology is neither simple nor single but each telling reveals a perspective on the cosmos a reflection of the order of this world through the image of the other
