Unconnected David O. Bullock, 2014-04-21 Do you ever feel like something is missing in your life Have you ever wondered where things went wrong or how you got off track with your hopes and dreams Are you plagued by questions for which there seem to be no answers Do you feel a disconnect between the life you always wanted and your life as it is *Unconnected* takes you on a journey through some amazing stories of incredible life change These people discovered the connection that turned their lives completely around Each story begins as a tragic tale of hopelessness and despair but ends in triumph and the true joy of living life to the full You can learn the difference the connection can make in your own life Author David Bullock describes in detail the steps you need to take on your own journey to connection Be forewarned that he believes everyone needs to laugh at least once a day so don't be surprised if his style occasionally leaves you laughing out loud At other times you may find yourself crying as you read stories filled with struggle and heartbreak You may even find that you can personally identify with some of them In the end you may understand how you too can escape the unconnected life and enter into a beautiful new world of connection Do you want that If so then take this journey *Unconnected* may have been written just for you **Louisiana Coastal Area Ecosystem Restoration Study**, 2004 **Creative Bible Lessons in Ezekiel**

Anna Aven Howard, 2009-08-08 Most people avoid teaching from Ezekiel Not only is it a book full of strange and sometimes disturbing imagery but it also presents a vivid depiction of a God that won't fit neatly into the categories we typically have in mind for him It's because of these reasons that Ezekiel is an important book to study But don't be afraid *Creative Bible Lessons in Ezekiel* makes it a little easier to bring this bizarre and often confusing book to your students Following the history of the bestselling *Creative Bible Lessons* series this book introduces some new elements into your teaching Because Ezekiel is so unfamiliar to many people there is extensive background for leaders including research from several commentaries and other books There's enough information there for you to understand the passage enough to be able to teach it confidently In addition to the background you'll find a combination of illustrations activities movie clips and song suggestions to help bring the passage to life Each section ends with a journaling exercise for your students to make the passage personal Since many adults steer clear of this imaginative book of the Bible this resource will not only help you teach your students you'll learn something yourself Help your students uncover this book and lead them closer to the God of Ezekiel the God who surprises us frequently and loves us completely *From the First Nightingale to the Last* D. Ferris Arfaa, 2021-01-29 In the darkness of the night the nightingale sings with wondrous splendor A beckoning songbird calling the world to feel peaceful surrender The nightingale's beauty lives in the essence of his melodic voice Leaving listeners disarmed by its power making sweetness their choice From the poem *Splendor in the Night's Light* D Ferris Arfaa arouses our awareness that life's true meaning and effect emanates from our inner beauty not outward appearance Furthermore we are left with the personal choice of whether to receive and surrender to the power of redemption and salvation through Jesus

Christ This book contains poems that reflect on the lives of Jesus and His original Twelve Apostles The poems carry us from their callings by Jesus into apostleship and finally martyrdom They are intended to spark a personal revival in each of us to answer God's calling no matter our personal limitations From the First Nightingale to the Last emphasizes that like Jesus and His Apostles we all share a common nature but we can move beyond our personal shortcomings to a powerful purpose in service to others The reader cannot fail to be motivated to a new level of living through the power of faith and a relationship with Jesus Christ **Charisma and Christian Life**, 2000 *Conecuh National Forest (N.F.), Longleaf Restoration Project, Covington and Escambia Counties*, 1999 25 for 25 Phillips Craig & Dean, 2017-05-09 Behind the music that has shaped an expressed a generation's faith Very few artists have had as wide spread an impact on faith of other Christians as Phillips Craig Dean For twenty five years the group has communicated God's love through worship with some of the most well liked inspirational music ever performed In the pages of this book you will now discover what the music has meant to them the stories behind the songs and how the music has touched so many lives Your faith will also be impacted and deepened as you refresh your spirit with this music and find powerful messages of grace love and hope God has shaped and used Phillips Craig Dean in amazing ways in their years of working together and now you can have an inside view of God's artistry through their music Billboard, 1999-11-20 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
