Restoring the Power of Family Jonathan Claussen, MD, 2014-09-22 Family was created to be powerful Adam and Eve were commissioned to tend the Garden of Eden and their children were supposed to reproduce the culture of the Garden over the whole world Unfortunately in the Garden we were separated from the Father and family lost its identity its purpose and its power Although we were orphans the Father never stopped pursuing us and when the fullness of time had come our loving Daddy sent Jesus on a rescue mission He restored us back into the presence of the Father and to our identity Family was and still is the Father s plan The time is now for families to be restored and play a critical role in the restoration of all things This book provides key strategies that bring healing to your own heart to your family relationships and to the inheritance mindset The result will be a restoration of power and influence that was your family s destiny from the beginning of time

Born for Restoration AviGayle O'Hare, 2020-03-20 Born for Restoration is about my life Before I formed you in the belly I knew you and before you came out of the womb I set you apart Jeremiah 1:5 ISR Psalm 23 is a song sung about a life starting and experiencing the tests of discovering our purpose and who is with us as we go through the birth canal until eternity 1 I am convinced that even before I was in my mother's womb the Lord was my Shepherd with Him I never experienced lack 2 He instructed me in the comfort of the womb to lie down in green pastures as He spoke to me throughout my journey I was guided beside still waters parting the way into this world The river of life spoke through the Lord as a Spirit of comfort and calm embraced me 3 Leaving the comfort of mercy Heb Rachem womb when I entered the world and made wrong choices the Lord turns back my being He leads me on the cycles of righteousness This was the beginning of my restoration birth I was told this journey is not just about you but you are a voice telling people who I am I learned His name and this was one of the most important aspects of this message 4 As I ran my race then walked through the valley of the shadow of death I did not fear because He told me I did not give you a spirit of fear I gave you a spirit of love and power through my Spirit and a steadfast mind toward Me I Am with you The Lord disciplined me when I needed it and that was a comfort because He was all about preserving my life as any good Father desires 5 I recognized the tables as the tablets He

set before me in the presence of my enemies These commandments were needed so I looked at them and not the faces of my enemies As time continues this journey with the Lord of Restoration sets me apart by anointing my mind and my life overflowing with a desire to listen and obey His Word and influence others to consider this journey of restoration 6 As a result of repentance only goodness and loving commitment follows me And now I know my journey is to dwell in the house of the Lord to the length of days

Responsibility, Chastisement and Restoration Ronald Laldinsuah, 2015-05-14 Many Old Testament scholars have focused their studies of justice on the eighth century BC prophets Isaiah Amos and Micah giving little or no attention to Hosea Neglect of Hosea in relation to justice arises from the common notion that he was a prophet of love and although some studies concede that parts of the book deal with justice it is often overlooked or given secondary importance to other concerns and themes In this publication Ronald Laldinsuah addresses this misconception by demonstrating that Hosea was indeed a prophet of justice Through careful analysis of the text as well as observing both the biblical concept and the secular notions of justice it is observed that justice must perpetuate right and true relationships In relational justice we see the inseparable relationship among humans and between humans and God emphasising Hosea's message of responsibility chastisement and restoration
