Restoring Shakespeare:

Restoring Shakespeare Leon Kellner, 1925 *Performing Restoration Shakespeare* Amanda Eubanks Winkler, Claude Fretz, Richard Schoch, 2023-01-26 The first book on Restoration Shakespeare in performance drawing on theatre history musicology and literary criticism *Shakespeare's House* Richard Schoch, 2023-11-16 A page turning story Times Literary Supplement Eye opening Michael Billington A detailed and highly compelling story that involves so much more than bricks and mortar The Stratford Herald In the wide realm of Shakespeare worship the house in Stratford upon Avon where William Shakespeare was born in 1564 known colloquially as the Birthplace remains the chief shrine It s not as romantic as Anne Hathaway s thatched cottage it s not where he wrote any of his plays and there s nothing inside the house that once belonged to Shakespeare himself So why for centuries have people kept turning up on the doorstep Richard Schoch answers that question by examining the history of the Birthplace and by exploring how its changing fortunes over four centuries perfectly mirror the changing attitudes toward Shakespeare himself Based on original research in the archives of the Shakespeare Birthplace Trust in Stratford upon Avon and the Folger Shakespeare Library in Washington DC and featuring two black and white illustrated plate sections which draw on the wide array of material available at the Folger Shakespeare Library and the Victoria and Albert Museum this book traces the history of Shakespeare s birthplace over four centuries Beginning in the 1560s when Shakespeare was born there it ends in the 1890s when the house was rescued from private purchase and turned into the Shakespeare monument that it remains today Big-Time Shakespeare Michael D. Bristol, 2005-08-12 Bristol debates Shakespeare s cultural success and widespread notoriety his achievement of contemporary celebrity and argues that Shakespeare s plays represent the pathos of our civilization with extraordinary force and clarity **Shakespeare Seen** Stuart Sillars, 2019 Shows how illustrated editions and paintings of the plays were originally produced and read as critical social and political statements **Shakespeare's Boys** K. Knowles, 2014-01-02 Shakespeare s Boys A Cultural History offers the first extensive exploration of boy characters in Shakespeare s plays examining a range of characters from across the Shakespearean canon in their original early modern contexts and surveying their subsequent performance histories on stage and screen from the Restoration until the present day **Edinburgh Companion to Shakespeare and the Arts** Mark Thornton Burnett, 2011-10-12 This authoritative and innovative volume explores the place of Shakespeare in relation to a wide range of artistic practices and activities past and present **The Cambridge Shakespeare Library: Shakespeare's times, texts, and stages** Catherine M. S. Alexander, 2003 Publisher Description The Oxford Handbook of Shakespearean Tragedy Michael Neill, David Schalkwyk, 2016-08-18 The Oxford Handbook of Shakespearean Tragedy presents fifty four essays by a range of scholars from all parts of the world Together these essays offer readers a fresh and comprehensive understanding of Shakespeare tragedies as both works of literature and as performance texts written by a playwright who was himself an experienced actor The opening section explores ways in which later generations of critics have shaped our

idea of Shakespearean tragedy and addresses questions of genre by examining the playwright's inheritance from the classical and medieval past. The second section is devoted to current textual issues while the third offers new critical readings of each of the tragedies. This is set beside a group of essays that deal with performance history with screen productions and with versions devised for the operatic stage as well as with twentieth and twenty-first century reworkings of Shakespearean tragedy. The book's final section expands readers' awareness of Shakespeare's global reach tracing histories of criticism and performance across Europe, the Americas, Australasia, the Middle East, Africa, India, and East Asia. *Shakespeare Survey With Index 1-10: Volume 11, The Last Plays* Allardyce Nicoll, 1958-01-02. The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback. **Shakespeare, Text and Theater** Jay L. Halio, Lois Potter, Arthur F. Kinney, 1999. Jay L. Halio is internationally distinguished as an editor of Shakespeare's plays and as a critic of Shakespeare in performance. This collection with an international list of contributors honors both those interests and explores their interconnectedness.
