**The Universal Version Bible The Prophetic Scripture and Appendixes** William Petri, 2016-09-02 Congratulations You hold in your hands the very 1st Bible of its kind Today new generations of believers have emerged and the need to update archaic words while at the same time improving the word for word translation for English speaking people in the 21st century must take place This unique Bible maintains the Old Testament names of ELOHIM and the original order of the books while producing a more accurate literal easy to read text Psalms 12 6 The words of YAHWEH pure words silver purified in a kiln extracted 7 times Every generation needs to go through the purification process as words change meaning and our understanding of the Bible languages increases The best translation of the Bible is of no value if the reader cannot understand what is written The changing of word meanings can make a majestic translation to one generation a poor translation to following generations      **The Testimony of Yeshua** Lonnie Martin, 2010 When I read the book Was the New Testament Really Written in Greek I learned that the New Testament was really translated from the Aramaic Peshitta into Greek But the only modern English version available was the 1933 Lamsa very copyright restricted So I decided to update the 1851 Murdock 1848 Etheridge versions into modern English It took 5 000 hours to revise the texts noting some very interesting differences between the Aramaic and the Greek versions While I thought that I would find many new insights that were lost in the translation from Aramaic to Greek I actually found more errors occurring going from Greek into English in most translations My online version has about 2 500 live links to a Greek lexicon for instant verifications There is no wretched copyright restricting your legal usage just a required Creative Commons License There is a sudden interest in the Aramaic text now with several new copyrighted versions available      **Searching for the Original Bible** Randall Price, 2007 A noted researcher archaeologist tackles crucial faith challenging questions about the Bibles claims to be divine communication All evidence available today concludes the author upholds even more strongly the age old views of orthodox Christianity      **The Prophets** Lonnie Martin, 2017-06-19 This is the Prophets part of The Word of Elohim It s the real name

for the Old Testament The Bible is really 2 volumes The Word of Elohim God and the Testimony of Yeshua This would print out in typical book format into 4 good sized volumes The Word of Elohim is either the Old Testament text or spoken or the person of Yeshua Jesus period So to be precise this is the Prophets portion of the Gabriel Bible version of The Word of Elohim So every Bible contains The Word of Elohim the translators just don't seem to know it The Bible is the Word of Elohim AND the Testimony of Yeshua COMBINED See Revelation 1 2 9 Of the verses in this version you would be hard pressed to find any verse other than perhaps the most basic exactly like that of any other version My New Testament is also finished Yeshua and His followers never said anything about an Old Testament He always referred to it as either The Word of Elohim Aloha in His native Aramaic or the Scriptures

*Paul, Covenant Killer* Timothy L Parrott, 2021-11-17 Paul is one of the more interesting and least understood characters in history quite bluntly a man who changed history not just of the Christian community but the Jewish community as well Paul was a rising star in the Jewish culture and openly admits to being the chief persecutor and prosecuting those of this upstart movement While applying the legal system within the Jewish culture to all those now anathema to the Jewish culture he finds himself not just defending this new movement but laying the groundwork for the behavior customs and legality of the Christ movement and organization Once a defender of the Jewish faith he now becomes a greater and stauncher defender of the Christian faith even to the point of death in martyrdom as a political prisoner a prosecuting attorney within the Jewish legal system now working as the principal legal and as the author claims prime legal counsel for the new Ekklesia His letters are not so much about theology but legality He was born to have a foot in the Jewish legal system and a foot in the world's then dominating legal system only to serve as the first legal counsel and attorney general of the coming new legal system this is Paul the lawyer this is Paul the covenant killer

*The Bible's First History* Robert B. Coote, David Robert Ord, 2018-01-04 This is a book about an ancient writer the J writer the Yahwist who produced a work of political imagination This work is embedded mainly in the first four books of the Bible best known for some of the most popular and influential biblical stories in Genesis and Exodus The purpose of the book is to represent the whole of the original story with attention to its own meaning without the influence of the other literary strands with which it was later supplemented Therefore the work includes a fresh complete translation of the text of the J writer who produced the Bible's first history The translation itself helps to establish more clearly than ever the integrity of the J writer The concern here is WHEN and WHY this history was written especially in light of the concerns for justice and prosperity Throughout it is demonstrated HOW and WHY this history comes from the court of David it is a royal history of David's subjects as though they were descended from pastoral nomads such as Abram Isaac and Jacob It is argued that the intended audience of the history was probably those Bedouin who regularly visited the court of David in Hebron and Jerusalem Here is a bold and brilliant representation of the J writer's composition perhaps as it was originally intended to be read or heard This ancient tour de force takes on new life in the

hands of these skilled interpreters      The Homemade Atheist Betty Brogaard,2010-03-23 In this personal memoir a former evangelical Christian shares her journey away from her confining faith toward a happier healthier nonreligious life Betty Brogaard was raised to be a good Christian By the time she was twenty years old she had joined a fundamentalist church She even met and married a young man who became a minister in the congregation However the more she came to understand Christianity from within the more she found herself asking questions instead of finding answers In The Homemade Atheists Betty shares her fascinating journey from the mental slavery of religion to the happiness she found in freethought Along the way and without malice she offers questions that challenge you to analyze your own beliefs exactly as she did over her years long journey Her transformation provides a wealth of insight is for anyone seeking a path to a nonreligious way of life
