- ***According, he advocates that 10 key points for restructuring “knowledge-driven school” (Young and Muller, 2016, P. 150)***
  - 1. Knowledge is worthwhile in itself. Tell children this: never apologize that they need to learn things.***
  - 2. Schools transmit shared and powerful knowledge on behalf of society. We teach what they need to make sense of and improve the world.***
  - 3. Shared and powerful knowledge is verified through learned communities. We need to keep in touch with universities, research and subject associations.***

## **Restructuring Education Issues And Strategies For Communities Schools And Universities:**

Restructuring Education Robert J. Yinger, Kathryn M. Borman, 1994 This text addresses the issues underlying the restructuring of American schools at the family school and community level It presents a balance of the theoretical issues underlying reform and the practical ways in which specific groups are wrestling with these issues International Handbook of Educational Change Andy Hargreaves, A. Lieberman, M. Fullan, D.W. Hopkins, 2014-11-14 The International Handbook of Educational Change is a state of the art collection of the most important ideas and evidence of educational change The book brings together some of the most influential thinkers and writers on educational change It deals with issues like educational innovation reform restructuring culture building inspection school review and change management It asks why some people resist change and what their resistance means It looks at how men and women older teachers and younger teachers experience change differently It looks at the positive aspects of change but does not hesitate to raise uncomfortable questions about many aspects of educational change either It looks critically and controversially at the social economic cultural and political forces that are driving educational change School leaders system administration teacher leaders consultants facilitators educational researchers staff developers and change agents of all kinds will find this book an indispensable resource for guiding them to both classic and cutting edge understandings of educational change no other work provides as comprehensive coverage of the field of educational change **Cross Cultural Perspectives in Child**

**Advocacy** Ilene R. Berson, Michael J. Berson, Bárbara C. Cruz, 2001-05-01 This study on cross cultural perspectives in child advocacy deals with various topics including support for children's issues the factors that influence reporting of suspected child abuse and child advocacy's application to education professionals The study looks at issues from around the world
