Restructuring the Soviet Economy David A. Dyker,2002-01-31 Restructuring the Soviet Economy examines the Soviet leadership s most urgent question how to revitalize the soviet economy David Dyker argues that the current impasse can only be understood in the context of the failure of 60 years of central planning He analyses both the problems besetting the centrally planned system and those that have paralysed perestroika and assesses whether the most ambitious attempt ever to reform the Soviet economy will succeed

Gregory,1990-07-27 In Restructuring the Soviet Economic Bureaucracy Paul R Gregory takes an inside look at how the system worked and why it has traditionally been so resistant to change Gregory s findings shed light on a bureaucracy that was widely considered the greatest threat to Gorbachev s efforts at perestroika or restructuring

Reorganization and Reform in the Soviet Economy Susan J. Linz,William Moskoff,2019-07-12 Richly represented in the Russian folktale tradition the legends in this work are religious tales in a peasant village setting Among the standard themes is the return of Christ who wanders through rural Russia with his disciples Satan appears too as do a cast of spirits and lesser devils

The Destruction of the Soviet Economic System: An Insider's History Michael Ellman,Vladimir Kontorovich,2015-02-24 The inside story of the political collapse of the Soviet Union is far better understood than the course of economic and social disintegration In order to capture the story the

editors compiled a list of questions which they addressed to former top Soviet officials and economic and other policy advisors both Soviet and foreign who were privy not only to data on the functioning of the Soviet economy but also to the internal policy debate during the 1980s This volume assembles the Informants analyses of key issues and the turning points and weaves them into a compelling history of systemic collapse Among the topics investigated are economic policies in the 1980s the standard of living the reliability of Soviet statistics Gosplan s projections for the economy to the year 2000 was the arms race starving the civilian economy the role of ideology in supporting the functioning of an economic system the party s participating in economic management the influence of foreign advisors the struggle over a transition program the functioning and collapse of the supply system the CMEA and the foreign trade system *Perestroika in Perspective* Padma Desai,2014-07-14 Mikhail Gorbachev s perestroika is a historic effort at restructuring the troubled Soviet economy Wide ranging in scope harnessed with cultural and political reforms it raises intriguing and important questions Are Gorbachev s ideas different from the Kosygin Brezhnev reform of 1965 that came to naught What kinds of problems do the Russians have in understanding the market system Who opposes perestroika Do Gorbachev s proposals threaten his own future as Soviet leader How does perestroika relate to a more general environment of openness of glasnost What happened at the June 1988 Party Conference And above all is the old order really giving way to a new one Or does Gorbachev aim at capitalist icing on a socialist cake To answer these questions and others Padma Desai a distinguished pioneer in the modern econometric analysis of the Soviet economy has distilled from Gorbachev s myriad decrees the outlines of his strategy for doing away with the Soviet Union s long term economic malaise Focusing on the key areas of industry agriculture services and foreign trade she discusses specific blueprints for change and evaluates the possibilities for their success Skillfully combining charts photographs cartoons and quotes this book offers a unique and coherent view of the strategy underlying Gorbachev s reform efforts to date and does so gracefully and with sparkle in terms completely understandable to the layperson Originally published in 1989 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Struggle to Save the Soviet Economy** Chris Miller,2016-10-13 For half a century the Soviet economy was inefficient but stable In the late 1980s to the surprise of nearly everyone it suddenly collapsed Why did this happen And what role did Soviet leader Mikhail Gorbachev s economic reforms play in the country s dissolution In this groundbreaking study Chris Miller shows that Gorbachev and his allies tried to learn from the great success story of transitions from socialism to capitalism Deng Xiaoping s China Why then were efforts to revitalize Soviet socialism so much less successful than in China Making use of never before studied documents from the

Soviet politburo and other archives Miller argues that the difference between the Soviet Union and China and the ultimate cause of the Soviet collapse was not economics but politics The Soviet government was divided by bitter conflict and Gorbachev the ostensible Soviet autocrat was unable to outmaneuver the interest groups that were threatened by his economic reforms Miller s analysis settles long standing debates about the politics and economics of perestroika transforming our understanding of the causes of the Soviet Union s rapid demise Soviet and Post-Soviet Economic Structure and Performance Paul R. Gregory,Robert C. Stuart,1994 This text has been updated to focus on the radical changes which the former Soviet Union has recently experienced its reorganization and its transition from a planned to market economy examining the history of the Soviet Union more succinctly than in previous editions Restructuring of the Soviet Economy in a Historical Context ,1991 Focuses on Gorbachev s radical reform programme perestroika 1985 to 1991 **Situation and Outlook Report** ,1988 Library of Congress Subject Headings Library of Congress,Library of Congress.
