Alex Caine, 2009-02-17 *The Hells Angels* The Bandidos Asian triads Russian mobsters and corrupt cops Even the KKK Just part of a day's work for Alex Caine an undercover agent who has seen it all Alex Caine started life as a working class boy who always thought he'd end up in a blue collar job But after a tour in Vietnam and a stretch in prison on marijuana possession charges he fell into the cloak and dagger world of a contracted agent or kite infiltrating criminal groups that cops across North America and around the globe were unable to penetrate themselves Thanks to his quick wittedness and his tough but unthreatening demeanor Caine could fit into whatever unsavory situation he found himself Over twenty five years his assignments ran the gamut from bad ass bikers to triad toughs When a job was over he'd slip away to a new part of the continent or world where he would assume a new identity and then go back to work on another group of bad guys Told with page turning immediacy *Befriend and Betray* gives a candid look behind the scenes at some familiar police operations and blows the lid off others that law enforcement would much prefer to keep hidden And it offers an unvarnished account of the toll such a life takes one that often left Caine to wonder who he really was behind those decades of assumed identities Or whether justice was ever truly served
