*Hereafter* Sayid Mujtaba Rukni Musawi Lari,1992      *Lessons on Islamic doctrine. 3. Resurrection judgement and the hereafter* Muğtabā Mūsawī Lārī,1992      Islam: The Basics Colin Turner,2013-12-19 With nearly 1500 rich years of history and culture to its name Islam is one of the world's great faiths and in modern times the subject of increasingly passionate debate by believers and non believers alike Islam The Basics is a concise and timely introduction to all aspects of Muslim belief and practice Topics covered include The Koran and its teachings The life of the Prophet Muhammad Women in Islam Sufism and Shi'ism Islam and the modern world Non Muslim approaches to Islam Complete with a glossary of terms pointers to further reading and a chronology of key dates Islam The Basics provides an invaluable overview of the history and the contemporary relevance of this always fascinating and important subject      **Three Perspectives: Jewish, Christian, and Muslim** Steven H. Propp,2009-12-30 You're Jewish aren't you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migrant named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the authors earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world      **Jihadist Preachers of the End Times** Bronislav Ostransky,2019-08-28 Focusing on apocalyptic manifestations found in ISIS propaganda this book situates the group's agenda in the broader framework of contemporary Muslim thought and explains key topics in millennial thinking within the spiritual context of modern Islamic apocalypticism Based on the group's primary sources as well as medieval Muslim apocalyptic literature and its modern interpretations the book analyses the ways ISIS presents its message concerning the Last Days as a meaningful inventive and frightening expression of collectively shared expectations relating to the supposedly approaching the End Times      **Islamikaze** Raphael Israeli,2004-08-02 Raphael

Israeli's overview of Islamic martyrology focuses upon the situation that has developed worldwide since the World Trade Centre was destroyed. His thesis is that a sea change has occurred in international terrorism that supersedes all other perspectives.
