Resurrection Fact Or Fiction:

Resurrection? Fact Or Fiction Atty. Joe Otto, 2024-03-19 The death and resurrection of Jesus Christ are the central facts undergirding Christian faith and life Joe Otto brings to bear his legal training in a succinct and masterful summary of the Biblical and historical evidence for the reality of these events and compellingly urges their significance for us today This little book will both greatly encourage Christian disciples and challenge those who do not believe are skeptics or simply have questions to take the step for faith I especially liked the compendium of references to the incredibly intricate way God's design is displayed in the small details of the natural world **The Resurrection** Richard Bewes, 1989-01-01 Discussion of views on the resurrection of Jesus Argues that the resurrection is not a myth or an analogy for the birth of the church but a physical resurrection to a new body Discusses the implications of this view of Jesus and the resurrection **Resurrection - Fact or Fiction** Wilbur McCoy Otto, 2015-07-30 Why Did I Write This Book If Jesus was resurrected with a new body after death this is easily the single most central fact and event in all history past present or future Quite simply it is a matter of life or death leading each person to decide whether our earthly life will have been but a vanishing mist with nothing thereafter or is a mere passageway like passing through a foreign country before returning to our native land in this case God's Kingdom and Eternity Should one choose to not believe that Jesus was resurrected read on because fact is fact truth is truth and non belief erases neither Whether seeker agnostic atheist skeptic young or old this book will present facts and evidence you may have never read or considered These facts and the evidence are not assembled by a theologian but rather by an experienced Trial Lawyer and are such that will convince any lay jury beyond any reasonable doubt that Jesus was the first resurrection to be followed by all of His followers In this ever increasingly evil world it is our young people our precious children and grandchildren that are at greatest risk and perhaps this includes you or one you love In addition to the above why did we write this book How could we not As water must flow over a waterfall so must God's and His children's love and desire for none to perish flow over all including our children and grandchildren our neighbors the lost and finally YOU and yours Remember there is only one person ever born who has proclaimed I am the Way the Truth and the Life Jesus at Jn 14 6 Please elect nay seize this Eternal Life for yourself **The Resurrection: Fact or Fiction?** Richard Bewes OBE, 2012-08-10 What is the evidence for Jesus resurrection Why are the events following his death so significant even today How can we be sure of his promises about eternal life This book shows how our lives can be transformed by the events of the first Easter Day **Resurrection** Richard Cunningham, 2015 **The Resurrection of Jesus** Michael Glenn, 2024-06-14 *The Resurrection* William Thompson, 1959 The Resurrection Fact John J. Bombaro, Adam Francisco, 2016-10-31 In the first century the resurrection fact faced both Jewish and Greek audiences with a challenge the challenge of a new reality Christ the risen Lord Since facts are by definition something that happened and this happening was witnessed proclaimed and recorded the fact stands for all generations In answering critics a defense of the resurrection consists not only of a

response by way of negation e.g Christianity is not this but also through positive affirmations this is Christianity In this book the reader will find both However it is our hope that the final word retained would be the one that stands for something rather than against something Together our words stand for something positive not negative namely the good news that the one true God has now taken charge of the world in and through Jesus and His death and resurrection Daily Living by the Word Jed N. Retrieving Apologetics Glenn B. Siniscalchi,2016 Given the popes recent statements of their desires to implement the New Evangelization it is imperative that Catholic theologians and other intellectually engaged laypersons retrieve the vital discipline of apologetics For the New Evangelization places particular emphasis on reproposing the Gospel to those who have experienced a crisis of faith due to secularization One salient method of Catholic apologetics used to be characterized by three demonstrations each of which assumes the conclusions established in the previous step s Some might think that this classical method of apologetics has been abandoned in the postconciliar Church but Siniscalchi s book updates it Unlike the classical apologetics of the preconciliar era Siniscalchi engages contemporary scholarship in a variety of academic disciplines such as philosophy history biblical studies sociology and theology to develop the steps that are necessary for showing the reasonableness of faith This is an accessible well researched and fairly argued case for apologetics as a necessary component of Catholic and indeed of all Christian theology It deserves a very wide readership Gerald O Collins SJ Professor Emeritus Gregorian University Siniscalchi does not only write about apologetics he actually does apologetics and does it at a high level The combination of an erudite and accurate plea for the theological importance of apologetics and charitable arguments for the truth of the Catholic faith makes this book uniquely important As he makes clear theologians are responsible for ensuring that their research does not solely serve an ivory tower Matthew Levering Perry Family Foundation Professor of Theology Mundelein Seminary Siniscalchi s book has many virtues One that is especially noteworthy has to do with the cultures of philosophy and Catholic systematic theology In the past fifty years these cultures have split apart This book helps bring those cultures more in line with one another and is definitely a step in the right direction Alfred J Freddoso Oesterle Professor of Thomistic Studies University of Notre Dame According to Vatican II the chief remedy for modern unbelief is to be sought in the proper presentation of the

WHAT IS MAN? Edgar Andrews,2018-07-03 In 1906 American humorist Mark Twain published a sixty page essay entitled What is man Consisting of an interminable dialogue between a senior citizen who believes that man is just a machine and a young man who believes nothing in particular but is open to persuasion it wasn't one of his finest books But at least he tried Authors since then seem to have avoided the subject like the plague often tackling the respective roles of men and women in society but seldom asking deeper questions about what it means to be human When the psalmist asked What is man Psalm 8 v 4 he was I think seeking an altogether more profound answer Avoidance of the subject is all the more strange because there has never been a time like our own when curiosity about human origins and destiny has been greater or the answers on offer more hotly disputed It's a safe bet that any attempt to give the big picture on the origin nature and specialness of mankind will be contentious which might explain why writers have generally fought shy of it Yet at heart it is the question most of us really do want answered because the answer defines that precious thing we call our identity both personally and as a race The Psalmist did of course offer his own answer three millennia ago Man he claimed was created by God for a clearly defined purpose to exercise dominion over planet earth and by implication to ultimately share something of the glory of the divine nature The rest as they say is history but it's not a happy tale As Mark Twain says in another essay I can't help being disappointed with Adam and Eve Not surprisingly then a large proportion of humanity today are looking for alternative solutions accepting the challenge of the Psalmist's question without embracing the optimism of his answer In this book we are going to consider the alternative solutions on offer by considering what it means to be human against the backgrounds of cosmology man's place in the universe biology man's place in the animal kingdom and psychology man's consciousness and mind Finally we return to the biblical context arguing

that the Psalmist got it right after all Don't let the science sounding stuff put you off Like its popular prequel Who made God Searching for a theory of everything this book is written with a light touch in a reader friendly and often humorous style It is intended specifically for the non expert with homely verbal illustrations designed to explain and unpack the technicalities for the lay person As Dr Paul Copan Pledger Family Chair of Philosophy and Ethics Palm Beach Atlantic University says Edgar Andrews has a way of making the profound accessible His scholarship informs the reader about key questions of our time offering wise guidance and illumination Stand Firm Paul Gould, Travis Dickinson, Keith Loftin, 2018-11-01 Stand Firm Apologetics and the Brilliance of the Gospel argues that the gospel satisfies both of these needs It is true and rational but it is also inherently attractive and provides meaning and purpose In short the gospel is brilliant **CSB Apologetics Study Bible, Navy LeatherTouch** CSB Bibles by Holman, 2017-08 The CSB Apologetics Study Bible helps today's Christians better understand defend and proclaim their beliefs in an age of increasing moral and spiritual relativism This study Bible's updated content includes new articles and extensive apologetics Bible study material that can serve during your devotionals from today's leading apologists to provide deeper understanding of the relevant apologetics issues and questions of today The Bible includes commentary from over 90 Christian apologetics leaders including Ted Cabal Lee Strobel Chuck Colson Paul Copan Norm Geisler Hank Hanegraaff Josh McDowell Albert Mohler J P Moreland Ravi Zacharias and many more plus a lead article by Lee Strobel The Case for Christ The study Bible features include a presentation page book introductions study notes apologetics articles from leading apologists Twisted Scripture explanations for commonly misunderstood passages Profiles of Christian apologists Two color interior Two column text 9 75 point type size Smyth sewn binding Ribbon marker Full color maps and more The CSB Apologetics Study Bible features the highly readable highly reliable text of the Christian Standard Bible R CSB The CSB stays as literal as possible to the Bible's original meaning without sacrificing clarity making it easier to engage with Scripture's life transforming message and to share it with others
