Resurrection And Modern Man:

Sermons in 1 & 2 Corinthians R. J. Rushdoony, 2023-06-09 Rushdoony's Sermons in First and Second Corinthians are the last of his Biblical commentaries delivered shortly before his passing but it represents a fitting close to his teaching ministry. He said Paul's letters are difficult to preach on because they speak to the sins of Christians and with the church at Corinth the long list of sins included division, strife, injustice, immorality, doctrinal error, and the abuse of the sacraments. Despite their many transgressions, the apostle Paul still addresses the believers at Corinth as saints and referred to their gathered community as the church of the Lord Jesus Christ. They were still Christ's embassy on earth. They could still develop into a greater training center for Christian action. This is why Paul's letters to the Corinthians are relevant to the church today and it's also why Rushdoony's sermons on these two epistles are invaluable to us now. Rushdoony was criticized for his ecclesiology but only because he always saw the greater fact of God's advancing Kingdom and the church as the equipping center for the saints. Rushdoony's fresh application of Paul's warnings and admonitions will help Christians, pastors, and churches to free themselves of the same sins and return to the church as an embassy of the Kingdom.

THE NEED FOR A GODLY SOCIAL ORDER The church could not hope in time to rule the world if it could not rule itself. It was thus very important for Paul to bring the Corinthians back into obedience to God's law among other things. The apostle Paul was an envoy to the ekklesia of Jesus Christ; those who are called to establish God's Kingdom on earth. Therefore, the importance of his patience, correction, and instruction could not be diminished if he were to be faithful to the One who sent him. The church is Christ's embassy to earth to reclaim what belongs to Him. Against the backdrop of a history filled with hatred for God and hatred of all that is holy, our greater calling is the establishing of a godly social order, and this commentary by Rushdoony is a welcomed text to help equip us for that great responsibility.

The Lutheran Quarterly, 1920 *A Modern Man's Theology* Washington Gladden, 1914 **Quarterly Review of the Evangelical Lutheran Church**, 1920 **The Hartford Seminary Record**, 1909 *Critical Essays on Edward Schillebeeckx's Theology* Cornelius C. Simut, 2010-02-18

This book presents the main teachings of Edward Schillebeeckx, widely considered one of the most important Catholic thinkers of the twentieth century. Schillebeeckx is known for his radical departure from traditional theology, which he saw as no longer relevant to the modern world. Because today's world has been shaped by a process of secularization heavily based on reason and progress in science, technology, economics, urbanism, etc., modern people seek relevant answers to their deep existential questions that can be explained rationally. In his quest to foster relevant and meaningful answers for today's world, Schillebeeckx changed the traditional metaphysical content of Christian theology into explanations that radically reinterpret traditional Christian doctrines. Primarily, the supernatural essence of Christianity is given up as irrelevant and is replaced by a natural perspective on the world. In Schillebeeckx's thoroughly historical and truly immanent theology, God is man's terrestrial future. Christ, the symbol of universal human values, and the Church is identified with the world as those

communities which share these universal human values Schillebeeckx is convinced that these explanations emptied of metaphysical content can help today's people understand their existence in a new relevant and meaningful way Three Keys to Spiritual Renewal Clark H. Pinnock, 1998-03-03 Reasonable Faith (3rd edition) William Lane Craig, 2008-06-09 Perfect as a textbook yet excellent for lay readers this updated edition builds a positive case for Christianity by applying the latest thought to core theological themes J Gresham Machen once said False ideas are the greatest obstacles to the reception of the gospel which makes apologetics that much more important Wanting to engage not just academics and pastors but Christian laypeople and seekers William Lane Craig has revised and updated key sections in this third edition of his classic text to reflect the latest work in astrophysics philosophy probability calculus the arguments for the existence of God and Reformed epistemology His approach that of positive apologetics gives careful attention to crucial questions and concerns including the relationship of faith and reason the existence of God the problems of historical knowledge and miracles the personal claims of Christ and the historicity of the resurrection of Jesus He shows that there is good reason to think Christianity is true As Craig says If you have a sound and persuasive case for Christianity you don't have to become an expert in comparative religions and Christian cults A positive justification of the Christian faith automatically overwhelms all competing world views lacking an equally strong case Hope and Community Veli-Matti Kärkkäinen, 2017 The culmination of Kärkkäinen's multivolume magnum opus This fifth and final volume of Veli-Matti Kärkkäinen's ambitious five volume systematic theology develops a constructive Christian eschatology and ecclesiology in dialogue with the Christian tradition with contemporary theology in all its global and contextual diversity and with other major living faiths Judaism Islam Buddhism and Hinduism In Part One of the book Kärkkäinen discusses eschatology in the contexts of world faiths and natural sciences including physical cosmological and neuroscientific theories In Part Two on ecclesiology he adopts a deeply ecumenical approach His proposal for greater Christian unity includes the various dimensions of the church's missional existence and a robust dialogical witness to other faith communities Christ and Counter-Christ Carl E. Braaten, 2016-10-19 The apocalyptic Jesus speaks directly to the crises of our time Carl E Braaten contends Yet few modern theologians have come to terms with this aspect of Jesus message In these brief and provocative essays Braaten reappraises theology and society from the point of view of apocalypticism The author points out the relevance for contemporary Christians of the dualities found in apocalyptic thought Christ and Counter-Christ freedom and slavery the present realm and future kingdom People in today's counterculture are even seen to possess a vision of freedom similar to that in the apocalyptic sections of the Bible The reader will discover that apocalypticism opens up fascinating new dimensions of such issues as ecology revolution and secular Christianity Each chapter displays a double emphasis on theological concerns and on concrete problems facing Christians today Those who read in the fields of religion ethics or American culture will find this book intriguing The breezy style and careful thinking will appeal to everyone from college student to systematic theologian

Smith,2016-03-29 The thesis of In Our Image is that the traditional Christian assertion that God made man in his image Gen 1 26 has been turned on its head by Christian orthodoxy and that it is most often the believer who makes God in his image It is true that the Bible as a whole seems to support the traditional Christian theist view of a God out there who creates mankind according to his will and

demands high standards of holiness but a too superficial reading of the text will tend to overlook the significance of myth and symbol thereby missing the point that the Bible is essentially a human document expressing human concerns Holiness although of the essence is not primarily a top down affair imposed or demanded from above but a bottom up one which is created by and lies at the heart of human experience Christian fundamentalists read the Bible with black and white literalism while liberals often reduce religious experience to the merely human Smith here argues for a via media which appeals to the harmonious existence of faith and reason as the chief means of addressing mans modern existential situation
