Retail Best Practices And Supervisors Guide To Food Safety And Sanitation:

Retail Best Practices and Supervisor's Guide to Food Safety and Sanitation David McSwane, Richard Linton, Nancy R. Rue, Anna Graf Williams, 2004-02 This collection of papers explores some facets in the areas of Corpus Linguistics and Phraseology which have gone unnoticed so far With the aid of a range of different corpora and new generation software tools the authors tackle specialized domains and discourse in specialized settings utilizing some innovative approaches to the study of recurrent features and patterns in the languages of economics history linguistics politics and other fields The papers critically examine contemporary discourses in which experts and laypersons are equally involved showing that the spoken and written texts selected from various specialized corpora can be seen as collective memory banks The series of reflections and specialized meanings uncovered in these texts are closely tied to particular sequences of patterned chunks in language and offer exciting insights into the inseparability of lexis and grammar The contributions to this volume were previously published in International Journal of Corpus Linguistics 13 3 2008
