Retail Management Barry Berman, Joel R. Evans, 2001 Providing a balance between theory and practice this guide to retail management includes useful career information and takes a strategic approach to decision making **Advances in Theory and Practice in Store Brand Operations** Jiazhen Huo, 2021-01-04 This book is developed by focusing on the four issues 1 product strategy of private brand 2 pricing strategy of private brand 3 channel strategy with private brand introduction and 4 supply chain coordination with private brand introduction Private brand PB also known as private label PL or store brand SB refers to a brand created and controlled by a retailer In the 1960s and 1970s private labels began to emerge in France and England Although private label has grown rapidly worldwide market share varies greatly from region to region According to Nielsen's 2018 Global Private Label Report the largest markets for private label products are found primarily in the more mature European retail markets In recent years many large domestic retail enterprises have launched their own brand products With the growth of e-commerce some online retailers have also launched private label goods JD started to introduce its private brands in 2010 with annual sales of its private brand products reaching several hundred million yuan However at present the market share of China's private label is only 1.3% which still has a big gap compared with Europe and America The main challenges to China's private label lie in private brand operations management Among them how to select the correct product categories how to make pricing decision how to restructure channels and how to coordinate supply chain after introducing private brands are four operations management problems need to be solved

The British National Bibliography Arthur James Wells, 2005 **China Investment and Business Guide Volume 1 Strategic and Practical Information** IBP, Inc., 2015-09-11 China Investment and Business Guide Volume 1 Strategic and Practical Information **Forthcoming Books** Rose Arny, 2003-04 中国研究指南 Frank Joseph Shulman, Anna See Ping Leon Shulman, 2001-01-01 A descriptively annotated multidisciplinary cross referenced and extensively indexed guide to 2395 dissertations that are concerned either in whole or in part with Hong Kong and with Hong Kong Chinese students and emigres throughout the world *The Pragmatics of Managing Negative Emotions in a Chinese Context* Rong Lei, 2024-09-19 Drawing from rich naturally occurring language data and synthesizing insights from the fields of interpersonal pragmatics and Chinese interpersonal communication this book presents a compelling exploration of the management of negative emotions through an interpersonal pragmatics lens The volume seeks to answer a number of key questions at the intersection of these two fields including how do negative interpersonal emotions manifest in the context of Chinese culture What connections exist between emotions and interpersonal dynamics In what ways are these emotions intertwined with the moral framework of Chinese society How are such negative emotions effectively navigated and regulated The analysis goes beyond mere examination of emotional expressions delving into the cultural nuances that shape the understanding and handling of emotions The book elucidates for instance how unmet ganqing expectations can trigger emotions like anger and sadness and

in turn the employment of rapport management strategies in their mitigation The book provides profound insights into a previously overlooked and little understood area of study making it of interest to students and researchers in pragmatics discourse analysis communication studies and psychotherapy **Global Marketing Management** Masaaki (Mike)
