Retaining Your Foodservice Employees:

Retaining Your Foodservice Employees Karen E. Drummond, 1992-04-16 Retaining Your Foodservice Employees is the second in a series of three books by Karen Eich Drummond on Foodservice Employee Management. The other two titles are Staffing Your Foodservice Operation and Disciplining Your Foodservice Employees. Employee turnover represents a major concern for foodservice operators particularly when you consider that half of all restaurant employees leave their jobs within the first 30 days. With firings or resignations come costs expenses for recruiting and training a new candidate as well as overtime costs incurred while the position is vacant. And beyond the immediate dollar loss high employee turnover reduces employee morale and job performance which can result in a significant loss of customers and profits. Retaining Your Foodservice Employees recognizes that successful foodservice operations can no longer treat employees as disposable assets especially in light of today's dwindling pool of workers. This quick reference guide shows you a wide range of strategies for increasing a staff member's employment period and keeping turnover to a minimum. This innovative volume identifies what today's employees want out of their jobs. You'll get a clear understanding of workers' needs that include interesting work, a manager who respects, trusts, and cares about them, clearly communicated performance goals, good pay and benefits, and comfortable working conditions. You'll also find specific actions you can take to meet these employee needs such as listening to your employees, coaching them for better performance, and using your supervisory skills to encourage positive motivational teamwork. You'll learn how to inform and involve employees and use reward programs and career ladders to retain productive employees. Practical worksheets at the end of each chapter help you identify and correct specific areas where your business can improve. Actual on-the-job examples of improved communication and successful reward programs will help you generate ideas that you can apply to your own program. As a complete guide to a critical industry-wide problem, Retaining Your Foodservice Employees will be essential reading for all commercial and institutional foodservice managers and owners.

Retaining Your Foodservice Employees Karen Eich Drummond, 1992 **Managing Employees in Foodservice Operations** David K. Hayes, Jack D. Ninemeier, 2024-04-30 Managing Employees in Foodservice Operations Obtain and retain skilled professional employees with this accessible guide. A foodservice operation can only remain successful if its employees are served as well as its customers. Just as a business with no customers will fail for lack of revenue, one without skilled professional satisfied staff will be unable to provide service at the level customers demand. Attracting and retaining qualified staff is a critical challenge for the modern foodservice industry and one which is only becoming more urgent in today's market. Managing Employees in Foodservice Operations offers a uniquely foodservice oriented guide to obtaining training and retaining employees in a fast-paced and highly competitive industry. The book provides content perfectly aligned with a two-year community college program, courses in human resources, supervision, small business administration, or related subjects. Detailed discussion of topics including workplace health and safety, recruitment, and retention and many more. Ideas

cultivated during the authors decades of combined experience in hospitality foodservice leadership and research Material to support instructors conducting courses including PowerPoints chapter by chapter exam questions and case studies Managing Employees in Foodservice Operations is ideal for students in foodservice related courses as well as professional business

Managing Foodservice Operations Sue Grossbauer,2004-03-17 *Foodservice Operations and Management: Concepts and Applications* Karen Eich Drummond,Mary Cooley,Thomas J. Cooley,2021-08-23 Foodservice Operations Management Concepts and Applications is written for Nutrition and Dietetics students in undergraduate programs to provide the knowledge and learning activities required by ACEND s 2017 Standards in the following areas Management theories and business principles required to deliver programs and services Continuous quality management of food and nutrition services Food science and food systems environmental sustainability techniques of food preparation and development and modification and evaluation of recipes menus and food products acceptable to diverse populations ACEND Accreditation Standards for Nutrition and Dietetics Didactic Programs 2017 The textbook can also be used to meet the competencies in Unit 3 Food Systems Management and Unit 5 Leadership Business Management and Organization in the Future Education Model for both bachelor s and graduate degree programs

Controlling Restaurant & Food Service Labor Costs Sharon L. Fullen,2003 This new series of fifteen books The Food Service Professional Guide TO Series from the editors of the Food Service Professional are the best and most comprehensive books for serious food service operators available today These step by step guides on a specific management subject range from finding a great site for your new restaurant to how to train your wait staff and literally everything in between They are easy and fast to read easy to understand and will take the mystery out of the subject The information is boiled down to the essence They are filled to the brim with up to date and pertinent information The books cover all the bases providing clear explanations and helpful specific information All titles in the series include the phone numbers and web sites of all companies discussed What you will not find are wordy explanations tales of how someone did it better or a scholarly lecture on the theory Every paragraph in each of the books are comprehensive well researched engrossing and just plain fun to read yet are packed with interesting ideas You will be using your highlighter a lot The best part aside from the content is they are very moderately priced You can also purchase the whole 15 book series the isbn number is 0 910627 26 6 You are bound to get a great new idea to try on every page if not out of every paragraph Do not be put off by the low price these books really do deliver the critical information and eye opening ideas you need you to succeed without the fluff so commonly found in more expensive books on the subject Highly recommended Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president s garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to
