Retazos De Vidas:

Retazos de vida Nacha Pineau, 1929 **Stories of Civil War in El Salvador** Erik Ching, 2016-08-26 El Salvador's civil war began in 1980 and ended twelve bloody years later. It saw extreme violence on both sides including the terrorizing and targeting of civilians by death squads, recruitment of child soldiers, and the death and disappearance of more than 75,000 people. Examining El Salvador's vibrant life story literature written in the aftermath of this terrible conflict, including memoirs and testimonials, Erik Ching seeks to understand how the war has come to be remembered and rebattled by Salvadorans and what that means for their society today. Ching identifies four memory communities that dominate national postwar views: civilian elites, military officers, guerrilla commanders, and working class and poor testimonialists. Pushing distinct and divergent stories, these groups are today engaged in what Ching terms a narrative battle for control over the memory of the war. Their ongoing publications in the marketplace of ideas tend to direct Salvadorans' attempts to negotiate the war's meaning and legacy, and Ching suggests that a more open, coordinated reconciliation process is needed in this postconflict society. In the meantime, El Salvador, fractured by conflicting interpretations of its national trauma, is hindered in dealing with the immediate problems posed by the nexus of neoliberalism, gang violence, and outmigration. La plenitud de Miguel Cervantes. Una vida en papel (1604-1616) José Manuel Lucía Megías, **Un Reino Inverso** Bill White, 2020-04-14 In Jesus' greatest sermon, He begins with the Beatitudes, nine statements that turn our world upside down. He's establishing a counterculture, a different way to seeing reality with a shocking set of blessings. Jesus is asking us to join Him in a kingdom that challenges everything we normally believe and hold dear and offers us more than we've ever imagined. Sound intriguing? Hold on tight. Look at this modern translation: God's kind of happiness comes to those who know they are poor. Divine comfort is showered on those whose hearts are broken with grief. If you are truly meek, the whole world belongs to you. And for those of you who are suffering for doing the right thing, Awesome! It's a party time. You belong in God's hall of fame. In this book, Pastor Bill White gives us a door of understanding. If we walk through it, we'll find that these paradoxical truths turn conventional wisdom upside down and they fill our hearts with God's love, forgiveness, wisdom, and strength. **Cuentos Rodados** Carlos Abadie, 2010-10-12 **The Book in Movement** Magalí Rabasa, 2019-05-08 Over the past two decades, Latin America has seen an explosion of experiments with autonomy as people across the continent express their refusal to be absorbed by the logic and order of neoliberalism. The autonomous movements of the twenty-first century are marked by an unprecedented degree of interconnection through their use of digital tools and their insistence on the importance of producing knowledge about their practices through strategies of self-representation and grassroots theorization. *The Book in Movement* explores the reinvention of a specific form of media: the print book. Magalí Rabasa travels through the political and literary underground of cities in Mexico, Bolivia, Argentina, and Chile to explore the ways that autonomous politics are enacted in the production and circulation of books.
