Rethinking Orientalism Women Travel And The Ottoman Harem:

Rethinking Orientalism Reina Lewis, 2004-09-24 The oppressed yet highly sexualized woman of the Muslim harem is arguably the pivotal figure of Western orientalism Yet as Reina Lewis demonstrates while orientalist thinking had recently been challenged Western understandings of Middle Eastern culture remain limited This book presents alternative dialogues between Ottoman and Western women Lewis examines from the position of cultural theory the published autobiographical accounts about segregated life of self identified Oriental women Demetra Vaka Brown Halide Edib Zeyneb Hanum Melek Hanum and Grace Ellison Bringing her subjects vividly to life Lewis uses these texts to challenge the Western orientalist stereotypes that have become commonplace within postcolonial theory **Rethinking Orientalism** Reina Lewis, 2004 The oppressed yet highly sexualized woman of the Muslim harem is arguably the pivotal figure of Western orientalism Yet as Reina Lewis demonstrates while orientalist thinking had recently been challenged Western understandings of Middle Eastern culture remain limited This book presents alternative dialogues between Ottoman and Western women Lewis examines from the position of cultural theory the published autobiographical accounts about segregated life of self identified Oriental women Demetra Vaka Brown Halide Edib Zeyneb Hanum Melek Hanum and Grace Ellison Bringing her subjects vividly to life Lewis uses these texts to challenge the Western orientalist stereotypes that have become commonplace within postcolonial theory Bloomsbury Publishing **Fashioning the Modern Middle East** Reina Lewis, Yasmine Nachabe Taan, 2021-06-03 In the first book to address the critical role of the undressed body in the formation of the modern Middle East these essays unveil contemporary struggles over nation gender modernity and post modernity Contributions from leading interdisciplinary scholars exploring gender representation photography dress and visual culture recount the role of the visible elite body in campaigns for gender and social emancipation dress histories concerning early nationalist women and men and legal frameworks used by those who seek to control the movement of gendered bodies The result is a rich picture of a historical period and cultural landscape which brings dress and visual culture back into historical narratives of the modern Middle East Recognising multiple modernities multiple imperialisms and diverse regional experiences of post colonialism Fashioning the Modern Middle East contains a range of theoretical frameworks invaluable to students of fashion studies Middle Eastern studies anthropology photography and gender Bringing forward new primary material and re investigating extant sources from new perspectives this is the essential introduction to the role of the dressed and undressed body in the formation of the modern Middle East *The Arab Diaspora* Zahia Smail Salhi, Ian Richard Netton, 2006-09-27 The Arab Diaspora examines the range of roles the Arab world has played to various audiences on the modern and postmodern stage and the issues which have arisen as a result The variety of roles explored reflects the diversity of Arab culture With particular focus placed on political diplomatic and cultural issues the book explores the relationship between the Arab world and the West covering topics including Islam and its common ancestry and relationship with Christianity the varying forms of Arab civilization and

its inability in more modern times to fulfil the dreams of nineteenth and twentieth century reformers continued stereotyping of the Arab world within the media The Arab Diaspora is essential reading for those with interests in Arabic and Middle East studies and cultural studies The Routledge International Handbook to Veils and Veiling Anna-Mari Almila,David Inglis,2017-07-06 Veils and veiling are controversial topics in social and political life generating debates across the world The veil is enmeshed within a complex web of relations encompassing politics religion and gender and conflicts over the nature of power legitimacy belief freedom agency and emancipation In recent years the veil has become both a potent and unsettling symbol and a rallying point for discourse and rhetoric concerning women Islam and the nature of politics Early studies in gender doctrine and politics of veiling appeared in the 1970s following the Islamic revival and re veiling trends that were dramatically expressed by 1979 s Iranian Islamic revolution In the 1990s research focussed on the development of both an Islamic culture industry and greater urban middle class consumption of Islamic garments and dress styles across the Islamic world In the last decade academics have studied Islamic fashion and marketing the political role of the headscarf the veiling of other religious groups such as Jews and Christians and secular forms of modest dress Using work from contributors across a range of disciplinary backgrounds and locations this book brings together these research strands to form the most comprehensive book ever conceived on this topic As such this handbook will be of interest to scholars and students of fashion gender studies religious studies politics and sociology **Fashion** Ilya Parkins,Maryanne Dever,2020-05-21 Inspired by a rapidly changing fashion landscape Fashion New Feminist Essays offers historical and contemporary studies that reveal the relationships between fashion with gender sexuality race and age Fashion is a rich terrain for feminist scholars in the twenty first century Explicit engagements with feminist and queer politics critical interventions by industry outsiders across digital platforms diversifying images of stylish bodies and ongoing discussions of the ethics and sustainability of fashion production all of these point to an urgent need to reappraise the relationship of fashion to feminism and other justice seeking movements The essays in this collection take up fashion as a feminist critical tool that uniquely holds together the lived and represented body with larger cultural structures Contributors unearth surprising new lines of connection between gender sexuality race age and religion in their relationship to capitalism both historically and in the present Bringing together established and emerging scholars and perspectives from gender studies history sociology philosophy and literary studies Fashion New Feminist Essays traces the far reaching impact of this most feminized of forms underscoring the significance of fashion studies for understanding the politics of culture This book was originally published as a special issue of the Australian Feminist Studies journal Debating Turkey in Europe Caner Tekin,2019-12-16 In contemporary history a much debated issue has been whether European nations have a common identity and what relevance the European Union has for a shared definition of Europeanness The present book examines the link between historical conceptions of Europe and the contestations over Turkey s compatibility with the European Union during the 2000s **Historical Dictionary of Turkey**

Metin Heper, Nur Bilge Criss, 2009-01-21 Turkey is both an old and a new country While the Turks have been living in Anatolia for the last millennium the country has gone through extensive Westernization since the end of the 18th century However in the case of Turkey tradition has not arrested modernization rather the traditional has adapted itself to the modern The revival of Islam and the emergence of certain ethnic identities during the recent decades have not led to the reversal of progress in the economy and democracy There is a thriving private sector and the economy continues to grow At the turn of the 21st century Turkey is the only Muslim country with a democratic political system Although Turkey belongs to both the West and the East its Western credentials are more marked It is a member of the Council of Europe North Atlantic Treaty Organization NATO and Organization for Economic Cooperation and Development OECD and it is presently carrying out negotiations with the European Union EU for accession to that Union as a full member The third edition of the Historical Dictionary of Turkey explores the history of this fascinating country through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important persons places events and institutions as well as on significant political economic social and cultural aspects *The Objects and Textures of Everyday Life in Imperial Britain* Janet C. Myers, Deirdre H. McMahon, 2017-05-15 Focusing on everyday life in nineteenth century Britain and its imperial possessions from preparing tea to cleaning the kitchen from packing for imperial adventures to arranging home decor the essays in this collection share a common focus on materiality the nitty gritty elements that helped give shape and meaning to British self definition during the period Each essay demonstrates how preoccupations with common household goods and habits fueled contemporary debates about cultural institutions ranging from personal matters of marriage and family to more overtly political issues of empire building While existing scholarship on material culture in the nineteenth century has centered on artifacts in museums and galleries this collection brings together disparate fields history of design landscape history childhood studies and feminist and postcolonial literary studies to focus on ordinary objects and practices with specific attention to how Britons of all classes established the tenets of domesticity as central to individual happiness national security and imperial hegemony [Artisans of Empire](#) Suraiya Faroqhi, 2009-06-23 The manufacture and trade in crafted goods and the men and women who were involved in this industry including metalworkers ceramicists silk weavers fez makers blacksmiths and even barbers lay at the social as well as the economic heart of the Ottoman empire This comprehensive history by leading Ottoman historian Suraiya Faroqhi presents the definitive view of the subject from the production and distribution of different craft objects to their use and enjoyment within the community Succinct yet comprehensive *Artisans of Empire* analyses the production and trade of crafts from the beginning of the 16th century to the early 20th century focusing on its history politics and culture Production methods the organisation of trade guilds religious differences the contribution of women and the structure of the Ottoman economy all come under scrutiny in this wide ranging history that combines keen analysis with descriptions of the beautiful and sometimes unknown works of Ottoman

artisans Faroghi sheds new light on all aspects of artisan life setting the concerns of individual craftsmen within the context of the broader cultural themes that connect them to the wider world Combining social cultural economic religious and historiographical insights this will be the authoritative work on Ottoman artisans and guilds for many years to come

Women in Transnational History Clare Midgley, Alison Twells, Julie Carlier, 2016-04-28 Women in Transnational History offers a range of fresh perspectives on the field of women's history exploring how cross border connections and global developments since the nineteenth century have shaped diverse women's lives and the gendered social cultural political and economic histories of specific localities The book is divided into three thematically organised parts covering gendered histories of transnational networks women's agency in the intersecting histories of imperialisms and nationalisms and the concept of localizing the global and globalizing the local Discussing a broad spectrum of topics from the politics of dress in Philippine mission stations in the early twentieth century to the shifting food practices of British women during the Second World War the chapters bring women to the centre of the writing of new transnational histories Illustrated with images and figures this book throws new light on key global themes from the perspective of women's and gender history Written by an international team of editors and contributors it is a valuable and timely resource for students and researchers of both women's history and transnational and global history

Customs of Europe series is a must have for high school students studying world history and culture as well as for general readers interested in global hotspots **Dressed for Freedom** Einav Rabinovitch-Fox,2021-11-16 Often condemned as a form of oppression fashion could and did allow women to express modern gender identities and promote feminist ideas Einav Rabinovitch Fox examines how clothes empowered women and particularly women barred from positions of influence due to race or class Moving from 1890s shirtwaists through the miniskirts and unisex styles of the 1970s Rabinovitch Fox shows how the rise of mass media culture made fashion a vehicle for women to assert claims over their bodies femininity and social roles She also highlights how trends in women s sartorial practices expressed ideas of independence and equality As women employed new clothing styles they expanded feminist activism beyond formal organizations and movements and reclaimed fashion as a realm of pleasure power and feminist consciousness A fascinating account of clothing as an everyday feminist practice Dressed for Freedom brings fashion into discussions of American feminism during the long twentieth century

Rewriting Resistance: Caste and Gender in Indian Literature Rakibul Islam,Jakir Hossain,2022-05-10 Rewriting Resistance Caste and Gender in Indian Literature explores the claustrophobic shadow of discrimination hanging over Indian women and lower caste people from ancient times It examines how different literary figures paint a vivid and descriptive picture of the physical and psychological oppression faced throughout India The book traces feminist resistance subaltern resistance and resistance during the anti colonial struggle with the literary outputs discussed working as socio political activity against dominant ideologies The volume further talks about the responsibility not only of those oppressed but also of us as human beings to speak out against the violation of human rights and for justice So the book focuses on the literary writers who always dream of a better India where all people regardless of their caste class and gender can live and breathe freely The book is divided into three parts Part I describes the plight of women their commodification and the politics around them and how they fight hard to regain their faded identity Part II depicts the interesting findings on gender caste intersections and discrimination Part III explores the struggle of the low caste specifically male members of Dalit community along with their history It further portrays how orthodoxy in rituals creates the burden of traditional and existential crises Rewriting Resistance Caste and Gender in Indian Literature re visits Indian literary texts in terms of what they reveal about the resistance registered through the suffering of human beings women and Dalits at the hands of fellow human beings and further links the discussion to our contemporary situation The book has a unique quality in that it is not only a detailed study of select Indian English texts but also delves into an in depth analysis of texts from Bengali Urdu and Hindi literature The work is likely to affect and appeal to students scholars and academics and can be adopted for classroom teaching and research purposes as well **Journeys to the Other Shore** Roxanne L. Euben,2008-07-01 The contemporary world is increasingly defined by dizzying flows of people and ideas But while Western travel is associated with a pioneering spirit of discovery the dominant image of Muslim mobility is the jihadi who travels not to learn but to destroy Journeys to the Other

Shore challenges these stereotypes by charting the common ways in which Muslim and Western travelers negotiate the dislocation of travel to unfamiliar and strange worlds In Roxanne Euben s groundbreaking excursion across cultures geography history genre and genders travel signifies not only a physical movement across lands and cultures but also an imaginative journey in which wonder about those who live differently makes it possible to see the world differently In the book we meet not only Herodotus but also Ibn Battuta the fourteenth century Moroccan traveler Tocqueville s journeys are set against a five year sojourn in nineteenth century Paris by the Egyptian writer and translator Rifa a Rafi al Tahtawi and Montesquieu s novel Persian Letters meets with the memoir of an East African princess Sayyida Salme This extraordinary book shows that curiosity about the unknown the quest to understand foreign cultures critical distance from one s own world and the desire to remake the foreign into the familiar are not the monopoly of any single civilization or epoch Euben demonstrates that the fluidity of identities cultures and borders associated with our postcolonial globalized world has a long history one shaped not only by Western power but also by an Islamic ethos of travel in search of knowledge *Journeys to the Other Shore* Euben,2007-09

Global Justice and Desire Nikita Dhawan,Antke Engel,Christoph H.E. Holzhey,Volker Woltersdorff,2015-05-15 Employing feminist queer and postcolonial perspectives Global Justice and Desire addresses economy as a key ingredient in the dynamic interplay between modes of subjectivity signification and governance Bringing together a range of international contributors the book proposes that both analyzing justice through the lens of desire and considering desire through the lens of justice are vital for exploring economic processes A variety of approaches for capturing the complex and dynamic interplay of justice and desire in socioeconomic processes are taken up But acknowledging a complexity of forces and relations of power domination and violence sometimes cohering and sometimes contradictory it is the relationship between hierarchical gender arrangements relations of exploitation and their colonial histories that is stressed Therefore queer feminist and postcolonial perspectives intersect as Global Justice and Desire explores their capacity to contribute to more just and more desirable economies
