Rethinking Modernism:

Rethinking Modernism and the Built Environment Almantas Samalavičius, 2017-06-23 This volume is a passionate scholarly inquiry focused on some of the most pressing issues confronting contemporary architectural practice urbanism and city making Presented in the form of conversations with leading architects urbanists and internationally renowned architectural historians and urban thinkers this concise book reviews and critiques the legacy of Modernism and its impact on global urbanisation Timely thoughtful and thought provoking these conversations conducted by the editor during the last few years urge the rejection of some of the most widespread dogmas and often dangerously limiting and misguided intellectual legacies of urban and architectural thinking The contributors recommend a search instead for more enlightened architectural practices urban planning and city making in the new millennium when environmental problems have become particularly pressing In this volume readers will find not only glimpses into possible urban futures but a thorough review of what now often appear as the shackles of the not so distant Modernist past **Rethinking Modernism** M.

Thormählen, 2003-03-13 Around 1970 scholars adopted the term modernism as a designation for the radical changes that took place in Anglo American literature in the early twentieth century The concept lent prestige to works and authors associated with it encouraging the developments of a vast body of criticism while blocking academic recognition of literature to which it did not readily apply This book challenges the concept of modernism testing its viability in searching analyses of individual texts writers and processes **Rethinking Modernity** Forum on Contemporary Theory. Conference, 2005 This

Volume Comprising Select Papers From The International Conference On Rethinking Modernity Held At The University Of Rajasthan Jaipur In December 2004 Looks At How The Notion Of Modernity Has Influenced Thinking In Several Disciplinary Debates And Has Encompassed A Broad Range Of Issues Of Contemporary Relevance *Rethinking Nationalism* Jonathan

S. Hearn, 2020-06-29 This is an innovative and interdisciplinary introduction to the study of nationalism The author uses paired chapters first to present the work of key authors in relation to each of a set of key themes primordialism modernism power and culture and then critically to rethink these core concepts **Modernism and Cultural Conflict, 1880-1922**

Ann L. Ardis, 2002-10-31 In *Modernism and Cultural Conflict* Ann Ardis questions commonly held views of the radical nature of literary modernism She positions the coterie of writers centred around Pound Eliot and Joyce as one among a number of groups in Britain intent on redefining the cultural work of literature at the turn of the twentieth century Ardis emphasizes the ways in which modernists secured their cultural centrality she documents their support of mainstream attitudes toward science their retreat from a supposed valuing of scandalous sexuality in the wake of Oscar Wilde's trials in 1895 and the conservative cultural and sexual politics masked by their radical formalist poetics She recovers key instances of opposition to modernist self fashioning in British socialism and feminism of the period Ardis goes on to consider how literary modernism's rise to aesthetic prominence paved the way for the institutionalization of English studies through the devaluation of other

aesthetic practices **Bad Modernisms** Douglas Mao, Rebecca L. Walkowitz, 2006-04-14 Collection of essays on the ways in which modernist literature film and art transgressed the artistic and cultural norms we associate with high modernism

The Contemporaneity of Modernism Michael D'Arcy, Mathias Nilges, 2015-10-23 At a juncture in which art and culture are saturated with the forces of commodification this book argues that problems forms and positions that defined modernism are crucially relevant to the condition of contemporary art and culture The volume is attuned to the central concerns of recent scholarship on modernism and contemporary culture the problems of aesthetic autonomy and the specific role of art in preserving a critical standpoint for cultural production the relationship between politics and the category of the aesthetic the problems of temporality and contemporaneity literary transnationalism and the questions of medium and medium specificity Ranging across art forms mediums disciplines and geographical locations essays address the foundational questions that fuse modernism and the contemporary moment What is art What is the relation between art and the economy How do art and technology interpenetrate and transform each other What is modernism's logic of time and contemporaneity and how might it speak to the problem of thinking genuine novelty or the possibility of an alternative to the current stage of neo liberal capitalism What is modernism and what is its history The book is thus committed to revising our understanding of what modernism was in its earlier instantiations and in accounting for the current moment addressing the problems raised by modernism's afterlives and reverberations in the 20th and 21st centuries The volume includes essays that consider literature sociology philosophy visual art music architecture digital culture television and other artistic media It synthesizes the most recent thinking on modernism and contemporary culture and presents a compelling case for what happens to literature art and culture in the wake of the exhaustion of postmodernism This book will be of interest to those studying literature visual art media studies architecture literary theory modernism and twentieth century and contemporary culture more generally

Modanizumu William J. Tyler, 2008-01-04 Remarkably little has been written on the subject of modernism in Japanese fiction Until now there has been neither a comprehensive survey of Japanese modernist fiction nor an anthology of translations to provide a systematic introduction Only recently have the terms modernism and modernist become part of the standard discourse in English on modern Japanese literature and doubts concerning their authenticity vis a vis Western European modernism remain This anomaly is especially ironic in view of the decidedly modern prose crafted by such well known Japanese writers as Kawabata Yasunari Nagai Kafu and Tanizaki Jun ichiro By contrast scholars in the visual and fine arts architecture and poetry readily embraced modanizumu as a key concept for describing and analyzing Japanese culture in the 1920s and 1930s This volume addresses this discrepancy by presenting in translation for the first time a collection of twenty five stories and novellas representative of Japanese authors who worked in the modernist idiom from 1913 to 1938 Its prefatory materials provide a systematic overview of the literary movement's salient features anti naturalism cosmopolitanism the concept of the double self and actionism and describe how modanizumu evolved from its early jagged

edges into a sophisticated yet popular expression of Japanese urban life in the first half of the twentieth century The modanist style characterized by youthful exuberance a tongue in cheek tone and narrative techniques like superimposition is amply illustrated Modanizumu introduces faces altogether new or relatively unknown Abe Tomoji Kajii Motojiro Murayama Kaita Osaki Midori Tachibana Sotou Takeda Rintaro Tani Joji Yoshiyuki Eisuke and Yumeno Kyusaku It also revisits such luminaries as Kawabata Tanizaki and the detective novelist Edogawa Ranpo Key works that it culls from the modernist repertoire include Funahashi Seiichi's Diving Hagiwara Sakutarō's Town of Cats Ito Sei's Streets of Fiendish Ghosts and Kawabata's film scenario Page of Madness This volume moves beyond conventional views to place this important movement in Japanese fiction within a global context an indigenous expression born of the fission of local creativity and the fusion of cross cultural interaction

Locating Gender in Modernism Geetha Ramanathan, 2012-10-02 This book visits modernism within a comparative gendered and third world framework questioning current scholarly categorisations of modernism and reframing our conception of what constitutes modernist aesthetics It describes the construction of modernist studies and argues that despite a range of interventions which suggest that philosophical and material articulations with the third world shaped modernism an emphasis on modernist universals persists Ramanathan argues that women and third world authors have reshaped received notions of the modern and revised orthodox ideas on the modern aesthetic Authors such as Bessie Head Josiane Racine T Obinkaram Echewa Raja Rao Gabriel Garcia Marquez Sembene Ousmane Salman Rushdie Ana Castillo Attia Hossain Bapsi Sidhwa and Sahar Khalifeh are visited in their specific cultural contexts and use some form of realism a mode that western modernism relegates to the nineteenth century A comparative methodology and extensive research on intersecting topics such as post coloniality and the articulation between gender and modernist aesthetics facilitates readings of the modern in twentieth century literature that fall outside standards of western modernism Considering the relationship between aesthetics and ideology Ramanathan lays out a critical apparatus to enhance our understanding of the modern thus suggesting that form is not universal but that the history of forms like the history of colonialism and of women indicates very specific modalities of the modern

Modernism, Sex, and Gender Celia Marshik, Allison Pease, 2018-10-04 Modernism Sex and Gender is an up to date and in depth review of how theories of gender and sexuality have shaped the way modernism has been read and interpreted from its inception to the present day The volume explores four key aspects of modernist literature and criticism that have contributed to the new modernist studies women's contributions to modernism masculinities sexuality and the intersection of gender and sexuality with politics and law Including brief case studies of such writers as May Sinclair and Radclyffe Hall this book is a valuable guide for those looking to understand the history of critical thought on gender and sexuality in modernist studies today

Rethinking Modernism for the Developing World James Steele, 1998 With a comprehensive illustrated chronology of all his work this study is indispensable not only for anyone with an overall interest in contemporary architecture but also for those who have a particular concern for the evolution of

traditional forms within a context of humane values *A Companion to American Literature and Culture* Paul
 Lauter,2020-09-21 This expansive Companion offers a set of fresh perspectives on the wealth of texts produced in and around
 what is now the United States Highlights the diverse voices that constitute American literature embracing oral traditions
 slave narratives regional writing literature of the environment and more Demonstrates that American literature was
 multicultural before Europeans arrived on the continent and even more so thereafter Offers three distinct paradigms for
 thinking about American literature focusing on genealogies of American literary study writers and issues and contemporary
 theories and practices Enables students and researchers to generate richer more varied and more comprehensive readings of
 American literature Planetary Modernisms Susan Stanford Friedman,2015-08-18 Drawing on a vast archive of world
 history anthropology geography cultural theory postcolonial studies gender studies literature and art Susan Stanford
 Friedman recasts modernity as a networked circulating and recurrent phenomenon producing multiple aesthetic innovations
 across millennia Considering cosmopolitan as well as nomadic and oceanic worlds she radically revises the scope of
 modernist critique and opens the practice to more integrated study Friedman moves from large scale instances of pre 1500
 modernities such as Tang Dynasty China and the Mongol Empire to small scale instances of modernisms including the poetry
 of Du Fu and Kabir and Abbasid ceramic art She maps the interconnected modernisms of the long twentieth century pairing
 Joseph Conrad with Tayeb Salih E M Forster with Arundhati Roy Virginia Woolf with the Tagores and Aim C saire with
 Theresa Hak Kyung Cha She reads postcolonial works from Sudan and India and engages with the idea of N gritude
 Rejecting the modernist concepts of marginality othering and major minor Friedman instead favors rupture mobility speed
 networks and divergence elevating the agencies and creative capacities of all cultures not only in the past and present but
 also in the century to come **Wyndham Lewis's Cultural Criticism and the Infrastructures of Patronage** Nathan
 O'Donnell,2020 This is the first book length study of Wyndham Lewis s cultural criticism a valuable body of writing which
 posed questions that have yet to be answered about the role and status of the artist in a professionalised society and
 ultimately about the value economic civic political of the work of art **City Planning in India, 1947-2017** Ashok
 Kumar,Sanjeev Vidyarthi,Poonam Prakash,2020-07-07 This book is a comprehensive history of city planning in post
 independence India It explores how the nature and orientation of city planning have evolved in India s changing sociopolitical
 context over the past hundred or so years The book situates India s experience within a historical framework in order to
 illustrate continuities and disjunctions between the pre and post independent Indian laws policies and programs for city
 planning and development It focuses on the development scope and significance of professional planning work in the midst of
 rapid economic transition migration social disparity and environmental degradation The volume also highlights the need for
 inclusive planning processes that can provide clean air water and community spaces to large diverse and fast growing
 communities Detailed and insightful this volume will be of interest to researchers and students of public administration civil

engineering architecture geography economics and sociology It will also be useful for policy makers and professionals working in the areas of town and country planning *Border Crossings* Henry A. Giroux, 2007-05-11 The concept of border and border crossing has important implications for how we theorize cultural politics power ideology pedagogy and critical intellectual work This completely revised and updated edition takes these areas and draws new connections between postmodernism feminism cultural studies and critical pedagogy Highly relevant to the times which we currently live Giroux reflects on the limits and possibilities of border crossings in the twenty first century and argues that in the post 9 11 world borders have not been collapsing but vigorously rebuilt The author identifies the most pressing issues facing critical educators at the turn of the century and discusses topics such as the struggle over the academic canon the role of popular culture in the curriculum and the cultural war the New Right has waged on schools New sections deal with militarization in public spaces empire building and the cultural politics of neoliberalism Those interested in cultural studies critical race theory education sociology and speech communication will find this a valuable source of information **Modernism and Christianity** E. Tønning, 2014-01-29 By theorising the idea of formative tensions between cultural Modernism and Christianity and by in depth case studies of James Joyce David Jones T S Eliot Ezra Pound W H Auden Samuel Beckett the book argues that no coherent account of Modernism can ignore the continuing impact of Christianity **Semicolonial Joyce** Derek Attridge, Marjorie Elizabeth Howes, 2000-06-22 A landmark collection of essays examining Joyce s relationship with Irish colonialism and nationalism Thomas Adès in Five Essays Drew Massey, 2020 Reaching for the music behind the celebrated composer conductor and pianist Thomas Adès author Drew Massey offers an indispensable work for scholars and general readers alike *Modernity and Technology* Thomas J.
