Retirement Guide For Canadians:

The Canadian Retirement Guide Jill O'Donnell, Graham McWaters, John A. Page, 2007 People over 65 years old constitute the fastest growing segment of the Canadian population By 2011 as the first baby boomers turn 65 seven million Canadians will be senior citizens And by 2041 it is estimated nearly one in four Canadians will be over 65 The aging population will radically change society as individuals face the challenges of growing older caring for parents and often times for children still at home As our life spans increase so do our options for how we will spend our later years However this large group of elders is facing a crisis Many have made few if any plans for retirement Without clear goals plans to support dependants and means of paying for financial commitments in addition to increasing health risks retirement could be a time of misery and uncertainty The Canadian Retirement Guide solves that problem It sets up a process by which we can plan for retirement as a family taking into consideration the retiree the spouse and those who depend on them Topics covered include estate planning wills taxation how to choose financial professionals your role as a caregiver physical and mental health issues and the different challenges facing us as we enter our golden years

Canadian Retirement Planning Mistakes

Hicks Grant Hicks, Grant Hicks, 2010-02 ARE YOU WORRIED ABOUT YOUR RETIREMENT Your not alone Most Canadians feel they can use some more planning when it comes to retirement whether you have been retired for several years or planning for retirement I have written a book on the mistakes I have seen in over 20 years of retirement planning This book addresses Strategies about minimizing taxes as saving a dollar in tax may be your best investment How to avoid common pitfalls and myths about generating retirement income and cash flow Protecting your assets and transferring your money as everyone only gets one estate Simplifying your retirement and giving you peace of mind Avoid common retirement planning mistakes as the title suggests The great investors don't do it themselves because they know it is an emotional decision They come to the logical conclusion to get a team of great professionals to help them avoid retirement mistakes and become comfortable with their retirement plans I hope you enjoy this book and using it as a reference towards improving your retirement lifestyle www.g Hicks.com Sincerely Grant

The Canadian Snowbird Guide

Douglas Gray, 2009-12-31 Each year more than a million Canadians affectionately dubbed Snowbirds migrate to southern climes to enjoy warm weather and sandy beaches The strong Canadian dollar is making the trip more affordable and attractive than ever But post 9 11 Canadians face tighter security higher health costs and higher fuel costs when traveling to the US Canadians must budget accordingly Especially for first timers how can they properly plan their trip to ensure a worry free time away from home Among the topics this book includes are the Snowbird lifestyle financial planning what documents you need to enter the US what types of insurance and coverage are recommended ensuring you have an up to date will how US tax law applies to Canadians if money is earned or property sold snowbirding in Mexico and Costa Rica plus FAQs checklists and sources of further information

The Essential Retirement Guide Frederick Vettese,2015-11-12 Retirement planning is difficult enough without having to contend with misinformation Unfortunately much of the advice that is dispensed is either unsubstantiated or betrays a strong vested interest In The Essential Retirement Guide Frederick Vettese analyses the most fundamental questions of retirement planning and offers some startling insights The book finds for example that Saving 10 percent a year is not a bad rule of thumb if you could follow it but there will be times when you cannot do so and it might not even be advisable to try Most people never spend more than 50 percent of their gross income on themselves before retirement hence their retirement income target is usually much less than 70 percent Interest rates will almost certainly stay low for the next 20 years which will affect how much you need to save Even in this low interest environment you can withdraw 5 percent or more of your retirement savings each year in retirement without running out of money Your spending in retirement will almost certainly decline at a certain age so you may not need to save quite as much as you think As people reach the later stages of retirement they become less capable of managing their finances even though they grow more confident of their ability to do so Plan for this before it is too late Annuities have become very expensive but they still make sense for a host of reasons In addition The Essential Retirement Guide shows how you can estimate your own lifespan and helps you to understand the financial implications of long term care Most importantly it reveals how you can calculate your personal wealth target the amount of money you will need by the time you retire to live comfortably The author uses his actuarial expertise to substantiate his findings but does so in a jargon free way

The Complete Guide to Buying and Owning a Recreational Property in Canada Douglas Gray,2009-06-11 Prime vacation property throughout Canada has doubled in value within the past five years For the potential buyer of a vacation property the cost of entry can be stiff There is a high demand for many to own a vacation home or idyllic retreat for pleasure and lifestyle enjoyment future retirement rental revenue or investment profit But buying a recreational property can be a potential minefield for many reasons as there can be complex tax legal estate planning and investment issues to consider When investing hundreds of thousands of dollars in a recreational property you will need to do your due diligence and seek solid advice The Complete Guide to Buying and Owning Recreational Property in Canada written by Canada s leading authority on matters related to real estate offers valuable insights and tips and will prove a trustworthy resource for many years to come Topic areas include Buying the right property for the right

reasons in the right location How to set a purchase and financing strategy and how to negotiate your best deal How to exercise caution when buying with family or friends and how to keep peace in the family when sharing use or ownership Getting the help of professionals such as a tax accountant lawyer home inspector mortgage broker insurance broker and realtor Obtaining tax and estate planning strategic advice to save tax on transfer sale or bequeathing of the property or inheriting a property What you need to know if you are buying recreational property as an investment Money saving tips when renting your property yourself or using professional rental management Special cautions if buying a vacation home or cottage outside of Canada Creative ways of using your vacation home or cottage for exchange or barter Key strategies to follow and classic pitfalls to avoid And much much more Plus Sources of Further Information Key Websites Checklists Glossary and Index
