**Handbook of Social Work in Health and Aging** Barbara Berkman, 2006-02-09 The Handbook of Social Work in Health and Aging is the first reference to combine the fields of health care aging and social work in a single authoritative volume. These areas are too often treated as discrete entities while the reality is that all social workers deal with issues in health and aging on a daily basis regardless of practice specialization. As the baby boomers age the impact on practice in health and aging will be dramatic and social workers need more specialized knowledge about aging health care and the resources available to best serve older adults and their families. The volume's 102 original chapters and 13 overviews written by the most experienced and prominent gerontological health care scholars in the United States and across the world provide social work practitioners and educators with up to date knowledge of evidence based practice guidelines for effectively assessing and treating older adults and their families new models for intervention in both community based practice and institutional care and knowledge of significant policy and research issues in health and aging. A truly monumental resource this handbook represents the best research on health and aging available to social workers today.

This unique book examines how to make the most of outdoor spaces in residential settings exploring attitudes and patterns of use the effect of plants the physical environment and health related outcomes from contact with nature and enhanced physical activity.

Parenting Your Parents Bart J. Mindszenty, Michael Gordon, 2013-09-09 This latest enhanced and updated edition will help guide the thinking of those challenged with aging in the family. Since the last edition in 2006 much has happened in the field of eldercare. There is now an increasing awareness of the complex challenges posed by the expanding aging population in North America. When our parents reach a certain age and have difficulty coping we find ourselves wondering how to provide them with the kind of love care support and attention they need just as they have done for us all our lives. The third edition of Parenting Your Parents shows through 24 case studies and the personal experiences of the authors that you are not alone and offers crucial advice to help you along this difficult but rewarding journey. It also offers a new Vulnerability Index to measure what level of need your parents may have right now as well as a financial planning section and resource directory.
