Australian National Bibliography: 1992 National Library of Australia, 1988

Britpop and the English Music Tradition Jon Stratton, 2016-04-15 Britpop and the English Music Tradition is the first study devoted exclusively to the Britpop phenomenon and its contexts The genre of Britpop with its assertion of Englishness evolved at the same time that devolution was striking deep into the hegemonic claims of English culture to represent Britain It is usually argued that Britpop with its strident declarations of Englishness was a response to the dominance of grunge The contributors in this volume take a different point of view that Britpop celebrated Englishness at a time when British culture with its English hegemonic core was being challenged and dismantled It is now timely to look back on Britpop as a cultural phenomenon of the 1990s that can be set into the political context of its time and into the cultural context of the last fifty years a time of fundamental revision of what it means to be British and English The book examines issues such as the historical antecedents of Britpop the subjectivities governing the performative conventions of Britpop the cultural context within which Britpop unfolded and its influence on the post Britpop music scene in the UK While Britpop is central to the volume discussion of this phenomenon is used as an opportunity to examine the particularities of English popular music since the turn of the twentieth century

Penny Laine's Anthology Terry Rowan, 2015-03-31 The Beatles reflected the times as they captivated the world over This book has been put together in the hopes of stirring fond memories in a few of those Beatlemaniacs who are as much a part of this story as the four young Beatles were Always updated with new CDs prices and recent information Throughout the years they've remained in the public eye as much as

when they were together This is a story of The Beatles together and their careers through the post Beatle years A comprehensive price guide of all their records together and their solo careers from around the globe Stories never told before which makes this the Ultimate Beatles Price Guide Updated yearly All You Need is Love **Jimi Hendrix** Keith Shadwick,2003 This visual celebration and musical analysis of Jimi Hendrix the genius who created modern guitar includes 300 color and b w photos many never before published **The Business** Simon Napier-Bell,2023-01-27 The only history of pop music you ll ever have to read Huffington Post Let legendary rock manager Simon Napier Bell take you inside the dodgy world of popular music not just a creative industry but a business that has made people rich beyond their wildest dreams This book describes the evolution of the music industry from 1713 the year parliament granted writers ownership over what they wrote to today when a global 100 billion pound industry is controlled by just three major players Sony Universal and Warner Inside you will uncover some little known facts about the industry including how a formula for writing hit songs in the 1900s helped create 50 000 of the best known songs of all time how Jewish immigrants and black jazz musicians dancing cheek to cheek created a template for all popular music that followed and how rock tours became the biggest quickest sleaziest and most profitable ventures the music industry has ever seen Through it all Napier Bell balances seductive anecdotes pulling back the curtain on the gritty and absurd side of the industry with an insightful exploration of the relationship between creativity and money **The Rolling Stones rock and roll circus** ,2019 **Catalog of Copyright Entries** Library of Congress.
